## **Singing - Cantando De Colores/ Singing Colors**

Struggling to cope as her family falls apart, eleven-year-old Luz María Castillo retreats into her beloved set of lotería cards—a Mexican game featuring riddles and vibrant images. Each card represents a different memory, and as Luz shuffles through the deck, she weaves her recollections into a compelling story of love, loyalty, tragedy, and hope. By turns affecting and inspiring, *Lotería* is a powerful novel that heralds the arrival of an outstanding writer, one who reminds us of the importance of remembering even when we are trying to forget.

## **Hand Lettering 101**

## **Stitchcraft**

*Perspectives on Corpus Linguistics* is a collection of interviews with fourteen well-known researchers in the field of linguistics. Each interview consists of a set of ten questions: the first seven are common to all contributors while the last three are connected to the research experience of each guest. In the general questions, the invited scholars explore (sometimes controversial) topics such as the concept of representativeness, the role of intuition and the status of Corpus Linguistics. In the specific questions, they provide a thorough discussion of materials and methods in corpus research as well as theoretical and applied perspectives on the use of corpora in language studies. Whether experts or novices, the volume should be of interest to all those who want to learn about corpus linguistics and carry out research in this fascinating and growing area.

## **Our Little Adventures**

Inspired by one of the oldest and most beloved traditional Spanish folk songs, De Colores, this book introduces little ones to the beauty of life, joy, inclusivity, and their first English and Spanish words. In this beautifully illustrated bilingual picture book, parents and children will be able to read and sing one of the most recognizable Spanish folk songs, De Colores featuring an English adaptation on each page. The book is overflowing with colorful illustrations as it pays a tribute to cultures throughout the world.

### **Adult Coloring Book**

Jump-start your toddler's education in first words and essential language development concepts like counting, colors, and prepositions as they meet new friends and explore the outdoors in these intentionally designed and charming children's books. Created by

licensed speech pathologist and artist, Tabitha Paige, CCC-SLP, the three children's books in the Our Little Adventure Series box set take parents and toddlers ages 1-3 on trips to the farmers' market, the forest, and a wildflower meadow. Each book features realistic watercolor imagery and a story carefully crafted by Paige, who has years of experience helping young children develop their language skills. These three timeless books feature vocabulary and early language concepts for toddlers while also teaching lessons of friendship and kindness: - Lessons on Colors, Counting, and Vocabulary: In A Trip to the Farmers' Market, follow along with Little Fox as he plans a surprise picnic for his friend Owl. - Lessons on Quantity and Vocabulary: In A Trip to the Forest, follow along with Little Hedgehog as he helps his friend Squirrel search for missing acorns. - Lessons on Prepositions and Vocabulary: In A Trip to the Meadow, follow along with Little Rabbit as she gathers wildflowers to cheer up her friend Mouse. Additional guidance will also be provided for parents to learn how they can help their young children build their vocabularies with confidence. Overall, the books in the Our Little Adventure Series box set capture the magic of language and strengthen the parent-child bond, all while being designed to look beautiful on a bookshelf and in a children's bedroom

### **The Action Bible Guess-It Game**

## **Spilling the Beans**

'Breathtaking I haven't been so entirely consumed by a book for years' Telegraph 'I couldn't put it down. I'll never stop thinking about it' Ann Patchett FEAR KEEPS THEM RUNNING. HOPE KEEPS THEM ALIVE. Vivid, visceral, utterly compelling, AMERICAN DIRT is the unforgettable story of a mother and son's attempt to cross the US-Mexico border. A sensation from the moment it published, it continues to create debate and ignite conversation globally. Yesterday, Lydia had a bookshop. Yesterday, Lydia was married to a journalist. Yesterday, she was with everyone she loved most in the world. Today, her eight-year-old son Luca is all she has left. For him, she will carry a machete strapped to her leg. For him, she will leap onto the roof of a high speed train. For him, she will find the strength to keep running.

## **The Plant Based Cookbook for Women**

- \*Lessons with detailed instructions for 3 skill levels- beginner, intermediate, and advanced
- \*Over 100 pieces of traceable artwork, so no drawing experience is required
- \*Easy-to-understand diagrams, pictures, and instructions
- \*Each lesson builds upon skills learned in the previous lessons
- \*"Why Art?" essays exploring the joys, challenges, and inherent value in artistic pursuit

Each botanically-based lesson offers instruction at three different skill levels- beginner, intermediate, and advanced. Learn to paint eucalyptus wreaths, shape olive branches, detail wildflowers, tint fine-lined blooms, shade tropical leaves, and more!

### **The Plant Lady**

Along with the movement *Humans of New York*, a

project to share the stories of New Yorkers, Humans of San Antonio is part of the Global Humans Project, a network of major cities around the world dedicated to capturing a glimpse into the lives of the everyday citizen. From Amsterdam to India to Rio de Janeiro, San Antonio joins the ranks of cities photographed and shown through social media to the rest of the world. Michael Cirlos is the photojournalist behind Humans of San Antonio, a social media project founded in 2012 that combines photography and storytelling to promote the spirit of San Antonio's growing downtown community. Humans of San Antonio, the book, is the culmination of more than four years of photographs that highlight the people, culture, and vibrancy of San Antonio. The city center is very important to San Antonio. It stands as the Alamo City's urban core; a hub that links the rest of the city to its heart. As a community that has weathered the national economic imbalance and proven itself a leader in urban redevelopment and 21-century innovation, San Antonio embraces change while continuing to celebrate the diversity, history, and individuality that makes it so completely unique. Humans of San Antonio reflects the heart of San Antonio and symbolizes the importance of the people who make up its melting pot of cultures. Michael Cirlos's photography captures individual storytelling images in an unassuming, unscripted way to illustrate the essence of humanity. Each photograph tells the story of a citizen of downtown, and through images and his subject's own stories, Michael is able to communicate not just the human vulnerability to fear, sadness, and anger but also its resilience, strength, hope, tolerance, and perseverance. His unobtrusive

nature, compassion and warmth, show how deeply committed he is to photographing the peak moments of San Antonio real life to humanize the individual and to collect flashes of culture. Humans of San Antonio is at once uniquely individual as a photography collection while celebrating the international collaborative that forms its roots. Each personal history maps out the family, friends, and neighbors that populate a lifetime and encourages the reader to explore San Antonio's cultural differences by showcasing the diversity it honors.

### **Color at Home**

This text addresses the core issues and concerns of intercultural communication by integrating three different perspectives: the social psychological, the interpretive, and the critical. The dialectical framework, integrated throughout the book, is used as a lens to examine the relationship of these research traditions.

### **Our Christmas Story**

Artist Sarah Simon, of @themintgardener, weaves a beautiful floral theme through the pages using her favorite illustrated character, Florence the "plant lady" to guide you through her new book. Wander from scenes of a book nook filled with plants, to a hiking trail in the Pacific Northwest and explore Florence's gardens filled with everything from sunflowers to artichokes. Plant Lady features- \*Over 80 illustrated pages \*Images printed on thick,
