Dreams of Gaia Tarot

Every legendary villain has a story of intrigue and a character ultimately more flawed and fascinating than his hero counterpart. These fallen angels are no exception - cast out from heaven, the subversive spirits in this deck have committed at least one of the seven deadly sins to secure their place in the legions of the damned. The cards in Nigel Suckling's oracle are similarly rich with experience, and devilishly direct - Zepar, the angel who makes women love men, reveals the complications of an affair; Gusion, who can discern the past, present and future, calls to let intuition rule; while Shax, who has the appearance of a stork, warns people to protect their wealth. Choose a card for daily insight, or lay them out for a reading. The accompanying book reveals the card's meaning, and explains each angel's history. The illustrations, by artist Sarah Perkins, have been specially commissioned to evoke the dark charm of these fascinating, mysterious creatures, all of whom offer a special message.

Self-Love Oracle

A “ playful, enlightening, and creative collection ” (Spirituality and Practice) of spiritual lessons, anecdotes, and thoughts on the Divine ’ s intervention in our lives, this brilliantly written and wonderfully entertaining book teaches us how to live purposefully and in line with the Force of Love. “ What if the Divine is constantly igniting roadside flares to get our attention? What if there actually is a Supreme Organizing Principle with an unbridled sense of humor? And what if we each have this ardent inner suitor who ’ s writing us love letters every day that often go unopened? ” Whether we know it or not, we all experience the touch of the Divine in our lives every single day. After twenty-five years spent consulting and advising tens of

thousands of people from all over the world, Tosha Silver realized that almost all of us have similar concerns: “ How do I stop worrying? How can I feel safe? Why do I feel so alone? ” and often, “ Who am I really? ” For the passionately spiritual and the bemusedly skeptical alike, she created *Outrageous Openness*. This delightful book, filled with wisdom and fresh perspectives, helps create a relaxed, trusting openness in the reader to discover answers to life ' s big questions as they spontaneously arise. *Outrageous Openness* opens the door to a profound truth: By allowing the Divine to lead the way, we can finally put down the heavy load of hopes, fears, and opinions about how things should be. We learn how to be guided to take the right actions at the right time, and to enjoy the spectacular show that is our life.
