The Templar's Revenge

"A fine piece of scholarly editing of historical documents and a welcome resource for studying

Read Book Online Cabal Of The Westford Knight Templars At The Newport Tower Book 1 In The Templars In America Series

and teaching critical thinking and the methodology of historical research essential."--Choice Did aliens visit ancient civilizations? Could Jesus have fathered a dynasty? Did people of the ancient world visit the Americas centuries before Columbus? The public enjoys such questions, which have spawned countless books, movies and television series, but very rarely is any actual evidence produced. According to many eager writers and television hosts, evidence for long-ago astronauts or early transatlantic voyages can be found in ancient texts. But too often sources remain obscure and some writers have altered or fabricated texts to make their case for extraterrestrials and lost civilizations. This book examines more than 130 very old texts used to make the case for Atlantis, aliens, fallen angels, the Great Flood, giants, transatlantic voyagers, ancient high technology and many other mysteries. English translations are presented with explanatory notes showing how these texts have been used and abused to make entertaining claims about prehistory.

The Cult of Venus

"We make landfall on an island of oaks." So reads a 12th century Templar manuscript recovered from a medieval Italian church. Two of history's great mysteries-the fate of the Knights Templar and the truth about the Oak Island treasure-reveal themselves in this fascinating saga of hidden history. "The book we've all been waiting for!" says Rick Lagina, star of History Channel's Curse of Oak Island.

Read Book Online Cabal Of The Westford Knight Templars At The Newport Tower Book 1 In The Templars In America Series

Foundations of Atlantis, Ancient Astronauts and Other Alternative Pasts

The second volume of the Swedish crusades trilogy, this novel is an atmospheric and colourful journey into the heart of the Middle East, weaving romance and brutal medieval history into a compelling tale.

The Everyday Life of the Templars

Reveals the existence of a Templar colony in the New World and how the explorer Verrazano, also a member of a secret society, attempted to reestablish contact with it • Explores Columbus's connection to Henry Sinclair's maps of the New World • Examines the secret alliance of Catholic Sulpicians and French Huguenots to preserve the Templar legacy • Reveals the hidden knowledge preserved in the Templar baptisteries found throughout Europe and in Newport, Rhode Island In 1524 the Italian explorer Giovanni da Verrazano was sent by the French king Francis I on an expedition ostensibly to find a shorter route to China. However, his true mission, Steven Sora suggests, was to contact a Templar colony that might have been established in Newport, Rhode Island, by Henry Sinclair at the end of the 14th century. In his expedition log Verrazano recorded that his only stay on this journey was at Newport Harbor, the site of a tower built to the exact measurements of a Templar baptistery, a sacred sanctuary representing baptism and eternal life. This tower is a remnant of Sinclair's voyage to America nearly a century before that of Columbus (who had access to Sinclair's maps thanks to his

Read Book Online Cabal Of The Westford Knight Templars At The Newport Tower Book 1 In The Templars In America Series

wife, who was Sinclair's great-granddaughter). While Verrazano's mission succeeded in finding the tower, the colony itself eluded him. His backers then decided to resurrect the dream of Acadia--a place where they could aspire to higher knowledge without fear of Church or state--by creating a new Secret Society that included Huguenots and Catholic Sulpicians. This Company of the Holy Sacrament would lay the foundations for Montreal in an attempt to realize the ambitions of Sinclair and his Templar companions, as well as to stave off efforts by the Jesuits to transform Quebec into a fiefdom of the orthodox Church. Quebec's motto, "Je me souviens" (I remember), is a reference to this secret history.

Wizzy Wig

Geologist Scott Wolter describes his investigation to learn about the symbol that was found inscribed on a slab of rock in Minnesota with a date of 1362, and discusses his transatlantic search, which led him to discover evidence of trips to North America that occurred before Columbus.

Collagraphs and Mixed-Media Printmaking

Solaria Ainsworth was born a Templar, destined to take up the mantle of responsibility and duty as her family's Order had done for hundreds of years. Except she refuses to take her Oath of Knighthood. Barely making ends meet in Baltimore, Aria finds it difficult to obtain gainful

Read Book Online Cabal Of The Westford Knight Templars At The Newport Tower Book 1 In The Templars In America Series

employment with no work experience and skills in jousting and swordsmanship. Just before she's served an eviction notice, the Mistress of the local vampire family offers her a job-to research a magical symbol. It's an easy task for a woman who has spent every moment of her life either in armor or with her nose in ancient manuscripts. The money's good, and the seven day deadlines should be no problem. But when her research reveals a sordid connection between the vampires and a mass murder, Aria needs to decide who is in the right and worthy of her protection. Modern Templars believe only God should judge, but Aria must do exactly that or watch the Baltimore streets run red with blood.

These Stones Bear Witness

The chance discovery of an ancient Indian chief's grave paves the way for the Mashpee Indian tribe to lay claim to \$2 billion worth of prime Cape Cod real estate. Unfortunately for both the townspeople and the tribe members, the gravesite was discovered by Rex Griffin, a con artist intent on parlaying his find into a multi-million dollar payoff. When Griffin is run down and left to die in a ditch, he continues to act as a puppeteer from the grave, forcing both sides into a feud and a high-stakes legal battle that cannot end until the mystery of who murdered him is solved. On the surface, *Blood of the Tribe* is a fast-paced thriller - rich characters, a compelling mystery, a surprise ending. On a deeper level, the story shines a light on the increasingly prevalent legal battles being carried on between Native American tribes and the state and federal governments.

The Lost Colony of the Templars

The Westford Knight is a mysterious, controversial stone carving in Massachusetts. Some believe it is an effigy of a 14th century knight, evidence of an early European visit to the New World by Henry Sinclair, the Earl of Orkney and Lord of Roslin. In 1954, an archaeologist encountered the carving, long known to locals and ascribed a variety of origin stories, and proposed it to be a remnant of the Sinclair expedition. The story of the Westford Knight is a mix of history, archaeology, sociology, and Knights Templar lore. This work unravels the threads of the Knight's history, separating fact from fantasy. This revised edition includes a new foreword and four new chapters which add context to the myth-building that has surrounded the Westford Knight and artifacts like it.

The Hooked X

Carter Devereux's idyllic world had been shattered and catapulted into chaos and with it, the fate of humanity. With a traitor in their midst who seems to stay one step ahead of them, it is a race against time for Carter Devereux and a team of Special Forces operators who must fight evils never before encountered. Can they identify the traitor in their midst, free the captives from an unknown location and stop the evil from sweeping in and changing the world as we know it? THE WOLVES OF FREYDIS is a full-length novel, a provocative suspense-thriller about human history and an international political conspiracy with tentacles reaching across

Unlawful Deeds

The Wrong Abraham

A captivating look into the society of the Knights Templar Brought to you by the author of Freemasons For Dummies, The Templar Code is more than an intriguing cipher or a mysterious symbol – it is the Code by which the Knights Templar lived and died, the Code that bound them together in secrecy, and the Code that inspired them to nearly superhuman feats of courage and endurance. The Templar Code for Dummies reveals the meaning behind the cryptic codes and secret rituals of the medieval brotherhood of warrior monks known as the Knights Templar. This intriguing guide will cover such topics as who the Knights Templar were, how they rose so high and fell so far, and most importantly why there is so much interest in them today. The Templar Code For Dummies will explore myths and theories of Christian history that appear in the Da Vinci Code such as the quest for the Holy Grail, the Catholic Church's relationship with women that are hotly debated now with special emphasis on the Templar connection. It also explores the surprising part the Templars have played in some of the most important historic events of these past seven centuries, including the French Revolution, the birth of groups such as the Freemasons, and even the American Civil War.

The Wolves of Freydis

Read Book Online Cabal Of The Westford Knight Templars At The Newport Tower Book 1 In The Templars In America Series

Britain was the first country to ever suffer a ballistic missile attack from beyond its borders. This book tells the story of that attack. During 1942 and 1943, confusing rumours circulated about the German development of a 'giant rocket'. Most experts, including Winston Churchill's own scientific adviser Lord Cherwell, declared that such a weapon was impossible. It was only after the patient sifting of European intelligence that the most influential doubters were convinced such a weapon was being built. Then on 8 September 1944, the first V-2 landed in Chiswick. Between then and the final rocket impact on 27 March 1945, more than a thousand landed on British soil, killing nearly three thousand people and seriously injuring more than six thousand. Arriving at supersonic speed, without warning, and with the defences powerless against them they did enormous damage and had a serious effect on morale. In *Hitler's Rockets*, Norman Longmate tells the story of this technically brilliant weapon, the ancestor and forerunner of all subsequent ballistic missiles. He reveals the devious power-play within the German armed forces and the Nazi establishment which so influenced the creation of the rockets. He also shows through contemporary documents and protagonists' accounts how the British intelligence skilfully pieced together often contradictory evidence as it sought to establish the true nature of the threat. AUTHOR: Norman Longmate was born at Newbury and educated at Christ's Hospital and, after his service in World War II, he continued at Worcester College Oxford. He subsequently worked for the BBC and has written a number of acclaimed works, including *If Britain Had Fallen*. SELLING POINTS: * Remarkable story of the V-2 rocket strikes on London during WWII * Recalls the tragic losses and devastation caused by the attacks * Draws on original documents and first-hand accounts ILLUSTRATIONS 40 illustrations

The Templar Code For Dummies

The immortal Henry Sinclair goes on another journey to solve the most famous murder of the nineteenth century within the Witch City. Captain Joseph White is bashed on the head and stabbed 13 times with two daggers, but there is no blood on his sheets. He is murdered on the same day as Joseph Smith founds the Mormon Church amidst the formation of the Anti-Masonic Party. Sinclair will go against the power-brokers in Washington who call Salem home to protect his Templar treasures he brought to America from Scotland a 100 years before Columbus. The powers of the Illuminati and Lovecraftian dark magic threaten him from solving the murder as oriental vampires and a plague of opium hits the shores of Salem. Prince Henry Sinclair is the creator of the Money Pit on Oak Island and the murder led to the Parker Brothers shaping their game Clue.

Murder on the Common

Why would a collector of ancient American artifacts hand over his prized pieces to a historian and then shoot himself in the head? The answer places historian Cameron Thorne at the dangerous intersection of secret American history and modern geopolitical intrigue. Warning: Not recommended for readers with strong Christian or other religious beliefs.

And for those who prefer the team approach and Special Forces, check out the Delta Force Unleashed series for exciting military thrills. Or maybe you just feel like a mystery? Check out the Detective Shakespeare Mysteries for dark, intense psychological thrillers.

The Templar Mission to Oak Island and Beyond

Historians Cameron Thorne and Amanda Spencer-Gunn discover a 14th-century journal which confirms a long-rumored historical heresy: The medieval Church outlawed the Knights Templar because the warrior monks were secretly worshiping the ancient Goddess. The journal also sucks Cam and Amanda into the orbit of a ruthless cabal of modern-day pagans intent on pushing America into the loving arms of the Goddess-whether America wants succor there or not. Based on actual historical artifacts, and illustrated. Says Midwest Book Review: "'A gripping story of Goddess worship from ancient to modern times.'" This stand-alone novel is book #7 in the "Templars in America" series.

Thief on the Cross

Read Book Online Cabal Of The Westford Knight Templars At The Newport Tower Book 1 In The Templars In America Series

"Cam and Amanda don't believe for a second the Ark of the Covenant is hidden in a cave in the Arizona desert. But when a militant survivalist leads them to a radioactive replica of the Ark, filled with a mysterious white powder, they begin to wonder if legends of Templar Knights visiting the American Southwest on a secret mission might be true. What is this strange white powder? And is it the key to understanding the true power of both Moses and the sacred Ark of the Covenant?"--Page [4] of cover.

The Westford Knight and Henry Sinclair

Publishers Weekly says of the author, "BRODY DOES A TERRIFIC JOB OF WRAPPING HIS RESEARCH IN A FAST-PACED THRILL RIDE." Described as "RICH IN SCOPE AND VIVIDLY ENGROSSING" by Midwest Book Review. Evidence of the lost continent of Atlantis exists throughout the modern world. As do powerful groups who do not want Atlantis-and its secrets-to be rediscovered. Historians Cameron Thorne and Amanda Gunn stumble upon a mysterious spiral necklace and a 12,000-year-old human skull, sparking their search for Atlantis and its true legacy. But are modern-day Knights Templar and a cabal of goddess worshipers conspiring against them? Only after a whirlwind of international travel and a violent encounter with a shadowy paramilitary group do the mysteries of Atlantis finally reveal themselves. This stand-alone novel is Book #6 in the "Templars in America" Series.

Hitler's Rockets

Read Book Online Cabal Of The Westford Knight Templars At The Newport Tower Book 1 In The Templars In America Series

In the early decades of the twenty-first century, the most commonly held truth is that knowledge is power. Yet a select few men and women begin to suspect what few will admit: we know nothing at all. The world's oil resources have dwindled. The rich are turning richer and the power-mongers are becoming more powerful. China and the United States dominate the globe in a geopolitical chess match. The human mind has merged with the cybergrid, yet the human race seems not to have evolved much at all. Then, on a remote South American mountain, two scientists stumble on a grisly scene. Here, while trying to protect an ancient sacred rock, a primitive tribe has been slaughtered. No witnesses remain to reveal what could have inspired such carnage. Or so it would seem. In the international arena, meanwhile, a new global race is on: a weapon capable of tipping the balance of power is discovered. Among the competitors are a National Security Agency director who is playing at an elaborate doublecross within his own agency and a vengeance-seeking Israeli meteor hunter. Shamans and zealots, geniuses and madmen—all seek to unlock mysteries that fell to earth millennia ago. But the key lies with four mute children who may unwittingly hold the secret to the planet's survival—or its destruction. From the Trade Paperback edition.

Attorney Shelby Baskin and her fiancée Bruce begin to question the motives of Shelby's uncle Abraham after they agree to help the Holocaust survivor stop a terrorist plot to attack a natural gas tanker scheduled to arrive in Boston harbor.

Echoes of Atlantis

While rooting around in the mysterious stone chambers of New England, historian Cameron Thorne stumbles upon a reinterpretation of the Biblical passage calling on Abraham to sacrifice his son Isaac. It is a revelation-long suppressed by the medieval Knights Templar-that threatens to destabilize the Middle East forever. It is also a secret Cam wants nothing to do with. Not that a rogue faction of puppeteering Freemasons gives a damn what Cam wants. This stand-alone novel is part of the "Templars in America" series.

The Biggest Secret

Another NYT Bestseller! Over 200,000 sold. Over 2,000 5-star reviews. Finalist for the 2014 Goodreads Choice Awards. A WWII historical novel inspired by true events. In a time of darkness, when all seems lost . . . a ray of hope remains. What readers say . . . “This novel was the start of my ‘Joel C. Rosenberg Journey’ of novels.” —Dragonmac52 “If you only read one book, make it this one! Brilliant, well-written, compelling . . .” —Aquamarine “Very highly recommended! If you’re on the fence about this book, get off the fence and read it! A must

read!” —N. Perri “This is a great read. Heartbreaking because it can’t be anything else.” —Bon Tom “ . . . feels like a first-hand narrative.” —Elizabeth G. “Fiction based on fact. A deeply moving account. . . .” —Evelyn Evil, unchecked, is the prelude to genocide. As the Nazi war machine rolls across Europe, young Jacob Weisz is forced to flee his beloved Germany and join an underground resistance group in Belgium. But when a rescue operation goes horribly wrong, Jacob finds himself trapped in a crowded cattle car headed to southern Poland. Sentenced to hard labor in the Auschwitz labor camp, Jacob forms an unlikely alliance with Jean-Luc Leclerc, a former assistant pastor who was imprisoned for helping Jews. They’ve been chosen for one of the most daring and dangerous feats imaginable—escape from Auschwitz. With no regard for their own safety, they must make it to the West and alert the Allies to the awful truth of what is happening in Poland before Fascism overtakes all of Europe. The fate of millions hangs in the balance.

Cabal of the Westford Knight

Historians Cameron Thorne and Amanda Spencer-Gunn uncover a stolen painting which the Nazis believed was a secret map to the Holy Grail and the lost treasure of the Knights Templar. Hitler planned to weaponize the Holy Grail and monetize the treasure as part of his campaign of world dominance. Cam and Amanda just want to find the legendary artifacts. The Nazis failed because they were unable to decipher the secret Templar clues left in the painting. Cam and Amanda may fail-perhaps fatally-because a group of modern-day Nazis remain obsessed with finishing Hitler’s work. A thriller based on actual artwork, artifacts and events.

Read Book Online Cabal Of The Westford Knight Templars At The Newport Tower Book 1 In The Templars In America Series

Illustrated. Not recommended for readers with strong religious beliefs. This stand-alone novel merges together two series. It is Book #9 in the TEMPLARS IN AMERICA series and also Book #4 in the BOSTON LAW series.

The Legacy of the Assassin

The Templar Knight

Something bad happened to Matinicus "Matt" Hawkins in Afghanistan. The ex-SEAL was grievously wounded in an ambush that killed men under his command and almost ended his life. When he pushed for an investigation, he was kicked out of the Navy with a psychiatric discharge. The doctors put his shattered leg back together, but the bitterness destroyed his marriage. Five years later, Hawkins is jerked out of his tranquil life as a designer of undersea robots. A super-secret government group wants him to go back to Afghanistan on a strange and dangerous mission. A Georgetown University historian has unearthed evidence that could lead to the fabulous treasure of Prester John, a legendary Christian ruler of an eastern empire. The historian has disappeared, and the government wants Hawkins to track down the treasure as a matter of national security. The centerpiece of the trove, an emerald-encrusted gold scepter, is the linchpin in the Prophet's Necklace, code-name for a plot that is intended to kill more people than the attack on the Twin Towers and rally others to the terrorist cause.

Read Book Online Cabal Of The Westford Knight Templars At The Newport Tower Book 1 In The Templars In America Series

Hawkins sees his mission to foil the plot as an opportunity to search for answers. He pulls together an eclectic team that includes his ex-wife, a former comrade-in-arms and a mentally unstable computer whiz. Backed by his unlikely team, Hawkins will travel thousands of miles and hundreds of years on an amazing time-space odyssey. He'll face off against a cold-blooded killer. Probe the underwater secrets of an ancient tomb. Navigate the treacherous stands of an unimaginable conspiracy. And in the process, will discover that there are treasures even more valuable than gold.

Spears of God

This is it, the final book of the Assassin Trilogy. Follow as Tyler begins to investigate who his father was while at the same time Felicia, head of the Giordano crime family, starts to hunt for the assassin and anyone connected to him. Once you are hooked you can't put the book down and that is straight from the readers of the previous two books. Let me know your thoughts; www.thestorytellertonybertot.com

Since long before its founding in 1729, Westford has been a unique place to live and an immense source of pride for the people who call the town home. With an unparalleled sense of community, the citizens of Westford have maintained a strong connection with the history that shaped not only this small town, but the entire New England region. The collections at the Westford Museum are filled with names that echo the profound dedication of Westford residents from its founding to the present day: Charles G. Sargent, John W.P., and John W. Abbot, founders of the Abbot Worsted Company; Herbert Ellery Fletcher, founder of the Fletcher Granite Company; Lt. Col. John Robinson, Revolutionary War hero; LPGA championship golfer Pat Bradley; career volunteer and mover and shaker Ellen Harde; nationally renowned water color artist Andrew Kusmin; and countless others. Legendary Locals of Westford pays tribute and is dedicated to the many who have shaped this unique community.

job with Boston's top law firm. The reason for his career change? Boston's red hot real estate market has suddenly crashed and Bruce figures that some of the firm's institutional clients won't notice if a couple of million dollars is siphoned away during the resulting chaos. But police definitely notice when a local art museum is robbed of \$100 million in art. And they definitely notice when a transvestite prostitute is found strangled in a Back Bay Alley"--Cover p.[4].

The Emerald Scepter

Columbus discovered America. So they say. But what of Leif Ericsson? What of St. Brendan? Who inscribed that anguished message on the Kensington Rune Stone? And who was The Westford Knight? We are sure that Columbus made it to San Salvador – and back. And the Icelandic Saga shores up faith in Leif Ericsson's voyage to North America, although scholarly opinion of the Vinland map seems to change every 10 years or so. St. Brendan's adventure has been pretty generally dismissed as mere myth- as if myth could not be rooted in truth. And the case of the Kensington Rune Stone continues to generate controversy, despite an impressive accumulation of evidence, both environmental and linguistic. And then there is the Westford Knight. In 1954, the late Frank Glynn uncovered the figure of a knight in full armor incised on a slab of glacial rock along a roadside in Westford, Massachusetts. The Knight's helmet, sword and shield all date to a specific decade in the evolution of armor and arms. And the emblem on the shield represents the armorial bearings of Clan Gunn, a noble family based in Scotland's County Caithness. The figure is, in fact, a classic military effigy, a type of

Read Book Online Cabal Of The Westford Knight Templars At The Newport Tower Book 1 In The Templars In America Series

monument commonly found in ancient gravesites in Scotland and in the north of England. So what was the Knight doing here? Facts cited in this little book suggest that The Westford Knight sailed westward with his high-born kinsman, Henry Sinclair, baron of Rosslyn and Earl of Orkney, in the service of The Lady King. The author presents the evidence: THESE STONES BEAR WITNESS. The verdict is for the reader to decide.
