Some animals incarnate in service to humanity, while others serve the planet or are here to grow spiritually through life on Earth. The souls of animals, like the souls of humans, come from different stars or planets, even from different universes. In this book, which features unprecedented teachings on the animal realm, Diana Cooper shares fascinating channelled information about the soul missions and service work of many of the creatures of the world. We discover the various planets or stars from which they originate and what they come to Earth to learn or teach. As well as comprehensive material about the creatures with whom we share the planet and the particular angels they work with, this incredible book contains

## **After Tarot Kit**

The Angel Tarot is nothing like a traditional deck of angel cards. The 72 angels of the Kabbalah (or Shem HaMephorash) are extremely powerful heavenly beings that provide assistance to mortals while also ruling over their hellish counterparts, the 72 demons of the Goetia. When summoning an angel, their sigil (a kind of esoteric calling card) is supposed to be drawn on a piece of pure virgin parchment in red ink. To echo this color palette, the cards are made to look like fresh,

pure parchment. The borders of each card are deep crimson, which creates a striking contrast. The magical symbols are real. The artwork is hauntingly divine. These aren't your Aunt Doreen's angel cards . . .

## **Loving Words from Jesus**

On incarnating, human beings receive the mission of integrating divine qualities into their thoughts, feelings and actions in order to experience full spiritual autonomy one day. Initiatory science has always used the metaphor of winged beings to express how it feels when these powerful energies are re-activated in our consciousness. This companion to *The Book of Angels: Dreams, Signs, Meditations* re-introduces an initiatory teaching from the early Judeo-Christian tradition which defines 72 states of higher consciousness representing the qualities, virtues and powers of God.
