Being You Is Enough

Modern notions of empathy often celebrate its ability to bridge divides, to unite humankind. But how do we square this with the popular view

Ebook PDF Format Being You A Journal

that we can never truly comprehend the experience of being someone else? In this book, Samuel Fleischacker delves into the work of Adam Smith to draw out an understanding of empathy that respects both personal difference and shared humanity. After laying out a range of meanings for the concept of empathy, Fleischacker proposes that what Smith called "sympathy" is very much what we today consider empathy. Smith's version has remarkable value, as his empathy calls for entering into the perspective of another--a uniquely human feat that connects people while still allowing them to define their own distinctive standpoints. After discussing Smith's views in relation to more recent empirical and philosophical studies, Fleischacker shows how turning back to Smith promises to enrich, clarify, and advance our current debates about the meaning and uses of empathy.

Being You

When the way forward seems uncertain, where can we turn for guidance we can trust? For yoga luminary, meditation teacher, and artist Elena Brower, the answer has always been close at hand.

"Whenever I 've needed direction, strength, or centering, I've so often turned to my own journals. Why? Because many of the answers we seek are found within ourselves." Now, for those compelled to the pen and page, Elena invites us to gather our own wisdom through writing, self-inquiry, and reflection. Practice You is a portable sacred sanctuary to record our flashes of insight, find our ground, create and clarify our goals, and bear witness to our own evolution. With more than 150 beautiful pages of questions, teachings, inspiring imagery, and plenty of space to write, draw, and reflect, this journaling adventure guides us into nine compelling portals to our highest ways of living.
