It's amazing how 100 key words and phrases provide instant communication! Do you want to speak simple Thai but are too busy to study it? Are you visiting Thailand for a short time and want a Thai phrase book to help you communicate? If so, this Thai phrasebook is for you—it's the easiest and quickest way to learn Thai. It's tiny 0.4 x 4.1 x 5.9 inches size makes it incredibly convenient to travel with but without losing the most essential content for communication. The idea of Instant Thai is simple—learn 100 words and phrases and say 1,000 things. The trick is knowing which 100 words to learn, but the authors Stuart Robson and Prateep Changchit have solved the problem, choosing only those words you'll hear again and again. Even with a vocabulary this small, you'll be surprised how quickly and fluently you too can communicate in the Thai language. It also has an English-Thai dictionary, arranged alphabetically. At the end of the book are useful appendices for telling the time, kinship terms, some Thai proverbs, and emergency expressions. Here's a sample of what you'll be able to do with this Thai phrasebook: Meet people. Go shopping. Ask directions. Ride the subway. Order food and drinks. And much more. About this new edition: Instant Thai is now updated with 10% more content and fun manga-style illustrations and comics!

### Cambridge Learner's Dictionary with CD-ROM

"Thai for Intermediate Learners offers a natural continuation of Thai For Beginners. The two books provide a basic foundation in reading, writing, and speaking in the Thai language. Thai for Intermediate Learners teaches vocabulary, sentence structure and conversation while keeping the student interested with cultural facts such as Thai holidays, the provinces of Thailand, Thai food and common Thai names. Students using Thai for Intermediate Learners are expected to possess basic reading and writing skills and a vocabulary of about 400 commonly used words"--From the introduction to the accompanying book.

Learning a new script also presents a challenge, but most learners find it easier than they expect. The Thai script is used uniquely for Thai. Word order in Thai is similar to English. Basic grammar poses fewer problems than more familiar European languages because there are no verb or noun endings. This book provides flashcards for complete Thai alphabets, consonants, and vowels with colorful pictures. Also, more than 100 exercises for you to practice reading, tracing, writing, speaking as well as coloring on a daily basis. This way will help you easy to remember and speak Thai. This book is for student, children, kids or beginners level.

### Mini Thai Dictionary

A very popular book for learning basic Thai. Designed for either self-study or classroom use. It teaches all four language skills speaking, listening (when used in conjunction with the CDs), reading and writing. Offers clear, easy, step-by-step instruction, building on what has been previously learned. Used by many language schools in Thailand and Thai temples in America. Two CDs follow along with lessons in the book.

The King James Bible for ebook readers, desktops, tablets and phones. Including Old Testament and New Testament, this is a wonderful tool that keeps the scriptures at your fingertips. The translation that became the Authorized King James Bible was begun in 1604 and in 1611 was published by the Church of England, under the direction of King James. The translation was done by forty-seven Church of England scholars, the New Testament coming from the Greek Textus Receptus (Received Text), the Old Testament from the Masoretic Hebrew text, and the Apocrypha from the Greek Septuagint (LXX), except for two Esdras from the Latin Vulgate.

### The Ultimate Thai Language Alphabet Vowels Poster with Worksheet for Tracing and Writing Beginners

Do you want to perfect your Thai handwriting? Do you need a trustworthy resource to teach your small children to trace the Thai alphabet? Then this workbook is the perfect companion for your studies. In it, you'll find all the Thai consonants and vowels, including the both the Traditional and the Modern versions of each letter. Your benefits: Clear large letters make it easy to recognize even the most detailed of the Thai characters and diacritics. Detailed stroke order instructions provide you with a strong foundation to build your skills in both the traditional and the modern writing styles. Dedicated "Trace and Learn" sections are designed to imprint proper stroke technique unto your muscle memory. Font variations train your brain to recognize alternative character styles. As a bonus, for each character, you'll find an extra 8.5 x 11 inches page fully dedicated to the handwriting practice of that letter with and without guiding background light-gray letters. Feel free to photocopy these bonus pages as you wish to extend the lifetime value of your workbook. Special information: Like all Lang Workbooks, this work is also a labor of love. Accordingly, if you are a teacher, a student of Thai, or homeschooling your children, then you can photocopy any part of this workbook for your own, or your students, personal use. Learning to write the Thai script by heart has never been made easy.

### Essential Thai

Everyday Thai for Beginners is a language textbook that lays the essential groundwork for mastering authentic spoken Thai. The textbook provides an introduction to the basics of communication using Central Thai vocabulary and idioms. Professor Wiworn Kesavatana-Dohrs has developed and perfected the methods and materials used in this volume over her many years of Thai language instruction at the University of Washington. The course book has proved effective in teaching university students, and it can be used more widely in a variety of teaching and learning contexts. Organized into a total of seven units and thirty thematic lessons, the book is designed to be used for a one-year study of Thai, taking a total of thirty weeks and 150 hours to complete. Basic Thai reading and writing ability is assumed from the outset in order to avoid using transliteration systems that hinder the mastery of correct pronunciation and intonation. Accompanying the book is an easy-to-use CD containing recordings of the vocabulary and drills in MP3 format.

### 3-Minute Thai

This second edition of Thai: An Essential Grammar provides an up-to-date and concise reference guide to Thai grammar. Using clear, jargon-free explanations, it sets out the complexities of Thai in short, readable sections and presents an accessible description of the language. Focus is kept on the real patterns of use today and grammar forms are demonstrated through a wide range of relevant examples. No prior knowledge is assumed on the part of the reader. Features include: Coverage of crucial topics, such as sentence particles, negation, questions and quantification Examples given in both Thai script and romanised transliteration Pronunciation section Guidance on speech conventions and the Thai writing system Glossary of grammatical terms Two appendices covering Romanisation systems and three key verbs Bibliography This unique reference work will prove invaluable to all learners looking to master the grammar of Thai. It is ideal either for independent study or for students in schools, colleges, universities and adult classes of all types.
