Connecting with the Angels Made Easy

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

One of the most common ways in which angels speak to us is by showing us repetitive number sequences. Since the publication of her best-selling book Angel Numbers, Doreen Virtue has received even more information from the angels about the meaning of number sequences such as 111, 444, 1234, and so forth. Angel Numbers 101 clearly explains how to receive accurate messages from your angels and heavenly loved ones whenever you see repetitive number sequences on telephone numbers, license plates, receipts, clocks, and such. Every message is completely updated for increased accuracy in understanding your angels' messages. This handy reference guide is small enough to fit into a purse or desk drawer so you'll always know what your angels are saying.

Angels of Abundance

"Why do I always see the numbers 444 (or 111, 333, etc.) everywhere I go?" is one of the most frequently asked questions that Doreen Virtue receives at her worldwide workshops. In her best-selling book Healing with the Angels, Doreen included a chapter that briefly explained the meanings behind these number sequences, and many people have commented that they carry the book with them everywhere to help them interpret the numbers they see daily. By popular request from Doreen's audience members, Angel Numbers has been created to serve as a

pocket guide containing the angelic meanings of numbers from 0 to 999. Designed to fit into a purse or pocket for easy transport, Angel Numbers provides an interpretation of more complex number sequences than was previously available in Healing with the Angels. This new book focuses on numbers such as 123, 337, 885, and so on. Whether you're seeing these numbers on license plates, telephone numbers, the clock, or other locations, they're very real messages from the angels. Angel Numbers will help you instantly understand the meaning of these signs!

Light Is the New Black

In her latest book, *The Universe Has Your Back*, New York Times best-selling author Gabrielle Bernstein teaches readers how to transform their fear into faith in order to live a divinely guided life. Each story and lesson in the book guides readers to release the blocks to what they most long for: happiness, security and clear direction. The lessons help readers relinquish the need to control so they can relax into a sense

of certainty and freedom. Readers will learn to stop chasing life and truly live. Making the shift from fear to faith will give readers a sense of power in a world that all too often makes them feel utterly powerless. When the tragedies of the world seem overwhelming, this book will help guide them back to their true power. Gabrielle says, "My commitment with this book is to wake up as many people as possible to their connection to faith and joy. In that connection, we can be guided to our true purpose: to be love and spread love. These words can no longer be cute buzz phrases that we merely post on social media. Rather, these words must be our mission. The happiness, safety, and security we long for lies in our commitment to love." When readers follow this path, they'll begin to feel a swell of energy move through them. They will find strength when they are down, synchronicity and support when they're lost, safety in the face of uncertainty, and joy when they are otherwise in pain. Follow the secrets revealed in this book to unleash the presence of your power and know always that The Universe Has Your Back.

Rise Sister Rise

In *Playing the Matrix*, New Thought leader and New York Times best-selling author Mike Dooley shares his most impactful, transformational program for creating major life changes and shaping our futures. Previously only available at live workshops, this information has been delivered in 132 cities, 34 countries, upon 6 continents. For the first time, these complete ideas can be at your fingertips in book form. At the heart of the Matrix lies a simple yet highly unexpected concept for creating major life change, unlike anything shared by other teachers, past or present. It clearly reveals why "manifesting" sometimes works with incredible ease, why it sometimes doesn't work at all, and why, on occasion, it works and yet in hindsight we wish it hadn't. You'll not only learn about the "Bermuda Triangle of Manifesting" that too often leads to heartbreak and loss, you'll discover how to navigate around it, under full sail, with new "Aha" moments as you come to understand: -How to achieve clarity in purpose and desire -How to avoid contradictions and self-sabotage -How to fuel your dreams with passion while not attaching to unimportant details and outcomes -How to plan and take action on your dreams without messing with the "cursed hows" -And so much more. *Playing the Matrix* lays out the actual physical and metaphysical mechanics of manifestation, including your role in the equation of reality creation, so that you can deliberately orchestrate the changes you most wish to see. Once you begin working with the Universe instead of unwittingly working against it, you will truly astound yourself.

10 Messages Your Angels Want You to Know

The cutting edge of neurolinguistics meets the spiritual wisdom of the ages in a handbook of key words that literally rewire our brains. New discoveries in biology and the neurosciences are revealing how the structure of language-the words we think and speak-can actually change the way the neurons in our brains and hearts connect. But our ancestors understood this connection intuitively, thousands of years ago. They created specific word-patterns to provide comfort, healing, strength, and inner power in difficult times, and they encoded these powerful words in prayers, chants, mantras, hymns, and sacred writings to preserve them for future generations. Now beloved teacher and thought leader Gregg Braden cracks the code and puts these powerful words in your hands. Perfect as a pocket guide, a reference for spiritual study, or a gift to someone you love, this elegant, compact book contains Wisdom Codes that cut to the core of life's greatest tests, most challenging demands, and hardest lessons. You'll find chapters devoted to healing from loss and grief, facing your unspoken fears, finding certainty in the face of uncertain choices, and finding forgiveness, as well as ancient parables that offer a "fast track" to unraveling life's deepest mysteries. Each Wisdom Code-distilled from a quote, a scripture passage, or a parable-is accompanied by a brief discussion of what the code means, why it's important, and how to apply it in your life.

Wings of Forgiveness is a book written for anyone who is ready to release their past and find freedom from fear. They are encouraged to see and accept that they are held and cherished by the divine, that there are loving angels by their side, and master souls in heaven that have walked the path before them. Angel Numbers

Rise Sister Rise is for the women who agreed at soul level to be here at this stage in history to lead this global shift that the mystics of all of the ages have predicted: the return of the mother and the rise of the feminine. It is essentially a call to arms for women to rise up, tell their truth, and lead. Most women have spent much of their working lives "making it" in a man's world, leaning on patriarchal methods of survival in order to succeed, dulling down their intuition, and ignoring the fierce power of their feminine. They have ignored the cycles of the feminine in order to survive in a patriarchal linear system – but now the world has changed. Rise Sister Rise is a transmission that calls the innate feminine wisdom to rise. It is about healing the insecurities, the fears, and the inherited patterns that stop women trusting the Shakti (power) and wisdom (intuition) that effortlessly flows through them. It's about recognizing all of the ways we have been keeping ourselves contained and restrained in effort to fit into a certain archetype of woman. It's about co-creating a whole new archetype of woman – a woman who does not keep herself small in order to make others feel more comfortable. A woman who knows like she knows like she knows that she is not her body weight, her sexual partners, or her career. A woman who deeply respects the wise woman in her life and cultivates her own wisdom every single day. Full of tools, calls to action, contemplative questions, rituals, and confrontational exercises, this book teaches women that it is safe to let Shakti rise, safe to trust their intuition, and safe to take leaps of faith – because in healing ourselves we are healing the world.

Archangels and Ascended Masters is a thoroughly researched book in a lively encyclopedia format, listing 77 divinities from Greek, Roman, Egyptian, Asian, Babylonian, Tibetan, Buddhist, Celtic, Theosophical, New Age, Catholic, Cabalistic, Jewish, and Christian roots. Doreen carefully studied and wrote about the history of each deity, what role they serve today, how they can help us with specific life problems, and how to call upon each one. Doreen spent time in communication with each divinity to ensure that the being was reachable, and to discover

the essence of his or her personality and current dealings with the world—and within these pages, she includes a channeled message or impression from each of the ascended masters and archangels. Many of her channelings were conducted at power points throughout the world, such as Stonehenge in England; the Irish coast; Kona, Hawaii; and the New Zealand rain forest. A comprehensive chart lists a number of life situations, such as Addictions, Finding a Soulmate, Emergency Money, Healing Physical Illness, and various personal and family concerns. Beneath each topic is the list of whom to call upon when dealing with that particular challenge. Doreen also includes prayers to call upon multiple divinities for specific issues such as "increased clairvoyance" and "resolving conflict."
