Every illustrated map features quirky drawings noting the state's key destinations—including places and monuments—popular drinks, foods, and sports, as well as the state bird and flower. Imitating the style, size, and design of those classic placemats of every Baby Boomer's childhood, each page of America State by State is scallop-edged (even on the perforated edge) making them easy to remove, color, and frame—or use as placemats at home.

Miss Fisher's Murder Mysteries, now streaming on Netflix, starring Essie Davis as the honourable Phryne Fisher "Like her heroine, Greenwood has never been more confident and confronting" —Sydney Morning Herald To the accompaniment of heavenly choirs singing, the fearless Miss Phryne Fisher returns in her 20th adventure with musical score in hand. An orchestral conductor has been found dead and Detective Inspector Jack Robinson needs the delightfully incisive and sophisticated Miss Fisher's assistance to enter a world in which he is truly lost. Hugh Tregennis, not much liked by anyone, has been murdered in a most flamboyant mode by a killer with a point to prove. But how many killers is Phryne really stalking? At the same time, the dark curls, disdainful air and the lavender eyes of mathematician and code-breaker Rupert Sheffield are taking Melbourne by storm. They've certainly taken the heart of Phryne's old friend from the trenches of WWI, John Wilson. Phryne recognizes Sheffield as a man who attracts danger and is determined to protect John from harm. Even with the faithful Dot, Mr. and Mrs. Butler, and all in her household ready to pull their weight, Phryne's task is complex. While Mendelssohn's Elijah, memories of the Great War, and the science of deduction ring in her head, Phryne's past must also play its part as MI6 become involved in the tangled web of murders.

Many have tried to convey the true spirit of Africa's animals in words, photography, or in music. There may be no challenge greater; Africa's fauna are vast in number and rich in diversity. In this finely crafted collection, French photographer Laurent Baheux uses the medium of black-and-white photography to capture the intricate details of both the wondrous beasts and the magnificent settings in which they dwell. This wide-ranging volume lays particular emphasis on his subjects' individual spirits--revealing all of their vulnerability while losing nothing of their raw vitality. Every photograph is so carefully composed

and well lit that the details equal the evocative precision of an Old Masters portrait. Through Baheux's eyes we get close to the creatures that will both inspire and humble us all.
