Coming Home

This study focuses on the representation of the family in American drama, in particular, on various uses and conventions of the figure of the prodigal husband or son. It considers the lineage and function of this figure from the writings of Augustine, medieval iconography, Renaissance prodigal son plays, and

temperance melodramas to such contemporary manifestations as television talk shows, the Recovery Movement, and plays by contemporary writers including Spalding Gray, Ntozake Shange, and Cherrie Moraga.

Coming Out, Coming Home

When happily ever after has a way of surprising you. Stan Lewis is the director of Bozeman Deaconess Hospital. With less than three months until the opening of a new neonatal unit, he needs to organize the biggest fundraising event Montana has ever seen. An event staging company could be the answer to all his problems or create more than he ever imagined. Mia Costas is a successful artist, not an event planner. But, when two of her best friends ask her to help stage a charity gala, she reluctantly agrees. When she realizes how important the event is, she knows she's not the best person for the job—and so will Stan if he discovers who she is. With the hopes of more than one child resting on their shoulders, Stan and Mia work together to create a night no one will forget. And maybe, if they let themselves believe in the power of love, they can create a little magic of their own. Coming Home is the fifth book in The Protectors Series and can easily be read as a stand-alone. All of Leeanna's series are linked. If you find a character you like, they could be in another novel. Happy reading! Praise for The Protectors Series: "I am addicted to Leeanna Morgan's books! The only problem with them is that I hate coming to the end of one, and can't wait for the next good read. I love how she

Coming Home

Finding himself in a small Texas town on Christmas Eve, a lonely journalist from Chicago learns the stories of a hand-carved manger, a father's guilt, and a young girl's faith, and is prompted to reevaluate his past.

Coming Home

As nighttime falls all types of fathers--fish, rabbits, snails, pigs, and a boy's father--make their way home to their families.

Coming Home

Follows the emotions of a young boy as he waits at an airport for a family member

to return home from serving in the military.

Coming Home

A book that helps readers wade through the messiness in their lives, thereby offering nourishment, encouragement and solace.

Coming Home

Coming Out, Coming Home has the potential for increasing spiritual growth and development in our society. Although many books have been written about gay rights and pro-gay theologies, few have provided people with an opportunity to enlarge belief systems advocating Scriptural principles while embracing the possibility of gay spirituality. In our present culture many people feel the need to split the personal from their professional lives in order to maintain proper boundaries, and the private from the public in order to gain the acceptance of others. This book provides the opportunity for readers to find a deeper connection with themselves and others as you savor the stories of sexual minorities who have sought meaningful connections between their spirituality and sexuality. Expect to experience something profound when you find formerly rigid boundaries between God and gays begin to relax. Your God might be much larger than you ever

imagined!

The Fathers Are Coming Home

Set in Oklahoma and Colorado in 1956, *Coming Home* is a love story about Arnold Barkley, a man whose trust in commitment has been injured by divorce. Although financially comfortable, he sets his wealth aside and takes off on a road trip to experience the world without the crutch of money. He meets two women that change his life, both sheltered rancher's daughters. Brenda, a beautiful red-haired woman cares for her elderly father until he dies in a Denver hospital. She breaks Arnold's heart. Beth Howser, a brown-haired beautiful hermaphrodite, with both male and female genitals, reveals Arnold's ability to accept people as they are, and both women bring out his penchant for taking on other people's troubles despite his best efforts to remain aloof.

Coming Home: A compelling novel with a shocking twist

Coming Home

By the mid-twentieth century, two things appeared destined for extinction in the United States: the practice of home birth and the profession of midwifery. In 1940, close to half of all U.S. births took place in the hospital, and the trend was increasing. By 1970, the percentage of hospital births reached an all-time high of 99.4%, and the obstetrician, rather than the midwife, assumed nearly complete control over what had become an entirely medicalized procedure. Then, seemingly out of nowhere, an explosion of new alternative organizations, publications, and conferences cropped up, documenting a very different demographic trend; by 1977, the percentage of out-of-hospital births had more than doubled. Home birth was making a comeback, but why? The executive director of the American College of Obstetricians and Gynecologists publicly noted in 1977 the "rising tide of demand for home delivery," describing it as an "anti-intellectual-anti-science revolt." A quiet revolution spread across cities and suburbs, towns and farms, as individuals challenged legal, institutional and medical protocols by choosing unlicensed midwives to catch their babies at home. *Coming Home* analyzes the ideas, values, and experiences that led to this quiet revolution and its long-term consequences for our understanding of birth, medicine, and culture. Who were these self-proclaimed midwives and how did they learn their trade? Because the United States had virtually eliminated midwifery in most areas by the mid-

twentieth century, most of them had little knowledge of or exposure to the historic practice, drawing primarily on obstetrical texts, trial and error, and sometimes instruction from aging home birth physicians to learn their craft. While their constituents were primarily drawn from the educated white middle class, their model of care (which ultimately drew on the wisdom and practice of a more diverse, global pool of midwives) had the potential to transform birth practices for all women, both in and out of the hospital.

Coming Home

A triangle with a twist, *Coming Home* is the story of three good people caught up in an impossible situation. Rob, a charismatic ex-fighter pilot severely disabled with MS, has been steadfastly cared for by his wife, Jan for many years. Quite by accident one day, Terry, a young writer/postal carrier, enters their life and turns it upside down. Injecting joy and turbulence into their quiet existence, Terry draws Rob and Jan into her lively circle of family and friends until the growing attachment between the two women begins to strain the bonds of love and loyalty, to Rob and each other.

Coming Home: A Child's First Story about Adoption

The Gopi Diaries is a series of three books for children about a dog called Gopi. Told in Gopi's voice, the first book, Coming Home, begins with Gopi going to his new home, and tells the story of how he settles down with his loving, human family. How Gopi sees the world around him and what he thinks of the people in his life give the story a truly unique flavour. Written in Sudha Murty's inimitable style, these are books children and adults will treasure as the simple stories talk of basic values even when told from a dog's perspective.

Stories of Coming Home

"Coming Home to Yourself: Eighteen Wise Women Reflect on Their Journeys" by Patricia Gottlieb Shapiro honors the changing face of aging and shatters

stereotypes about older women. The diverse, multi-cultural group of women featured in this book are vital, resilient, and continue to grow. They have all experienced a turning point later in life, which has brought them home to their deepest selves. No matter what their culture, religion, lifestyle, economics or personal challenges, all the women arrived at the same internal destination: a place within themselves of comfort and familiarity, of harmony and wholeness, and of acceptance and love for themselves. Their moving stories of self-discovery and empowerment will inspire women of any age to continue their quest to find their own authentic home. Pat Shapiro is an award-winning author who has written or co-authored seven other nonfiction books. She has a master's degree in social work and specializes in writing and speaking on women's issues, midlife and friendships. She is a widely sought lecturer, writing coach and yoga teacher.

Coming Home

Coming Home is a heart-breaking tale of a family separated for more than a century. Beginning with the murderous pogrom in Kishinev in 1903, the Gans family finds itself dispersed across three continents. The only mementos that can identify and reunite the family are twin gold bands saved from the ruins of the family home and inscribed with the names of Beryl and Yenta. Throughout a tale that spans four generations, the fictional story is woven with the tragedy of the major historical events of the twentieth century. Coming Home takes the reader on a journey with unforgettable characters, through Apartheid South Africa, Communist Russia, and the birth and struggle for survival of the State of Israel. The many characters with their loves and hates, their hopes, and their frustrations, complete an unforgettable cast. Most of all, Coming Home is an epic saga of extraordinary devotion and loyalty.
