A Girl's Best Friend

Few objects can catch the fancy and capture the imagination quite as much as diamonds. Since their first discovery, these precious gems have inspired passion, evoked jealousy, and spurred conflict. Readers will study how diamonds are formed, extracted, and processed. Stunning sparkling photographs of the glittering gemstones add dimension to the book's comprehensive content. The book's relevant subject matter makes it a must-have for growing science enthusiasts studying elementary Earth science topics.

Black Diamonds Are a Girls Best Friend

When Brooklyn native Kennedy Owens moves to Orlando, Florida, her six best friends follow. The seven girls are enjoying their new life down south but are also dealing with a myriad of unpleasant life circumstances. Luckily, they have each other to lean on every step of the way. Unfortunately, there is an old friend back home in New York who isn't so much a friend but someone who wishes she were living the girls' lives instead of her own. Despite the fact that she stays behind in Brooklyn, Diamond Robinson begins to cause trouble for the seven friends. It's bad enough that she sets out to win Sky's husband, Fuji. But when Diamond hatches a plan to teach Portia what it means to live in the real world, she has taken it one step too far.

The espionage continues in New York City with the second book in this original heist series! Still smarting after their last run-in with the Rivals, the Jewels focus on their upcoming trip to the Big Apple. But the girls can't stop thinking about the cryptic letter they found, describing not one, but four precious gems that now need their protection! Even more confusing, the Jewels start receiving anonymous notes, one of which claims the Rivals will try to steal a diamond during their trip to New York City! But which one is it? Finding the right diamond in New York is like looking for a needle in a haystack. The Jewels get to work, using all their expertise to unravel the mystery of the secret letter and outsmart the Rivals, as a furious game of cat and mouse ensues across New York City. Will the Rivals rule again? Or can the Jewels conquer in quiz bowl AND stop a crime?

A Girl's Best Friend

On the outside, Ruby is a normal college student. On the inside? She is something else completely. Magic runs through her veins, tempting her to use it, but Ruby isn't sure how to control her new powers—especially since her mom passed away a few months before her powers emerged. When a dangerous (and handsome) man from another world identifies Ruby as a witch, he offers some answers, but they come with a cost. Not only does using her powers make her a target to others trying to steal her magic and slay her pet dragon, but each act of magic must be balanced—and magic takes whatever it wants. When Ruby becomes the obsession of an evil warlock, she must learn to use and control her magic before she loses everything she ever loved and after losing her mom, she's not sure if she'll survive more heartbreak. You'll love this new adult urban fantasy series because it has everything you want to read about: dangerous magic, out-of-control witches, lovable dragons, sweet romance, and a bit of good old-fashioned mischief.

Why are sex and jewelry, particularly rings, so often connected? Why do rings continually appear in stories about marriage and adultery, love and betrayal, loss and recovery, identity and masquerade? What is the mythology that makes finger rings symbols of true (or, as the case may be, untrue) love? The cross-cultural distribution of the mythology of sexual rings is impressive—from ancient India and Greece through the Arab world to Shakespeare, Marie Antoinette, Wagner, nineteenth-century novels, Hollywood, and the De Beers advertising campaign that gave us the expression, -Diamonds Are Forever.- Each chapter of *The Ring of Truth*, like a charm on a charm bracelet, considers a different constellation of stories: stories about rings lost and found in fish; forgetful husbands and clever wives; treacherous royal necklaces; fake jewelry and real women; modern women's revolt against the hegemony of jewelry; and the clash between common sense and conventional narratives about rings. Herein lie signet rings, betrothal rings, and magic rings of invisibility or memory. The stories are linked by a common set of meanings, such as love symbolized by the circular and unbroken shape of the ring: infinite, constant, eternal—a meaning that the stories often prove tragically false. While most of the rings in the stories originally belonged to men, or were given to women by men, Wendy Doniger shows that it is the women who are important in these stories, as they are the ones who put the jewelry to work in the plots.

From Tassie to the Top End, through the outback towns of Coober Pedy and Tennant Creek, to the coastal retreats of Fremantle, Cairns and Byron Bay and taking in the capital cities along the way, author- photographer David Darcy has traversed the length and breadth of the continent in search of women who have doggy tales to share. A Girl's Best Friend showcases a cross-section of women and their dogs, from all over the country and from all walks of life. Whether it's Nancy sitting in her humpy in the desert with her beloved Blacky, or Beccy taking time out to stroll the beach with Stevie or Margrit with Diamond amid the hustle of Melbourne's Chapel Street, all these women have one thing in common: a loving, compassionate bond with their dogs - who are not simply dogs, but members of the family, of course! The result is a series of wonderfully spontaneous and candid portraits of women and their canine companions - rescue dogs, family pets, working dogs or faithful guardians. Their stories are funny, powerful and heart-rending by turns and show us how strong are the ties that bind a girl to her best friend.

masters and one of the first directors to declare his independence from the major studios. He played Svengali to Lauren Bacall, Montgomery Clift, and others, but Hawks's greatest creation may have been himself. As The Atlantic Monthly noted, "Todd McCarthy. . . has gone further than anyone else in sorting out the truths and lies of the life, the skills and the insight and the self-deceptions of the work." "A fluent biography of the great director, a frequently rotten guy but one whose artistic independence and standards of film morality never failed." "The New York Times Book Review "Hawks's life, until now rather an enigma, has been put into focus and made one with his art in Todd McCarthy's wise and funny Howard Hawks." "The Wall Street Journal "Excellent. . . A respectful, exhaustive, and appropriately smartass look at Hollywood's most versatile director." "Newsweek

From beloved New York Times bestselling author Jenny Colgan, a heartwarming and hilarious comedy about a pampered London socialite forced to live life among the common folk. Sophie Chesterton is London's "It Girl". She knows all the right people, goes to all the right parties, and wears all the right clothes—and her rich parents pay for everything. But deep down she suspects that her best "friends"—and her posh lifestyle—are nothing but shallow fakes. Then one evening Sophie's life takes a shocking, drastic turn, and her father decides it's high time for the party girl to make her own way in the world. Forced to earn a meager living as a lowly assistant to a "glamour" photographer, live in a shabby flat with four smelly boys, and eat baked beans from the can—Sophie is desperate to get her old life back, at any cost. But does a girl really need diamonds to be happy? Full of warmth and sparkle, Diamonds are a Girl's Best Friend is a surprisingly winning tale about luxury, life lessons, and the surprisingly low cost of true happiness.
