Boxed deck includes 78 full-color cards and instruction booklet Flip side of box is in Spanish: Tarot Oscuro de Grimoire Publisher
Review: Howard Phillips Lovecraft (1890–1937) was a mildly successful writer of short stories known as "pulp fiction." This was a designation based on the inexpensive, pocket-sized magazines where his stories appeared. These small magazines were published on cheap paper known as "pulp."

Free Copy Dark Mirror Oracle

Today, only a few magazines that were originally "pulp" remain, one of them being FATE magazine. Most of those that survived are now full-size. Lovecraft was deeply influenced by earlier and contemporary writers such as Ambrose Bierce and Robert W. Chambers, who not only told a story, but projected a mood. He eventually developed a style that featured a mood of horror lying just beyond what we normally see and hear, horror that is liable to break through into our unknowing world at any moment. He created an entire other world populated by evil powerful beings intent on taking over the Earth. According to the stories read more.

Fallen Angels Oracle Cards

In 1818, French occultist Jacques Auguste Simon Collin wrote a legendary tome that described ancient daemons and organized them into hellish hierarchies. This book and tarot card set draws upon that work, identifying the unique strengths of 69 daemons and explaining how to summon their energies to answer our most pressing questions about life, love, health, money, and more.

Gods and Titans

Samhain is one of the most enigmatic and magical pagan nights of the year for performing divination, rituals, and spells. Our ancestors have known this for centuries, taking advantage of the night's potent energy to gain clear insight into the past, present, and future. What if every day were Halloween? Experience the clarity and electric energies of this sacred night all year long with the chilling Samhain Oracle. Each card connects you to the spirit realm to bring healing, understanding, protection, and guidance from the other side into everyday life. Discover the banshee's wrath, meet your sacred animal familiar, greet the nature spirits, or visit the graveyard with your coven to seek protection in the witching hour. The cards hold truth and unlock your intuition to find the answers to your heart's hidden desires. Each of the 44 oracle cards has a unique invocation, ritual chant, and secret insight to make the most of Samhain energy! Learn how to use the power of divination and enhance your intuition, spellcraft, and meditations to embody the witch within.

Whispers of Lord Ganesha

Dark Mirror Oracle Cards

The Angel Tarot is nothing like a traditional deck of angel cards. The 72 angels of the Kabbalah (or Shem HaMephorash) are extremely powerful heavenly beings that provide assistance to mortals while also ruling over their hellish counterparts, the 72 demons of the Goetia. When summoning an angel, their sigil (a kind of esoteric calling card) is supposed to be drawn on a piece of pure virgin parchment in red ink. To echo this color palette, the cards are made to look like fresh, pure parchment. The borders of each card are deep crimson, which creates a striking contrast. The magical symbols are real. The artwork is hauntingly divine. These aren't your Aunt Doreen's angel cards . . .

Barbieri Tarot

How can we possibly embrace our truest self if we never step into the dark? Author and occultist Travis McHenry reveals the secret daemons of the 17th-century and conjures their powers into this unique set of 78-divination cards. Drawing on daemons, symbols, and sigils from ancient magickal grimoires including Archidoxis Magica and the Key of Solomon, Occult Tarot presents a fully realized divination tool to finally embrace and behold the mysteries of the night. The first tarot deck to faithfully adhere to the Solomonic principles of demon conjuration, Occult Tarot allows practitioners to discover the power of ancient demons and learn to tame the beasts that wander between the physical and spiritual worlds.

Tarot Shadow Work

"In Tarot Shadow Work, Christine Jette bravely takes the practice of tarot readings to new depths and places many people fear to go. She shows us how we can use the cards to trigger awareness in ourselves of troubling aspects of our lives and histories, and then go beyond discovery to use the cards as tools for healing. This is part of the work that needs to be done with tarot in this new century." —Rachel Pollack, author of 78 Degrees of Wisdom and the forthcoming Shining Tribe Tarot Deep within our psyches, the unconscious holds our forbidden feelings, secret wishes, and creative urges. Over time, these "dark forces" take on a life of their own and form the shadow—a powerful force of unresolved inner conflicts and unexpressed emotions that defies our efforts to control it. The shadow takes its shape from a menagerie of archetypes, each recognizable throughout time and around the world—troubling characters who thrive within our persona.

Free Copy Dark Mirror Oracle

The shadow is sabateur, martyr, victim, addict, sadist, masochist, or tyrant; all the dark figures that prey on the lighter qualities of the human personality. The shadow also represents those latent talents and positive traits that were banished from us at some time along our life path: artistic, musical, athletic, or creative talents. An undeveloped ability, a dream that has gone unexpressed, a fantasy of what might have been—these too make up the personal shadow, the lost parts of ourselves. Tarot Shadow Work shows you how to free yourself from the shackles of the shadow's power.

Through tarot work, journaling, meditation, creative visualization, and dream work, you will bring the shadow into the light. This book is ideal for those who are in recovery from a serious addiction or illness, as well as any person seeking a deeper understanding of his or her true self. By exploring the dark and uncharted territory of the unconscious mind, you will work towards understanding and integrating the shadow. No prior knowledge of the tarot is required. You will learn to use the cards as a tool to help you break free from negative patterns and self-destructive behavior. Once we realize that we are made of both light and darkness, life will start to make sense. When we accept our dual natures, we stop sabotaging our own efforts and learn to be compassionate with others and with ourselves.

Mausolea: Book of Souls

True to its original form, this antique oracle has survived the centuries virtually intact! on a great combination. Before I explain what I mean by that, let's look at the cards themselves. This deck of cards is smaller in size than most Tarot decks. It's less thick because it has only 52 cards, like a pack of playing cards, and the dimensions of each card are those of a card for playing bridge. That makes this deck much easier to carry around than any deck other than the postage stamp size decks that some may consider too small for practical use. Like a deck of playing card, this oracle is divided into four suits, diamonds, clubs, hearts and spades, each with ten pip cards and three court cards. If you're bored, you could play solitaire with this deck. There are two major differences between this deck and regular playing cards. First, every card has a pictorial image. The style appears to be 18th century line drawings overpainted with very intense watercolors so that the lines show through. Most of us are familiar with the pale pastel watercolors of our youth, but these colors feature deep earth tones of green, brown, orange, and surprisingly bright and rich red. The backgrounds are washes of pale yellow. There are no blues to be found. The upper left corner gives an image of the matching standard playing card. . . read more.

Every legendary villain has a story of intrigue and a character ultimately more flawed and fascinating than his hero counterpart. These fallen angels are no exception - cast out from heaven, the subversive spirits in this deck have committed at least one of the seven deadly sins to secure their place in the legions of the damned. The cards in Nigel Suckling's oracle are similarly rich with experience, and devilishly direct - Zepar, the angel who makes women love men, reveals the complications of an affair; Gusion, who can discern the past, present and future, calls to let intuition rule; while Shax, who has the appearance of a stork, warns people to protect their wealth. Choose a card for daily insight, or lay them out for a reading. The accompanying book reveals the card's meaning, and explains each angel's history. The illustrations, by artist Sarah Perkins, have been specially commissioned to evoke the dark charm of these fascinating, mysterious creatures, all of whom offer a special message.

Cecoli Oracle

“The single most resonant and carefully imagined book of Dick’s career.” —New York Times It’s America in 1962. Slavery is legal once again. The few Jews who still survive hide under assumed names. In San Francisco, the I Ching is as common as the Yellow Pages. All because some twenty years earlier the United States lost a war—and is now occupied by Nazi Germany and Japan. This harrowing, Hugo Award–winning novel is the work that established Philip K. Dick as an innovator in science fiction while breaking the barrier between science fiction and the serious novel of ideas. In it Dick offers a haunting vision of history as a nightmare from which it may just be possible to wake. Winner of the Hugo Award
