Six Days of War

Narnia: A magical land full of wonder and excitement. A place where you will meet Aslan, the bravest of lions, and a beautiful but wicked Witch. There are lots of other fabulous creatures too: giants and dwarfs and animals that talk. It all begins when four children -- Peter, Susan, Edmund, and Lucy -- discover a strange old wardrobe. Stepping inside, they find that it's stranger still, because behind all the fur coats there is a wondrous land of trees and mountains, all glistening with snow. The White Witch has spread an icy winter everywhere. Only Aslan can defeat her and reverse her wicked spell. The children must find the lion before it is too late. If they fail, the Witch will make them her prisoners forever. In the fifty years since it was written, *The Lion, the Witch And the Wardrobe* has become one of the great classics of children's literature. Now younger children can share the magical experience, stepping into a world of enchantment that will forever lure them back.

The Man-Eaters of Tsavo, and Other East African Adventures

The Lion Prophecy

Fountas & Pinnell take you through every aspect of leveled books from how to select and use them for different instructional purposes to prototype descriptions for fiction and nonfiction books at each level.

Patriotic Addresses in America and England

The Zembiec family was living the American dream. They had a wonderful daughter, a beautiful home and a promising future. All was just as Doug had promised his wife Pamela long before their wedding day in 2005. "If you think it, you will become it." Doug would always say. He, himself, was a much

loved and respected Marine Corps Officer, who always turned his dreams into reality. On Friday, May 11, 2007, all those dreams were shattered when Doug was killed in action during a night mission in Badgdad, Iraq. Life would never be the same Selfless Beyond Service takes you through the eyes and heart of Major Douglas Zembiec's widow, Pamela, as she recalls the days and months following his death while also taking you back in time to celebrate his life. His life, not only as a Marine, but as a husband, son and father.

Rummage

SHORTLISTED FOR THE BOOKER PRIZE 2019 In a tour-de-force that is a modern masterpiece about the quest for love and family, Booker Prize-winning, internationally bestselling author Salman Rushdie has created a dazzling Don Quixote for the modern age. Inspired by the Cervantes classic, Sam DuChamp, mediocre writer of spy thrillers, creates Quichotte, a courtly, addled salesman obsessed with television, who falls in impossible love with the TV star Salman R. Together with his (imaginary) son Sancho, Quichotte sets off on a picaresque quest across America to prove worthy of her hand, gallantly braving the tragicomic perils of an age where 'Anything-Can-Happen'. Meanwhile his creator, in a midlife crisis, has equally urgent challenges of his own. Just as Cervantes wrote Don Quixote to satirise the culture of his time, Rushdie takes the reader on a wild ride through a country on the verge of moral and spiritual collapse, with the kind of storytelling magic that is the hallmark of his work. The fully realised lives of DuChamp and Quichotte intertwine in a profoundly human quest for love and a wickedly entertaining portrait of an age in which fact is so often indiscernible from fiction.

Rise of the Dibor

Journeys to the end of the world, fantastic creatures, and epic battles between good and evil -- what more could any reader ask for in one book? The book that has it all is the lion, the witch and the wardrobe, written in 1949 by C. S. Lewis. But Lewis did not stop there. Six more books followed, and together they became known as The Chronicles of Narnia. For the past fifty years, The Chronicles of Narnia have transcended the fantasy genre to become part of the canon of classic literature. Each of the seven books is a masterpiece, drawing the reader into a world where magic meets reality, and the result is a

fictional world whose scope has fascinated generations. This edition presents all seven books -- unabridged -- in one impressive volume. The books are presented here according to Lewis's preferred order, each chapter graced with an illustration by the original artist, Pauline Baynes. This edition also contains C. S. Lewis's essay "On Three Ways of Writing for Children," in which he explains precisely how the magic of Narnia and the realm of fantasy appeal not only to children but to discerning readers of all ages. Deceptively simple and direct, The Chronicles of Narnia continue to captivate fans with adventures, characters, and truths that speak to all readers, even fifty years after the books were first published.

Lion of Jordan

Lieutenant-Colonel John Henry Patterson, DSO (10 November 1867 - 18 June 1947), known as J. H. Patterson, was a British soldier, hunter, author and Christian Zionist, best known for his book *The Man-Eaters of Tsavo* (1907), which details his experiences while building a railway bridge over the Tsavo river in British East Africa (now Kenya) in 1898-99. The book has inspired three Hollywood films - *Bwana Devil* (1952), *Killers of Kilimanjaro* (1959) and *The Ghost and the Darkness* (1996) in which he was portrayed by Val Kilmer. In the First World War, Patterson was the commander of the Jewish Legion, "the first Jewish fighting force in nearly two millennia", and has been described as the godfather of the modern Israel Defense Forces. Lieutenant-Colonel John Henry Patterson, DSO (10 November 1867 - 18 June 1947), known as J. H. Patterson, was a British soldier, hunter, author and Christian Zionist, best known for his book *The Man-Eaters of Tsavo* (1907), which details his experiences while building a railway bridge over the Tsavo river in British East Africa (now Kenya) in 1898-99. The book has inspired three Hollywood films - *Bwana Devil* (1952), *Killers of Kilimanjaro* (1959) and *The Ghost and the Darkness* (1996) in which he was portrayed by Val Kilmer. In the First World War, Patterson was the commander of the Jewish Legion, "the first Jewish fighting force in nearly two millennia", and has been described as the godfather of the modern Israel Defense Forces. Patterson was born in 1867 in Forgnay, Ballymahon, County Longford, Ireland, to a Protestant father and Roman Catholic mother. He joined the British Army at the age of seventeen and eventually attained the rank of Lieutenant-Colonel and was awarded the Distinguished Service Order (DSO). He finally retired from the military in 1920. (wikipedia.org)

Churchill's Bomb

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Six Days

This lush book of photography represents National Geographic's Photo Ark, a major cross-platform initiative and lifelong project by photographer Joel Sartore to make portraits of the world's animals-especially those that are endangered. His powerful message, conveyed with humor, compassion, and art-to know these animals is to save them.Sartore intends to photograph every animal in captivity in the world. He is circling the globe, visiting zoos and wildlife rescue centers to create studio portraits of 12,000 species, with an emphasis on those facing extinction. He has photographed more than 6,000 already and

now, thanks to a multi-year partnership with National Geographic, he may reach his goal. This book showcases his animal portraits- from tiny to mammoth, from the Florida grasshopper sparrow to the greater one-horned rhinoceros. Paired with the eloquent prose of veteran wildlife writer Douglas Chadwick, this book presents a thought-provoking argument for saving all the species of our planet.

The Profession

This highly successful children's Bible provides a story for each day of the year for 7 to 9 year olds. The artwork is truly attractive and of the very highest quality, warm and bright, giving fresh perspectives on the classic stories. Each story has approximately 250 words is complemented by a matching prayer. The Bible features full Bible references on each page as well as a 'story finder' to help the reader choose a story to suit the occasion, making this a complete resource and enable further exploration of the Bible as the child grows up.

Children of Blood and Bone

THE KING'S LION IS BACK IN A SWASHBUCKLING ADVENTURE After years of fighting, peace reigns over the Eagle Empire. General Leandros is enjoying a romantic vacation with his wife at sea when a mysterious sea captain, the Mask, abducts them, asking for their help to free his fellow islanders from slavery. Leandros and Helena start training the islanders, conducting daring raids on land and sea to free the slaves. Their only allies are a powerful sea-witch and a savage crew of ex-pirates. Breathtaking duels and fierce battles turn the tide in favour of the islanders until the enemy monarch sends his Grand Fleet to subdue them. With only two ships and a handful of men, the King's Lion faces a terrifying challenge. The future of an entire nation lies in his hands.

Into the Lion's Mouth

Perhaps no scientific development has shaped the course of modern history as much as the harnessing of nuclear energy. Yet the twentieth century might have turned out differently had greater influence over this technology been exercised by Great Britain, whose scientists were at the forefront of research into nuclear weapons at the beginning of World War II. As award-winning biographer and science writer Graham Farmelo describes in *Churchill's Bomb*, the British set out to investigate the possibility of building nuclear weapons before their American colleagues. But when scientists in Britain first discovered a way to build an atomic bomb, Prime Minister Winston Churchill did not make the most of his country's lead and was slow to realize the Bomb's strategic implications. This was odd—he prided himself on recognizing the military potential of new science and, in the 1920s and 1930s, had repeatedly pointed out that nuclear weapons would likely be developed soon. In developing the Bomb, however, he marginalized some of his country's most brilliant scientists, choosing to rely mainly on the counsel of his friend Frederick Lindemann, an Oxford physicist with often wayward judgment. Churchill also failed to capitalize on Franklin Roosevelt's generous offer to work jointly on the Bomb, and ultimately ceded Britain's initiative to the Americans, whose successful development and deployment of the Bomb placed the United States in a position of supreme power at the dawn of the nuclear age. After the war, President Truman and his administration refused to acknowledge a secret cooperation agreement forged by Churchill and Roosevelt and froze Britain out of nuclear

development, leaving Britain to make its own way. Dismayed, Churchill worked to restore the relationship. Churchill came to be terrified by the possibility of thermonuclear war, and emerged as a pioneer of détente in the early stages of the Cold War. Contrasting Churchill's often inattentive leadership with Franklin Roosevelt's decisiveness, Churchill's Bomb reveals the secret history of the weapon that transformed modern geopolitics.

Day of War

New Zealand's greatest war hero, Charles Upham, was one of the few people to have won the Victoria Cross twice. During World War II, he was in Crete, then North Africa and later a prisoner of war in Colditz. His legendary exploits, his acumen as a soldier and his classically understated Kiwi mannerisms have endeared him to all New Zealanders.

In a Pit with a Lion on a Snowy Day

The Akakies, a peaceful, technologically advanced alien species known as "the galaxy's pranksters," are under attack by the Xortaags, a vicious military race bent on conquering the universe. The Xortaags are deadly, but Tarq, the Akakies' chief strategist and legendary shadow master, has a plan. Meanwhile on Earth, Jim, a wise-cracking, movie-quoting, OCD-suffering fighter pilot, is about to propose to his girlfriend Liz when his childhood friend Kurt shows up at his house, injured and covered in blood. Kurt is a freedom fighter/super-assassin hunted by a brutal military dictatorship's security forces. Soon after, Jim, Liz and Kurt's lives are set to crash with a galactic war that threatens the very existence of the human race. Can our heroes save humanity from the wrath of an overwhelming enemy? The Crimson Deathbringer seamlessly blends breathtaking action sequences with mischievous humor. If you are a science fiction/space opera fan, this book, with its memorable characters, formidable antagonist and Game of Thrones style shocking moments, is written especially for you.

Visit spearheadbooks.com and christopherhopper.com today! DESCRIPTION: Read the story that turned children into warriors, and warriors into legends. The Dairne-Reih haven't been seen in Dionia for generations-their kind and their king, Morgui, banished long ago from haunting paradise. But when creation shows signs of deterioration, the kings of the seven realms converge in the sacred Gvindollion gathering to arrive at one inexplicable conclusion: Morgui has returned. In the hopes of entrusting Dionia's brave history and perilous future to a generation that has never known war, the kings decide to raise up their young sons as an elite group of warriors, known only as the Dibor. Gorn, legendary hero of the First Battle, is commissioned to teach the Dibor the art of war, leading them on a four-year adventure on the Isle of Kirstell. It is Luik, son of Lair, who soon emerges as the warband's spirited front man. But he is not the only one of his peers to grow in power; his dear friend Fane discovers hidden abilities among the Mosfar under the mentorship of Li-Saide of Ot, while Princess Anorra

finds that her lifelong tutor knows as much about combat as he does about etiquette. There is little time for the Dabor to enjoy the satisfaction of graduation, however, as a sinister plot is discovered to dethrone Dionia's kings and flatten the capital city of Adriel. The Dabor are summoned to war, along with the rest of Dionia's fighting men. It is before the gates of Adriel Palace that Luik and his army face Morgui's prince, Valdenil, as well as the unending ranks of the Dairne-Reih.

One Day As A Lion

Provides a rare glimpse into the machinations of one of the world's most baffling political systems, examining what has gone wrong and how Washington should deal with this volatile Middle Eastern nation -- Publisher.

The Butterfly Lion

For most of his long reign (1953-1999) Hussein of Jordan was one of the dominant figures in Middle Eastern politics, its most continuous presence, and one of the most consistent proponents of peace with Israel. This is the first major account of his life and reign, written with access to many of his surviving papers, with the co-operation (but not approval) of his family and staff, and extensive interviews with policy-makers of many different nationalities.

The Photo Ark

A haunting historical novel set in France between the two world wars about love and desire FROM THE AUTHOR OF THE INTERNATIONAL BESTSELLER BIRDSONG Mid-1930s, Northern France. A mysterious young girl named Anne Louvet arrives at the seedy Hotel du Lion d'Or in the small French town of Janvilliers. She is seeking a job and a new life, far removed from the injustices of her past. At the hotel, Anne meets the cultured, rich and married Hartmann and begins an affair with the married Great War veteran, revealing her secrets, fears and hopes to him. From award-winning author Sebastian Faulks, *Girl at The Lion d'Or* is a powerful story of love and conscience, will and desire. 'Beautifully written and extraordinarily moving' *The Sunday Times* ---- Also available by Sebastian Faulks as part of the French trilogy series: *Birdsong* *Charlotte Gray*

Love

The Six-Day War was an extraordinary human drama. It swept up a generation of Israelis and Arabs whose children still cannot live peacefully in the world the war created. Today, Israel is the superpower of the region. It has nuclear weapons but has never been able to digest the land it swallowed in 1967. However big its army, it will never be at peace or feel secure until the future of this land is settled. Thirty-six years after the end of the six days of fighting, after thousands more deaths and the failure of years of negotiation to try to reach a political settlement, Israelis and Palestinians are fighting once again on the streets in the West Bank and Gaza. It is still a low-level conflict, but if another full-blown Middle East war breaks out, its roots will lie in those six days in June 1967. Drawing on his experiences as the BBC's former Middle East correspondent, and building on extensive original research and interviews with

some of the key participants, Jeremy Bowen uses his vast array of contacts to weave together a completely convincing and compelling account, hour by hour, of the 1967 war between Israel and Egypt, Jordan and Syria. As insightful as the best modern history writing and as gripping as fiction, this is a major debut by an author with superb media contacts.

Revelation

Describes the reactions to Churchill's wartime speeches, documenting that there was criticism and dissent as well as the perceived mass enthusiasm by the people of Great Britain.

Leveled Books (K-8)

The Lion of War Collection

A biography of the legendary frontiersman, soldier and martyr examines his life--from hunting bears in the unspoiled countryside to helping defend the Alamo--and aims to dispel long-held myths. By the author of *Pretty Boy: The Life and Times of Charles Arthur Floyd*. BOMC. Reprint.

The Lion, the Witch and the Wardrobe (picture book edition)

The Daily Lion

International bestseller! James Bond has nothing on Dusko Popov. a double agent for the Abwehr, MI5 and MI6, and the FBI during World War II, Popov seduced numerous women, spoke five languages, and was a crack shot, all while maintaining his cover as a Yugoslavian diplomat... On a cool August

evening in 1941, a Serbian playboy created a stir at Casino Estoril in Portugal by throwing down an outrageously large baccarat bet to humiliate his opponent. The Serbian was a British double agent, and the money?which he had just stolen from the Germans?belonged to the British. From the sideline, watching with intent interest was none other than Ian Fleming... The Serbian was Dusko Popov. As a youngster, he was expelled from his London prep school. Years later he would be arrested and banished from Germany for making derogatory statements about the Third Reich. When World War II ensued, the playboy became a spy, eventually serving three dangerous masters: the Abwehr, MI5 and MI6, and the FBI. On August 10, 1941, the Germans sent Popov to the United States to construct a spy network and gather information on Pearl Harbor. The FBI ignored his German questionnaire, but J. Edgar Hoover succeeded in blowing his cover. While MI5 desperately needed Popov to deceive the Abwehr about the D-Day invasion, they assured him that a return to the German Secret Service Headquarters in Lisbon would result in torture and execution. He went anyway Into the Lion's Mouth is a globe-trotting account of a man's entanglement with espionage, murder, assassins, and lovers?including enemy spies and a Hollywood starlet. It is a story of subterfuge and seduction, patriotism, and cold-blooded courage. It is the story of Dusko Popov?the inspiration for James Bond. INCLUDES PHOTOGRAPHS

The Lion Led the Way

Available again in paperback, Golden Days is a major novel from one of the most provocative voices on the American literary scene. Linking the recent past with an imagined future, Carolyn See captures life in Los Angeles in the 70s and 80s. This marvelously imaginative, hilarious, and original work offers fresh insights into the way we were, the way we are, and the way we could end up.

Ben-Gurion's Political Struggles, 1963-1967

Rev. Hagin teaches how to let the love of God do-minate our lives rather than to allow our flesh or our unredeemed thinking to rule us. You can turn around even what seem to be impossible situations in your life--just by walking in the God kind of love!

Quichotte

Relates the events of the six-day Arab-Israeli war of June, 1967, discussing it in the context of regional and international politics and examining its consequences for the Middle East.

The Roar of the Lion

"I read @tomi_adeyemi's brilliant novel Children of Blood and Bone while I was on vacation. It was an exhilarating read on many levels--a thrilling page-turner that's also deeply moving and incisive." John Green author of Looking for Alaska and The Fault in Our Stars The most anticipated fantasy of the year, soon to be a major motion picture They killed my mother. They took our magic. They tried to bury us. NOW WE RISE. Zélie Adebola remembers

when the soil of Orīsha hummed with magic. Burners ignited flames, Tiders beckoned waves, and Zélie's Reaper mother summoned forth souls. But everything changed the night magic disappeared. Under the orders of a ruthless king, maji were targeted and killed, leaving Zélie without a mother and her people without hope. Now Zélie has one chance to bring back magic and strike against the monarchy. With the help of a rogue princess, Zélie must outwit and outrun the crown prince, who is hell-bent on eradicating magic for good. Danger lurks in Orīsha, where snow leoponaires prowl, and vengeful spirits wait in the waters. Yet the greatest danger may be Zélie herself as she struggles to control her powers - and her growing feelings for an enemy. As seen on Jimmy Fallon's The Tonight Show Book Club PRAISE FOR CHILDREN OF BLOOD AND BONE "Storms the boundaries of imagination" The New York Times "A brutal, beautiful tale of revolution, faith, and star-crossed love" Publisher's Weekly "Epic fantasy YA debut of magic and war" Guardian "A luxe tale of magic, adventure, and forbidden love Fans of Leigh Bardugo and Game of Thrones will gobble this up" BuzzFeed "Adeyemi's lush world-building and consummate plotting breathes new life into a YA fantasy epic" Observer "A masterful debut." Melinda Salisbury, author of The Sin Eater's Daughter "Epic" Marie Lu, author of Legend "A phenomenon" Entertainment Weekly "A fantasy that promises to be enthralling and to totally ensnare you within its world, plot, and characters" BookRiot "Poised to be this year's big fantasy breakout [an] epic story of family, love and magic" Stylist "A timely study on race, colorism, and power and injustice" Kirkus "Epic in scale and size it's a whirlwind read" The Bookseller

David Crockett

Two novels from Cliff Graham's historical fiction series are now available in one collection! Day of War In ancient Israel, at the crossroads of the great trading routes, a man named Benaiah is searching for a fresh start in life. He has joined a band of soldiers led by a warlord named David, seeking to bury the past that refuses to leave him. Their ragged army is disgruntled and full of reckless men. Some are loyal to David, but others are only with him for the promise of captured wealth. While the ruthless and increasingly mad King Saul marches hopelessly against the powerful Philistines, loyal son Jonathan in tow, the land of the Hebrew tribes has never been more despondent—and more in need of rescue. Over the course of ten days, from snowy mountain passes to sword-wracked battlefields, Benaiah and his fellow mercenaries must call upon every skill they have to survive and establish the throne for David—if they don't kill each other first. Covenant of War The year is 993 BC. After years of bloody civil war, Eleazar son of Dodai, one of King David's most elite warriors, wants nothing more than to finally live peacefully in the land. But on the plains near the Great Sea, a terrifying army of Philistines has mobilized to crush the Hebrew tribes once and for all. In the sun-drenched valleys and dark forests of the hill country, Eleazar and his warriors make their stand against Israel's deadliest enemy. The fate of an entire nation rests on the courage of a small band of heroes known as the Mighty Men. In a land torn by conflict, depleted by drought and threatened by treachery, the horrors and heroism of the ancient battlefields come to life. Covenant of War is the second book in the Lion of War series—the intense, gritty, and stylistic portrayal of the Mighty Men of Israel, a rag-tag band of warriors who came to King David in his most desperate hour and fought with him while he claimed the throne he was destined to fill. Their legendary deeds are recorded in 2 Samuel 23 and 1 Chronicles 11.

102 Days of War

In ancient Israel, at the crossroads of the great trading routes, a man named Benaiah is searching for a fresh start in life. He has joined a band of soldiers led

by a warlord named David, seeking to bury the past that refuses to leave him. Their ragged army is disgruntled and full of reckless men. Some are loyal to David, but others are only with him for the promise of captured wealth. While the ruthless and increasingly mad King Saul marches hopelessly against the powerful Philistines, loyal son Jonathan in tow, the land of the Hebrew tribes has never been more despondent—and more in need of rescue. Over the course of ten days, from snowy mountain passes to sword-wracked battlefields, Benaiah and his fellow mercenaries must call upon every skill they have to survive and establish the throne for David—if they don't kill each other first. Day of War brings to life the exploits of the Mighty Men of Israel, a rag-tag band of disgruntled warriors on the run with David, the soon-to-be King. Their legendary deeds are recorded in 2 Samuel 23 and 1 Chronicles 11

The Rock Of The Lion

This book is full of the best quotes ever quoted (you can quote that)"- Ryan Stewman Founder of hardcorecloser.com "Who you become on your journey is far more important than what you achieve and The Daily Lion is a book that will inspire you on your journey to achieving your dreams"- David Osborn Author of Wealth Can't Wait

Mark of the Lion

Was there a meaningful stellar sign over Bethlehem? What did it look like to someone looking up at the night sky? Was the star a visual guide or a simply sign? Did wise men really come from the East seeking Israel's Messiah sometime after the birth of Jesus? The biblical account of the wise men and the star

that announced the coming of the Messiah of Israel has inspired and puzzled people for two millennia. Important aspects of Babylonian astronomy seem to be involved in understanding the star's appearing. But in addition, *The Lion Led the Way* also explores the men and events from a profoundly Jewish perspective. The traditional Jewish names of stars and planets, Jewish symbols, as well as Jewish dates, all seem to be keys to unlocking the mystery of the famous star. The star of Bethlehem was not the brightest of the heavenly lights, nor was it the most spectacular starry manifestation of all time. However, it was part of the most meaningful set of celestial events in human history. The God of Israel is surprising. His ways are not our ways; his thoughts are not our thoughts. The star gives us a concrete example of God's intervention in the universe. Who were the biblical Magi? Various wise men were important in the history of the vast region to the east of Judaea. Zoroastrian, Babylonian, Greek and even Jewish wise men all played a role there in several successive empires. A possible Jewish connection with the story of the biblical wise men has been long neglected. The Magi who arrived in Bethlehem seem to have been influenced by Judaism. They apparently understood at least part of the meaning of Daniel's sixth-century BC prophecy concerning the 70 "sevens." The prophecy has to do with time. The Babylonian astronomers were uniquely qualified to perceive the connection between time and the heavens. Based on their knowledge and the ancient biblical texts, they saw how the "sevens" were related to the birth of the Messiah. The Magi were seeking God's kingdom centered on the Messiah, the Righteous One. Jesus, who was born in Bethlehem, is still making himself known. His ways are as mysterious as ever, and his humility is unsurpassed. The third edition of *The Lion Led the Way* contains about 45 pages of new material. Book website: www.star-of-bethlehem.info

The Day of the Lion

An essential insight into this central figure in the modern history of Israel and Zionism. This important new study explores the years that built up to the Six Day War and details the crucial issues and events the world is still grappling with today. This book traces Daniel Ben-Gurion's waning years in Israeli politics. After his resignation from the office of prime minister in 1963, the 'Old Man' soon lost faith in his self-chosen successor, Levi Eshkol, and ceaselessly tried to undermine the latter's premiership, eventually forming a breakaway party. The events leading up to the Six-Day War in June 1967 caught Ben-Gurion by surprise. During the weeks-long 'waiting period' prior to the outbreak of hostilities, he paid little attention to daily security issues. But when war did erupt, he displayed one of his key leadership skills – the ability to formulate an accurate, independent situation assessment. It will be of interest to scholars working in Israeli politics and history, this is a lucid, thoroughly researched account of the sunset years of the driving force behind the Israeli nation-state.

In the Lion's Den

In a near-future world in which governments and corporations are forced to hire cutting-edge mercenary armies to protect their wealth, the globe's largest private military launches a campaign to take over the United States, prompting a top commander to rebel against the organization's leader. By the author of *The Legend of Bagger Vance*. 70,000 first printing.

The Crimson Deathbringer

Almost ten years before Osama bin Laden was killed, the United States had the opportunity of a decade to decapitate the organization that so ruthlessly enacted the deadliest foreign attack on American soil in the nation's history. Battles raged across Afghanistan in the 102 days following September 11, from Mazar-i-Sharif to Kabul to Tora Bora. Yet bin Laden escaped while al Qaeda and the Taliban endured the initial onslaught. In *102 Days of War*, Yaniv Barzilai takes the reader from meetings in the White House to the most sensitive operations in Afghanistan to explain how America's enemies survived 2001. Using a broad array of sources, including interviews with top-level U.S. officials at every level of the war effort, Barzilai concludes that the failure to kill bin Laden and destroy al Qaeda at the Battle of Tora Bora was not only the result of a failure in tactics but, more importantly, the product of failures in policy and leadership. *102 Days of War* provides novel information and a new level of understanding about the opening campaign of the U.S. war in Afghanistan. Informed citizens and military historians alike will find compelling this vivid and relevant narrative.

The Lion's Gate

"A brilliant look into the psyche of combat. Where he once took us into the Spartan line of battle at Thermopylae, Steven Pressfield now takes us into the sands of the Sinai, the alleys of Old Jerusalem, and into the hearts and souls of soldiers winning a spectacularly improbable victory against daunting odds." —General Stanley McChrystal, U.S. Army, ret.; author of *My Share of the Task* June 5, 1967. The nineteen-year-old state of Israel is surrounded by enemies who want nothing less than her utter extinction. The Soviet-equipped Egyptian Army has massed a thousand tanks on the nation's southern border. Syrian heavy guns are shelling her from the north. To the east, Jordan and Iraq are moving mechanized brigades and fighter squadrons into position to attack. Egypt's President Nasser has declared that the Arab force's objective is "the destruction of Israel." The rest of the world turns a blind eye to the new nation's desperate peril. June 10, 1967. The Arab armies have been routed, ground divisions wiped out, air forces totally destroyed. Israel's citizen-soldiers have seized the Gaza Strip and the Sinai Peninsula from Egypt, the Golan Heights from Syria, East Jerusalem and the West Bank from Jordan. The land under Israeli control has tripled. Her charismatic defense minister, Moshe Dayan, has entered the Lion's Gate of the Old City of Jerusalem to stand with the paratroopers who have liberated Judaism's holiest site—the Western Wall, part of the ruins of Solomon's temple, which has not been in Jewish hands for nineteen hundred years. It is one of the most unlikely and astonishing military victories in history. Drawing on hundreds of hours of interviews with veterans of the war—fighter and helicopter pilots, tank commanders and Recon soldiers, paratroopers, as well as women soldiers, wives, and others—bestselling author Steven Pressfield tells the story of the Six Day War as you've never experienced it before: in the voices of the young men and women who battled not only for their lives but for the survival of a Jewish state, and for the dreams of their ancestors. By turns inspiring, thrilling, and heartbreaking, *The Lion's Gate* is both a true tale of military courage under fire and a journey into the heart of what it means to fight for one's people.
