The Origins of Christian Anti-Internationalism

How champions win and how they can be beaten. A League of Their Own provides readers with a closer look at the FIFA Club World Champions, such as FC Barcelona, Bayern Munich, Real Madrid and Manchester City. Readers will catch a glimpse into the history of these clubs while also learning about the individual philosophies of some of the top coaches. This book discusses different tactical philosophies as well as how these tactical approaches have been adjusted by some of soccer 's greatest coaches, such as Pep Guardiola, José Mourinho, Luis Enrique, and Louis van Gaal. Finally, readers will be taken through case studies of each individual team with a step-by-step analysis of how these tactical setups are successful and how they can be exploited. Each case study will provide a discussion of how each team sets up when in attack, defending, and in transition. Not only addressing how and why these tactical setups are powerful, this book also breaks down and specifies just how lesser teams can exploit the subtle weaknesses by adjusting their attacking, defending, and transition strategies. Winning the tactical battle on the pitch creates endless possibilities, and perhaps evens the playing field to continue intrigue of the game.

Ichiro Suzuki

A League of Their Own

From an award-winning graphic artist and baseball historian comes a strikingly original illustrated history of baseball 's forgotten heroes, including stars of the Negro Leagues, barnstorming teams, semi-pro leagues, foreign leagues, and famous players

Access Free A League Of Your Own Leadership Lessons With All Star Athletes Who Want You To Win In Sports School And Life Volume 1

like Shoeless Joe Jackson, Jackie Robinson, Willie Mays, and Joe DiMaggio before they achieved notoriety. From a young age, Gary Cieradkowski had a passion for baseball's unheralded heroes. Inspired by his father and their shared love of the sport, Cieradkowski began creating "outsider" baseball cards, as a way to tell the little-known stories of baseball's many unsung heroes—alongside some of baseball's greatest players before they were famous. The League of Outsider Baseball is a tribute to all of those who've played the game, known and unknown. Shining a light into the dark corners of baseball history—from Mickey Mantle's minor league days to Negro League greats like Josh Gibson and Leon Day; to people that most never knew played the game, such as Frank Sinatra, who had his own ball club in 1940s Hollywood; bank robber John Dillinger, who was a promising shortstop and took time out between robberies to attend Cubs games; and even a few US presidents—this book is a rich, visual tribute to America's pastime. Meticulously researched, beautifully illustrated using a unique, vintage baseball-card-style, and filled with a colorful and rich cast of characters, this book is a prized collector's item and will be cherished by fans of all ages.

The League of Youth : The Pillars of Society : A Doll's House

THE MOVING SAGA OF RACHEL CAMPBELL AND HER FAMILY CONTINUES It's October 1954 and life in post-war Britain is slowly starting to return to normal. For Rachel Campbell, however, her family is proving to be a constant challenge. As her children grow older and start families of their own, Rachel must help them learn the often difficult lessons of life. Back from his National Service in Korea, Sam quickly rises through the police force, but soon finds himself in competition with his younger brother Paul. Meanwhile, Carrie realises that the joys of marriage may not create the easy life she had hoped for. And on what feels like the other side of the world, Rachel's eldest daughter Hannah faces the harsh realities of life on a Hebridean island. Through blessings and tragedies, streaks of luck and blows of misfortune, the Campbells will face their most trying days. But when surprising news brings the opportunity for redemption, can the family learn to put the past behind them? Millie Gray once again brilliantly recreates the atmosphere of the era with all the hardships and struggles as well as the fun, warmth and humour of everyday life.

Incredible Women of the All-American Girls Professional Baseball League

A Standalone Short Story with No Cliffhanger! Twenty-two year old Samantha Banks has been a fan of football player Blake Stemmons for as long as she can remember. Unfortunately, she 's not his only fan. After waiting more than an hour for an autograph, she walks away empty-handed. It turned out that Blake wasn ' t the man Samantha thought he was. When a mugger finds her alone and vulnerable in the parking lot, Samantha ' s screams for help are answered by none other than Blake Stemmons. In an odd twist of fate, Blake appears when Samantha would rather not see him. Sorry for running out before she got her autograph, he asks her on a date. She turns him down, eager to head home and go back to her mundane, predictable life. This isn ' t a fairytale, after all. But Blake Stemmons isn ' t the kind of guy to take " no " for an answer. When he sends flowers to her work, Samantha is stuck between a rock and a hard place. Does she keep turning him down and save her heart, or risk a broken heart to live out her fantasy? ---- KEYWORDS: Sport Romance, Basketball Romance, Billionaire, Billionaire Romance, Love Scenes, Young Adult Romance, Romantic Suspense, Bad Boy Romance, Contemporary Romance, Bad Boy Billionaire, Billionaire Romance, Billionaire Romance Books, Office Romance, Alpha Male Romance, Dominant Possessive Book, Contemporary Love Sex, Forbidden Romance, Boss Romance Novels, New Adult Romance Ebooks

A League of Their Own

The exciting final installment in THE BROTHERHOOD OF THE ROSE trilogy David Morrell ' s international thrillers have no equal. Among his classic novels, THE LEAGUE OF NIGHT AND FOG stands as one of his most exciting, ambitious, and brilliant works. Here is a novel that literally spans the globe, bringing together two generations of men and women bound by one murderous legacy. From the Vatican to the Swiss Alps, from Australia to the heartland of America, the master operatives of the Brotherhood of the Rose and the Fraternity of the Stone join forces to solve a violent mystery. Why have ten old men been abducted from around the world? As Saul and Drew investigate, they encounter a terrifying cycle of revenge that began in

World War II and now forces sons to pay for their fathers' darkest sins. This special edition e-book contains a Brotherhood of the Rose short story, "The Abelard Sanction," that completes the saga. "Splendid, state-of-the-art . . . action/adventure . . . Morrell's forte is action, and there is plenty of that here." —Washington Post Book World "A wildly Ludlumesque thriller . . . an exciting and entertaining adventure." —Publishers Weekly "An ambitious, violent, and enthralling novel that has everything. . . . Recommended." —Library Journal "Terrific action scenes" —Cleveland Plain Dealer "A master of suspense" —Michael Connelly "Morrell, an absolute master of the thriller, plays by his own rules and leaves you dazzled." —Dean Koontz

Young Justice

Growing up, Pat Brown had two dreams: to play baseball and to attend college. She was told she couldn't play baseball because she was a girl and couldn't attend college because she had no money, but in spite of the obstacles, she achieved both of these dreams, playing for the All-American Girls Professional Baseball League in 1950 and 1951 and going on to attend college. She is among the few women professional baseball players to be included into the National Baseball Hall of Fame. "As the only former AAGPBL player to have written about the League," Brown says, "I feel like I have finally pitched my no hit game." This is a memoir of playing baseball on the sandlot, discovering and playing in the AAGPBL, and playing basketball in college. Brown shares her thoughts on the League's history, including what Philip K. Wrigley sought to do by creating the AAGPBL, what happened after Wrigley left to give more attention to the Chicago Cubs, and why the League ended. She also considers the future for women's professional baseball. Interviews with such former AAGPBL players as Helen Hannah Campbell, Patricia "Pat" Courtney, Madeline "Maddy" English, Lenora "Smokey" Mandella, Jacqueline "Jackie" Matson, Jane Moffet, Mary "Sis" Moore, and Janet "Pee Wee" Wiley are included.

A League of Dangerous Women

Wonder Woman tries to save the Justice League by betraying it.

The League of Night and Fog

"Readers...will be enamored by this blend of history, mystery, and superpowered action." —Booklist (starred review) "Has the exciting pace of a superhero adventure." —Kirkus Reviews Hidden Figures meets Wonder Woman in this action-packed, comic-inspired adventure about a brilliant girl puzzler who discovers she's part of a superhero team—the first in a new series! Josie O'Malley does a lot to help out Mam after her father goes off to fight the Nazis, but she wishes she could do more—like all those caped heroes who now seem to have disappeared. If Josie can't fly and control weather like her idol, Zenobia, maybe she can put her math smarts to use cracking puzzles for the government. After an official tosses out her puzzler test because she's a girl, it soon becomes clear that an even more top-secret agency has its eye on Josie, along with two other applicants: Akiko and Mae. The trio bonds over their shared love of female superhero celebrities, from Hauntima to Zenobia to Hopscotch. But during one extraordinary afternoon, they find themselves transformed into the newest (and youngest!) superheroes in town. As the girls' abilities slowly begin to

emerge, they learn that their skills will be crucial in thwarting a shapeshifting henchman of Hitler, and, just maybe, in solving an even larger mystery about the superheroes who 've recently gone missing. Inspired by remarkable real-life women from World War II—the human computers and earliest programmers called “ the ENIAC Six ” —this pulse-pounding adventure features bold action and brave thinking, with forty-eight pages of comic book style graphic panels throughout the book. Readers will want to don their own capes for an adventure, and realize they have the power to be a superhero, too!

The League of Nations, Cartels, and the Tariff

A League of My Own

The roots of conservative Christian skepticism of international politics run deep. In this original work Markku Ruotsila artfully unearths the historical and theological origins of evangelical Christian thought on modern-day international organizations and U.S. foreign policy, particularly in the fierce debates over the first truly international body—the League of Nations. After describing the rise of the Social Gospel movement that played a vital, foundational role in the movement toward a League of Nations, *The Origins of Christian Anti-Internationalism* examines the arguments and tactics that the most influential confessional Christian congregations in the United States—dispensational millennialists, Calvinists, Lutherans, and, to a lesser extent, Methodists, Episcopalians, and Christian Restorationists—used to undermine domestic support for the proposed international body. Ruotsila recounts how these groups learned to co-opt less religious-minded politicians and organizations that were likewise opposed to the very concept of international multilateralism. In closely analyzing how the evangelical movement successfully harnessed political activism to sway U.S. foreign policy, he traces a direct path from the successful battle against the League to the fundamentalist-modernist clashes of the 1920s and the present-day debate over America's role in the world. This exploration of why the United States ultimately rejected the League of Nations offers a lucid interpretation of the significant role that religion plays in U.S. policymaking both at home and abroad. Ruotsila's analysis will be of interest to scholars and practitioners of theology, religious studies, religion and politics, international relations, domestic policy, and U.S. and world history.

A League of One

Aware that his past is about to catch up with him, a psychopathic KGB agent requests a transfer to Africa. Soon after arriving, the ruthless Morozov leads a small band of communist guerrillas into Rhodesia. Their deadly mission: to down another civilian passenger aircraft. Within hours of the tragedy, Rhodesian security forces activate a hot-pursuit operation. Dax Hunter, a young air force helicopter pilot, makes contact with the evil gang on the banks of the Zambezi. He sets in motion a sequence of events that will forever entwine his fate with that of the crazed Russian. Events sweep the two men across the globe in a dangerous journey of intrigue, passion and betrayal. Meanwhile, maneuvering between the Cold War's fragile ententes, the CIA's shadowy dealings continue to influence events in Central America. With the feisty

CIA agent Apple Lacroix at his side, Hunter is unwittingly drawn into a questionable CIA operation and a showdown with his archenemy.

Football for a Buck

Batgirl takes on Gotham City's toughest villains including Harley Quinn and Poison Ivy in these timeless, all-ages stories set in the world of the seminal Batman: The Animated Series! In these previously uncollected stories inspired by the hit Batman: The Animated Series, Batgirl swings across the rooftops of Gotham City alongside Batman, Nightwing, and Robin to battle the likes of Harley Quinn, Poison Ivy, and Ra's al Ghul. She even finds time to team up with her father, Commissioner Gordon, to catch two escaped convicts. These stories are written and illustrated by top Batman: The Animated Series and Batman Adventures talent, including Paul Dini, Ty Templeton, and Rick Burchett, along with a cover by Batman: The Animated Series co-creator Bruce Timm! Collects the all-ages Batgirl Adventures #1 and Batman: Gotham Adventures #8-9, #22, and #38.

The Tablet

The founding, structure, and operations of the League of Arab States since its organization in 1945 are analyzed. In the first half of the book the author discusses the League's decision-making processes, considers regional dynamics, the polarization of power between Egypt and Iraq, and the impact of such major issues as Palestine on the League. He considers the League's techniques of cooperation with the United Nations and its specialized agencies, neutralism and nonalignment, and the boycott of Israel. In the latter half of the study, three major operational questions typical of regional organizations are examined: functional integration in cultural, social, economic, and scientific affairs; problems of regional security and peaceful settlement of disputes; and interaction between the Arab League and the United Nations. Originally published in 1965. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

A League of Nations

Football's best kept secret. Revised and updated: New world records revealed The Dick, Kerr Ladies were a bunch of ordinary factory girls from Preston who set the football world alight during the First World War while raising tens of thousands of pounds for charity. They became household names and went on to become the most successful women's team ever, setting records that will probably never be equalled. In a League of Their Own! is a true story of Triumph, Glory and Betrayal. It charts the team's journey through the years, profiles the great pioneers of the game, reveals the prejudice and injustice they encountered and uncovers how others sought to exploit them. Not merely a book for sports lovers, but a unique history that will touch and inspire everyone to carry on against all the odds. Women's football has taken a back seat for far too long. In a League of Their Own! is an extraordinary account of an amazing group of women who blazed a trail in football almost 100 years ago. Their record is second to none and makes you question exactly what could have been achieved but for the injustice of an FA ban in 1921. Gail Newsham has saved a huge amount of women's football history from being lost forever. The Dick, Kerr Ladies have left a remarkable legacy. I have been moved and inspired by their story. I am sure you will be too. Sylvia Gore M.B.E. ex England international. In a League of Their Own! - Should be compulsory reading in every school throughout the world. It shows the tenacity of the Dick, Kerr Ladies at a time when women were regarded as second class citizens. Their story is a compelling piece of world sports history and should never be forgotten. Gail Newsham provides us with a crucial part of women's football and social history showing how the Dick, Kerr Ladies persevered against all the odds. Sheila Ferguson - singer, actor, author.

In a League of Their Own! the Dick, Kerr Ladies 1917-1965

It's the history and the literature that has made cricket the greatest of all games. These are some interesting stories about some interesting cricket personalities by an accidental writer.

The League of Nations

From a multiple New York Times best-selling author, the rollicking, outrageous story of the United States Football League, a bona fide professional sports phenomenon full of larger-than-life characters and you-can't-make-this-up stories featuring some of the biggest celebrities and buffoons in the game.

The Curse

Ibsen's Prose Dramas: Biographical introduction. The league of youth. Tr. by William Archer. The pillars of society. Tr. by William Archer. A doll's house. Tr. by William Archer

Ninety years ago, the League of Nations convened for the first time, hoping to create a safeguard against destructive, world-wide war by settling disputes through diplomacy. This book looks at how the League was conceptualized and explores the multifaceted body that emerged. This new form for diplomacy was used in ensuing years to counter territorial ambitions and restrict armaments, as well as to discuss human rights and refugee issues. The League's failure to prevent World War II, however, would lead to its dissolution and the subsequent creation of the United Nations. As we face new forms of global crisis, this timely book asks if the UN's fate could be ascertained by reading the history of its predecessor.

League of Denial

A League Of Their Own

This book chronicles the history of the All-American Girls Professional Baseball League and the stories of the first women to play professional baseball in a league of their own. "In 1941, the world was at war, and with American men fighting overseas, the much needed pastime of professional baseball was in danger of extinction—until women stepped up to the plate." In this heartwarming illustrated history, the League's story is told by the ones who know it best: the players. Author Anika Orrock collects a variety of funny, charming, wince-worthy, and powerful vignettes told by the players themselves about their time playing the American pastime. • Features stories of grit and perseverance against all odds, told by the players themselves • Filled with player statistics, historical beats, headlines, and more; and fully illustrated in Anika's vibrant style • A visually engaging, readable women-led history book Written in an approachable manner and beautifully illustrated, The Incredible Women

of the All-American Girls Professional Baseball League is a one-of-a-kind story told through the women's own voices and their own perspectives. This book ultimately proves that the incredible women of the AAGPBL truly were in a league of their own.

- A unique celebration of a specific moment in women's and sports history
- A great read for experienced and new sports fans alike, readers young and old, baseball fans, and anyone looking for an inspiring gift for an aspiring professional sports player
- Perfect on the shelf with books like *Women in Science: 50 Fearless Pioneers Who Changed the World* by Rachel Ignotofsky, *Strong is the New Pretty* by Kate T. Parker, and *Rad American Women A-Z: Rebels, Trailblazers, and Visionaries who Shaped Our History . . . and Our Future!* by Kate Schatz

A League of Warriors

First published to wide acclaim in Sweden (1995) and in Germany (1997), the autobiography of opera legend Birgit Nilsson (1918-2005) is finally available in an English translation. From her humble roots in rural Sweden to her artistic triumphs in Stockholm, Bayreuth, Milan, and the Metropolitan Opera House, this candid and utterly charming memoir reveals the personality behind one of the great voices of the past century. Gracefully weaving together the private and professional, Nilsson chronicles her idyllic childhood in Vastra Karup, the early recognition of her unique natural abilities, and her first tentative steps into a wider artistic world. After achieving national acclaim in Verdi's *Lady Macbeth*, she went on to establish herself as the dominant Wagnerian soprano of her generation, appearing at the Bayreuth and Munich Festivals, and the Vienna and Bavarian State Opera Houses, creating, along the way, definitive performances of *Sieglinde*, *Brunnhilde*, and *Isolde*. The book details her rise to international stardom with behind-the-scenes recollections of her phenomenal triumph as *Turandot* at La Scala in 1958 and her headline-making Met premier in *Tristan und Isolde* the following year. Nilsson's long and illustrious career (she performed until 1984), her celebrated professional and personal relationships, her friendships and rivalries, are all recounted with a down-to-earth wit and an engagingly odd admixture of ego and selfeffacement. She tells it all: the legendary quips, the often prickly relationships with Met impresario Rudolph Bing and conductor von Karajan, the infamous story of the stalker "Miss N," and the touchingly rendered relationship with her beloved husband, Bertil Niklasson. What emerges from these pages is a diva in the old mold: a giant voice matched by an oversize personality, a professional who expected the same level of perfection from others that she demanded of herself, and a woman who loved and lived life with joy and good humor . . . and oh, that voice. Includes 56 photographs and a discography.

The League of Outsider Baseball

“ A perfect pick for kids who love Rick Riordan. ” —Booklist (starred review) “ A winner for all kids, but it will be especially loved by Latinx and Hispanic families. ” —Kirkus Reviews (starred review) The *Lightning Thief* meets the *Story Thieves* series in this middle grade fantasy inspired by Hispanic folklore, legends, and myths from the Iberian Peninsula and Central and South America. Charlie Hernández has always been proud of his Latin American heritage. He loves the culture, the art, and especially the myths. Thanks to his abuela's stories, Charlie possesses an almost encyclopedic knowledge of the monsters and ghouls who have spent the last five hundred years haunting the imaginations of children all across the Iberian Peninsula,

as well as Central and South America. And even though his grandmother sometimes hinted that the tales might be more than mere myth, Charlie ' s always been a pragmatist. Even barely out of diapers, he knew the stories were just make-believe—nothing more than intricately woven fables meant to keep little kids from misbehaving. But when Charlie begins to experience freaky bodily manifestations—ones all too similar to those described by his grandma in his favorite legend—he is suddenly swept up in a world where the mythical beings he ' s spent his entire life hearing about seem to be walking straight out of the pages of Hispanic folklore and into his life. And even stranger, they seem to know more about him than he knows about himself. Soon, Charlie finds himself in the middle of an ancient battle between La Liga, a secret society of legendary mythological beings sworn to protect the Land of the Living, and La Mano Peluda (a.k.a. the Hairy Hand), a cabal of evil spirits determined to rule mankind. With only the help of his lifelong crush, Violet Rey, and his grandmother ' s stories to guide him, Charlie must navigate a world where monsters and brujas rule and things he couldn ' t possibly imagine go bump in the night. That is, if he has any hope of discovering what ' s happening to him and saving his missing parents (oh, and maybe even the world). No pressure, muchacho.

In a League of His Own

Something terrible has happened to the Chicago Cubs, turning a promising season into a sorrowful summer in the Windy City.

The League of North and South

Are you average? Normal? Forgettable? If so, the League of Unexceptional Children is for you! This first book in a hilarious new adventure series is for anyone who's struggled to be noticed in a sea of above-average overachievers. What is the League of Unexceptional Children? I'm glad you asked. You didn't ask? Well, you would have eventually and I hate to waste time. The League of Unexceptional Children is a covert network that uses the nation's most average, normal, and utterly unexceptional children as spies. Why the average kids? Why not the brainiacs? Or the beauty queens? Or the jocks? It's simple: People remember them. But not the unexceptionals. They are the forgotten ones. Until now!

The League of Unexceptional Children

Japan joined the League of Nations in 1920 as a charter member and one of four permanent members of the League Council. Until conflict arose between Japan and the organization over the 1931 Manchurian Incident, the League was a centerpiece of Japan ' s policy to maintain accommodation with the Western powers. The picture of Japan as a positive contributor to international comity, however, is not the conventional view of the country in the early and mid-twentieth century. Rather, this period is usually depicted in Japan and abroad as a history of incremental imperialism and intensifying militarism, culminating in war in China and the Pacific. Even the empire ' s interface with the League of Nations is typically addressed only at nodes of confrontation: the 1919 debates over racial equality as the Covenant was drafted and the 1931 – 1933 League challenge to Japan ' s seizure of northeast China. This volume fills in the space before, between, and after these nodes and gives the League

Access Free A League Of Your Own Leadership Lessons With All Star Athletes Who Want You To Win In Sports School And Life Volume 1

relationship the legitimate place it deserves in Japanese international history of the 1920s and 1930s. It also argues that the Japanese cooperative international stance in the decades since the Pacific War bears noteworthy continuity with the mainstream international accommodationism of the League years. Thomas Burkman sheds new light on the meaning and content of internationalism in an era typically seen as a showcase for diplomatic autonomy and isolation. Well into the 1930s, the vestiges of international accommodationism among diplomats and intellectuals are clearly evident. The League project ushered those it affected into world citizenship and inspired them to build bridges across boundaries and cultures. Burkman's cogent analysis of Japan's international role is enhanced and enlivened by his descriptions of the personalities and initiatives of Makino Nobuaki, Ishii Kikujirô, Nitobe Inazô, Matsuoka Yôsuke, and others in their Geneva roles.

In a League of Their Own: Celebrating Cricket's Great Characters

Dire circumstances could have ruined their lives forever, but God's radical, transforming love intervened in these modern-day stories of God's miracles and how a league of dangerous women for Him was formed.
