Willa Cather and Death Comes for the Archbishop: a New Reading

First published in 1926, this book is Willa Cather's sparest and most dramatic novel, a dark and prescient portrait of a marriage that subverts our oldest notions about the nature of domestic happiness. As a young woman, Myra Henshawe gave up a fortune to marry for love--a boldly romantic gesture that became a legend in her family. But this worldly, sarcastic, and perhaps even wicked woman may have been made for something greater than love. In her portrait of Myra and in her exquisitely nuanced depiction of her marriage, Cather shows the evolution of a human spirit as it comes to bridle against the constraints of ordinary happiness and seek an otherworldly fulfillment. My Mortal Enemy is a work whose drama and intensely moral imagination make it unforgettable. BONUS: The edition includes an excerpt from The Selected Letters of Willa Cather.

The Ideal of Culture

"An authentic masterpiece." — The North American Review. Recounting the homecoming of a shell-shocked officer, this novel offers a compelling look at the far-reaching effects of the First World War and the shifting nature of English class structure.

To the Bright Edge of the World

An authoritative and lively account of the development of the genre, by leading experts in the field.

The Selected Letters of Willa Cather

'Shadows on the Rock' is a novel by the American writer Willa Cather. It was first published in 1931. The novel covers one year of the lives of two French colonists in Quebec - Cecile Auclair and her father Euclide. Like many of Cather's books, the story is driven by detailed portraits of the characters, rather than a narrative plot.

Butcher's Crossing

One afternoon in the autumn of 1851 a solitary horseman, followed by a pack-mule, was pushing through an arid stretch of country somewhere in central New Mexico. He had lost his way, and was trying to get back to the trail, with only his compass and his sense of direction for guides. The difficulty was that the country in which he found himself was so featureless--or rather, that it was crowded with features, all exactly alike. As far as he could see, on every side, the landscape was heaped up into monotonous red sand-hills, not much larger than haycocks, and very much the shape of haycocks.

Youth and the Bright Medusa

Create your own Catholic plan of life and form the habits that will help you grow closer to God.

Willa Cather and the American Southwest

The Cambridge History of the American Novel

Nearly 4,000 years ago in Egypt, Nofret, the beautiful concubine, was murdered. The possible murderers in the master's family were the next to die.

Willa Cather

In her final novel, Willa Cather departed from her usual Great Plains settings to plumb the turbulent relationships between slaves and their owners in the antebellum South. *Sapphira and the Slave Girl* is set in Virginia just before the Civil War.

Sapphira is a slave owner who feels she has come down in the world and channels her resentments into jealousy of her beautiful mulatto slave, Nancy. Sapphira's daughter Rachel, an abolitionist, opposes her mother's increasingly shocking attempts to persecute Nancy. The struggles of these three strong-willed women provide rich material for Cather's narrative art and psychological insight. BONUS: The edition includes an excerpt from The Selected Letters of Willa Cather.

The Art of Political Murder

Tells the stories of a frontier woman, a disillusioned professor, New Mexico's first bishop, early life in Quebec, an ambitious artist, and a Southern slaveowner

The Troll Garden

Contains 63 essays. Subjects range from domestic life to current social trends to an appraisal of "contemporary nuttiness."

Shadows on the Rock

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Alexander's Bridge

A groundbreaking new look at American novelist Willa Cather's creative process What would Willa Cather's widely read and cherished novels have looked like if she had never met magazine editor and copywriter Edith Lewis? In this groundbreaking book on Cather's relationship with her life partner, author Melissa J. Homestead counters the established portrayal of Cather as a solitary genius and reassesses the role that Lewis, who has so far been rendered largely invisible by scholars, played in shaping Cather's work. Inviting Lewis to share the spotlight alongside this pivotal American writer, Homestead argues that Lewis was not just Cather's companion but also her close literary collaborator and editor. Drawing on an array of previously unpublished sources, Homestead skillfully reconstructs Cather and Lewis's life together, from their time in New York City to their travels in the American Southwest that formed the basis of the novels The Professor's House and Death Comes for the Archbishop. After Cather's death and in the midst of the Cold War panic over homosexuality, the story of her life with Edith

Lewis could not be told, but by telling it now, Homestead offers a refreshing take on lesbian life in early twentieth-century America.

My Mortal Enemy

In this New York Times Notable Book, an award-winning writer undertakes his own investigation into the murder of a Guatemalan bishop. Named a Best Book of the Year by the Washington Post Book World, the Chicago Tribune, the Economist, and the San Francisco Chronicle Two days after releasing a groundbreaking church-sponsored report implicating the military in the murders and disappearances of some two hundred thousand Guatemalan civilians, Bishop Juan Gerardi was bludgeoned to death in his garage. Gerardi was the country's leading human rights activist, but the Church quickly realized it could not rely on police investigators or the legal system to solve the crime. Instead, Church leaders formed their own investigative team: a group of secular young men who called themselves Los Intocables—the Untouchables. Author Francisco Goldman spoke to witnesses no other reporter was able to reach, observing firsthand some of the most crucial developments in this sensational case. Documenting the Latin American reality of mara youth gangs and organized crime, *The Art of Political Murder* tells the incredible true story of Los Intocables and their remarkable fight for justice. “Becoming by turns a little bit Columbo, Jason Bourne and Seymour Hersh, Goldman gives us the anatomy of a crime while opening a window to a misunderstood neighboring country that is flirting with anarchy.” —The New York Times Book Review

Edith Wharton, Willa Cather, and the Place of Culture

Death Comes for the Archbishop (□□□□□)

Death Comes For The Archbishop

Penguin Classics presents John Steinbeck's classic tale as an eBook enhanced with ten exclusive video clips featuring students responses, questions for classroom discussions, and an American Dream assignment Nobel Prize-winner John Steinbeck's *Of Mice and Men* remains one of America's most widely read and taught novels. An unlikely pair, George and Lennie, two migrant workers in California during the Great Depression, grasp for their American Dream. Laborers in California's dusty vegetable fields, they hustle work when they can, living a hand-to-mouth existence. For George and Lennie have a plan: to own an acre of land and a shack they can call their own. When they land jobs on a ranch in the Salinas Valley, the fulfillment of their dream seems to be within their grasp. But even George cannot guard Lennie from the

provocations, nor predict the consequences of Lennie's unswerving obedience to the things George taught him. Of Mice and Men: Teacher's Edition includes the following:

- An introduction and suggested further reading by Susan Shillinglaw, a professor of English at San Jose State University and Scholar-in-Residence at the National Steinbeck Center in Salinas
- The poem "To a Mouse, On Turning Her Up in Her Nest with the Plough, November 1785" by Robert Burns (the original source of Steinbeck's title Of Mice and Men)
- The 1962 Nobel Banquet Speech by John Steinbeck
- An exclusive audio interview with award-winning actor James Earl Jones on his stage performances in Of Mice and Men
- Ten exclusive videos of students on major themes from the novel tied to group discussion questions included in the eBook, and an American Dream assignment, for the ultimate educational experience

The Song of the Lark

Father John Marie Latour, a wise and patrician French priest, enters the wilderness of New Mexico to establish a Roman Catholic diocese. Father Latour must overcome the hostility of his subordinates and his own deep loneliness in this vast and mysterious land.

December Night

My Mortal Enemy is the eighth novel American author Willa Cather. It was first published in 1926. Wikipedia

The Great Plains Trilogy

Rediscover this deep, practical anatomy of the novel from 'the strongest literary critic we have' (New York Review of Books) in this new revised 10th anniversary edition. What do we mean when we say we 'know' a fictional character? What constitutes a 'telling' detail? When is a metaphor successful? Is realism realistic? Why do most endings of novels disappoint? In the tradition of E. M. Forster's *Aspects of the Novel* and Milan Kundera's *The Art of the Novel*, *How Fiction Works* is a study of the main elements of fiction, such as narrative, detail, characterization, dialogue, realism, and style. In his first full-length book of criticism, one of the most prominent critics of our time takes the machinery of story-telling apart to ask a series of fundamental questions. Wood ranges widely, from Homer to Beatrix Potter, from the Bible to John Le Carré, and his book is both a study of the techniques of fiction-making and an alternative history of the novel. Playful and profound, it incisively sums up two decades of bold, often controversial, and now classic critical work, and will be enlightening to writers, readers, and anyone interested in what happens on the page. 'Should find a place on every novel-lover's shelf. It has the quality all useful works of criticism should have: refined taste, keen observation, and the ability to make the reader argue, passionately, with it' Financial Times

Hope Leslie: Or, Early Times in the Massachusetts

Though best known as an expert chronicler of the American West, Willa Cather's first novel is an in-depth character study of world-renowned bridge designer Bartley Alexander, whose seemingly settled life is thrown into turmoil when he takes up with a former lover during a stay in London. This thought-provoking tale is sure to be a pleasant surprise for fans of Cather's later novels.

Plan of Life

The extraordinary biography of a pioneer hero of the frontier Southwest.

Sapphira and the Slave Girl

The American Southwest was arguably as formative a landscape for Willa Cather's aesthetic vision as was her beloved Nebraska. Both landscapes elicited in her a sense of raw incompleteness. They seemed not so much finished places as things unassembled, more like countries "still waiting to be made into [a] landscape." Cather's fascination with the Southwest led to its presence as a significant setting in three of her most ambitious novels: *The Song of the Lark*, *The Professor's House*, and *Death Comes for the Archbishop*. This volume focuses a sharp eye on how the landscape of the American Southwest served Cather creatively and the ways it shaped her research and productivity. No single scholarly methodology prevails in the essays gathered here, giving the volume rare depth and complexity.

Death Comes as the End

"The story of the eponymous Lucy Gayheart, a spirited young girl from Haverford, Nebraska, who leaves home to pursue a career in music"--

Archbishop Lamy

DivThe portrait of a formidable woman who defies the limitations set on women of her time and social station to become an international opera star. /div

Death Comes for the Archbishop

The Return of the Soldier

The year is 1926. Pulitzer-Prize winning novelist Willa Cather and her partner Edith Lewis are summering in the Southwest. July finds them returning to Mabel Dodge Luhan's pink adobe in Taos, New Mexico. Willa is writing her ninth novel, *Death Comes for the Archbishop*. Edith is sketching Taos pueblo and hoping for a visit to the nearby D.H. Lawrence ranch. The previous summer they stumbled upon a woman's body. Now two headless women's bodies add to the mystery Edith is determined to solve'. Sue Hallgarth presents an intimate view of Cather, Lewis, the spectacular landscape they ride through, and the famous artists and writers who joined the wealthy art patron Mabel Dodge Luhan. The second of Hallgarth's suspenseful crime novels featuring Cather and Lewis, *Death Comes* gives readers an inside glimpse of the lives and works of a great American novelist and her talented life partner.

How Fiction Works

Though she later climbed to literary fame on the strength of her novels set in the American frontier such as *O Pioneers!* and *My Antonia*, much of Willa Cather's early fiction was set in the upper-crust enclaves of New York and New England. This collection of short stories deftly explores the inner workings of American high society in the early twentieth century, with a few forays into the vast Western plains that served as the backdrop for her later work.

Lamy of Santa Fe

Edith Wharton and Willa Cather wrote many of the most enduring American novels from the first half of the twentieth century, including Wharton's *The House of Mirth*, *Ethan Frome*, and *The Age of Innocence*, and Cather's *O Pioneers!*, *My Antonia*, and *Death Comes for the Archbishop*. Yet despite their perennial popularity and their status as major American novelists, Wharton (1862–1937) and Cather (1873–1947) have rarely been studied together. Indeed, critics and scholars seem to have conspired to keep them at a distance: Wharton is seen as “our literary aristocrat,” an author who chronicles the lives of the East Coast, Europe-bound elite, while Cather is considered a prairie populist who describes the lives of rugged western pioneers. These depictions, though partially valid, nonetheless rely on oversimplifications and neglect the striking and important ways the works of these two authors intersect. The first comparative study of Edith Wharton and Willa Cather in thirty years, this book combines biographical, historical, and literary analyses with a focus on place and aesthetics to reveal Wharton's and Cather's parallel experiences of dislocation, their relationship to each other as writers, and the profound similarities in their theories of fiction. Julie Olin-Ammentorp provides a new assessment of the affinities between Wharton and Cather by exploring the importance of literary and geographic place in their lives and works, including the role of New York City, the American West, France, and travel. In doing so she reveals the two authors' shared

concern about the culture of place and the place of culture in the United States.

O Pioneers!

Jean Marie Latour is a bishop who has been tasked with establishing the Roman Catholic church in New Mexico, which has just officially become a part of the United States. After a treacherous year-long journey to reach New Mexico, Latour finds some of the Mexican religious leaders less than welcoming. Intent on his goal, Latour works for the remainder of his life to build a solid religious foundation in the fledgling territory. Willa Cather was inspired to write *Death Comes for the Archbishop* by the life of Archbishop Jean-Baptiste Lamy who established the Saint Francis Cathedral in New Mexico between 1869 and 1886. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

The Cambridge Companion to Willa Cather

Lucy Gayheart

The Only Wonderful Things

Willa Cather was the 1922 winner of the Pulitzer Prize. Her breakthrough in literature were the three novels featured here in this edition, the so-called “Great Plains Trilogy”. All three novels stage in Nebraska and the surrounding Great Plains territory and deal with the life there, family challenges and romance. Included are: *O Pioneers!* *The Song of the Lark* *My Antonia*

Later Novels

The verse dramatization of the medieval murder of Thomas Becket at Canterbury by the winner of the Nobel Prize for Literature. The Archbishop Thomas Becket speaks fatal words before he is martyred in T. S. Eliot’s best-known drama, based on the murder of the Archbishop of Canterbury in 1170. Praised for its poetically masterful handling of issues of faith, politics, and the common good, T. S. Eliot’s play bolstered his reputation as the most significant poet of his time. It has been performed on stage, film, and television since 1935 and was the basis for the opera *Assassinio nella Cattedrale* by the

Italian composer Ildebrando Pizzetti.

Death Comes for the Archbishop

Noted scholar, student of New Mexican culture, and teacher Father Tom Steele has tracked down all the existing manuscript sermons of Jean Baptiste Lamy (1814-88), the first bishop of Santa Fe and the model for the title character of Willa Cather's novel *Death Comes for the Archbishop*. Lamy has been the subject of devotion, rumor, and attack for over a hundred years. In this new book Steele selects important and characteristic sermons and uses them to decipher the real Lamy, public and private. This book builds on previous scholarly work about Lamy, including Paul Horgan's *Lamy of Santa Fe*, and presents new information and insight based on Lamy's own writings. A fully searchable CD-ROM (for both PC and MAC) of Lamy's complete sermons in English and Spanish is also available.

Murder in the Cathedral

A first publication of the acclaimed writer's personal correspondences includes whimsical teenage reports of her 1880s Red Cloud life, letters written during her early journalism years and the 1940s exchanges penned in observation of World War II and her own struggles with aging. 20,000 first printing.

Death Comes

The Cambridge Companion to Willa Cather offers thirteen original essays by leading scholars of a major American modernist novelist. Willa Cather's luminous prose is 'easy' to read yet surprisingly difficult to understand. The essays collected here are theoretically informed but accessibly written and cover the full range of Cather's career, including most of her twelve novels and several of her short stories. The essays situate Cather's work in a broad range of critical, cultural, and literary contexts, and the introduction explores current trends in Cather scholarship as well as the author's place in contemporary

culture. With a detailed chronology and a guide to further reading, the volume offers students and teachers a fresh and thorough sense of the author of *My Ántonia*, *The Professor's House*, and *Death Comes for the Archbishop*.

Of Mice and Men: Teacher's Deluxe Edition

O Pioneers! is the first novel of Willa Cather's Great Plains trilogy, followed by *The Song of the Lark* and *My Ántonia*. *O Pioneers!* tells the story of the Bergsons, a family of Swedish-American immigrants in the farm country near the fictional town of Hanover, Nebraska, at the turn of the 20th century. The main character, Alexandra Bergson, inherits the family farmland when her father dies, and she devotes her life to making the farm a viable enterprise at a time when many other immigrant families are giving up and leaving the prairie.

Death Comes for the Archbishop

An atmospheric, transporting tale of adventure, love, and survival from the bestselling author of *The Snow Child*, finalist for the Pulitzer Prize. In the winter of 1885, decorated war hero Colonel Allen Forrester leads a small band of men on an expedition that has been deemed impossible: to venture up the Wolverine River and pierce the vast, untamed Alaska Territory. Leaving behind Sophie, his newly pregnant wife, Colonel Forrester records his extraordinary experiences in hopes that his journal will reach her if he doesn't return--once he passes beyond the edge of the known world, there's no telling what awaits him. The Wolverine River Valley is not only breathtaking and forbidding but also terrifying in ways that the colonel and his men never could have imagined. As they map the territory and gather information on the native tribes, whose understanding of the natural world is unlike anything they have ever encountered, Forrester and his men discover the blurred lines between human and wild animal, the living and the dead. And while the men knew they would face starvation and danger, they cannot escape the sense that some greater, mysterious force threatens their lives. Meanwhile, on her own at Vancouver Barracks, Sophie chafes under the social restrictions and yearns to travel alongside her husband. She does not know that the winter will require as much of her as it does her husband, that both her courage and faith will be tested to the breaking point. Can her exploration of nature through the new art of photography help her to rediscover her sense of beauty and wonder? The truths that Allen and Sophie discover over the course of that fateful year change both of their lives--and the lives of those who hear their stories long after they're gone--forever. "An epic adventure story that seems heir to the tradition of Melville's own sweeping and ambitious literary approach to the age-old struggle of humans versus nature . . . An absorbing and high-stakes read." -- Kathleen Rooney, *Chicago Tribune* An Amazon Best Book of the Year A Washington Post Notable Book A Goodreads Choice Award Nominee A Library Journal Top 10 Book of the Year A BookPage Best Book of the Year
