deck introduces us to classic forest archetypes--including the Green Man and Woman, Archer, and Blasted Oak--and explains how to use them as a meditation system, divinatory oracle, or reference. Will Worthington's powerful pagan images connect us with a long-lost world that can help us make sense of our own.

### Witches Tarot

Deborah Blake's *Modern Witchcraft* is a guidebook to witchcraft as a female-empowering religion, including detailed instructions on how to practice self-care in today's society through goddess worship and magic. In a time when most formal religions are on the wane, Wicca is said to be the fastest growing religion in North America. What is it that draws people to Witchcraft, and how does a spiritual path with its roots in ancient beliefs and traditions transform itself into a practice that resonates so deeply with today's modern woman? There are a number of explanations for the phenomenon, such as Witchcraft's connection to the natural world, or acceptance of members regardless of lifestyle choices. For women, however, the greatest appeal may be the worship of a goddess (or goddesses). No stern patriarchal God here. Instead, Wicca and most other forms of modern Witchcraft embrace deity in both the feminine and the masculine. Suddenly, women can look at the divine and see themselves reflected back. In addition, many women are frustrated, frightened, triggered, and down-right furious with the current social and political environment, but feel powerless to create positive change. Witchcraft can give them a sense of personal empowerment. There are many different Witchcraft paths and a multitude of approaches to its practice. This book will guide the reader

on the journey to connecting with the feminine divine both without and within, and open the door to this magical religion that will enlighten, uplift, and energize their lives.

Break out your broomstick, and add a spark of magick to every day! Do stuffy academic tomes on Witchcraft make you want to hide in your broom closet or cast a boredom-banishing spell? Now you can get the low-down on everything you ever wondered about Witchcraft, and it's as simple as A, B, C—sprinkled throughout with humor, flair, and a healthy dose of Witchy wisdom. Unique and fun for everyone, *Everyday Witch A to Z* invites you to dip into a delightful medley of magickal essentials. Whether you're just setting out on the path or looking to add extra zest to your practice, this friendly book on Witchcraft is for you. From creating and casting spells to working with stones and herbs, you will learn how magick works, what Witches do, and how you can incorporate Witchcraft into your daily life. Even *Magic the Cat*, the author's magickal familiar, lends a playful paw with spells and wise words of her own!

What makes this book unique? The world of the gray witch has been largely avoided, misrepresented, or glossed over with various books geared gingerly towards 'protection magic'. These books, though informative and well written as they may be, have totally missed the spirit of the gray witch – who she really is, how she relates to the world of shadow and light, and exactly what she's willing to do to stand her ground. In our society 'dark' is automatically viewed as 'evil'; and 'light' is automatically viewed as 'good'. We're expected to live completely within one realm and to totally avoid the other. This creates imbalance and is a great injustice to the true spirit of the ancient wise woman. This book puts matters to right and gives the public a view of just what the gray witch is – and what she isn't. The gray witch does not live in a world of chaos or unbridled black magic. She has a code of honor, a sense of propriety, and a relevance in today's society.

## The Language of Tarot

Walk your personal Pagan path with grace and wisdom, integrating a spiritual practice into your life in just a few minutes per week. Simple, fun, and easy to follow, *Everyday Witchcraft* shows that, no matter how busy or hectic life is, even small acts can add meaning and depth to your life. This remarkable book is filled with creative ideas and a variety of quick yet significant ways to connect with the rhythms of nature each day, not just on sabbats or the full moon. Make your home into a magickal place, work with the God and Goddess on a regular basis, and discover the magickal power of animals. From five-minute rituals and “hibernation vacations” to mini daily divinations, you can easily make the wisdom and practice of Witchcraft an enriching part of everyday life. Praise: “This is a book that deserves a place on all shelves for it is pertinent not only to the Pagan-inclined but to all who look to better their lives.”—Raymond Buckland, author of *Buckland’s Complete Book of Witchcraft* “A must-have for any Witch looking to evolve their practice from a mere study of the Craft into a fully fledged

lifestyle.”—Melanie Marquis, author of *A Witch's World of Magick* and *The Witch's Bag of Tricks*

### Everyday Witch A to Z

A spellbinding new novel from the author of the Baba Yaga novels. Since Witches came out of the broom-closet in the early 21st century, they have worked alongside humans as police officers, healers, stock traders, and more. But they aren't the only paranormal entities in our world. Police officer and Witch Donata Santori spends her days interrogating dead witnesses by summoning their spectral forms. Normally the job is little more than taking statements and filing reports. But when she's called in on the case of a murdered art restorer, she finds herself suddenly in possession of a mystical portrait that both the human and paranormal communities would kill to get their hands on. Unable to take on the forces hunting her alone, Donata seeks help from two unlikely and attractive allies: a reluctant shape-changer and a half-dragon art forger. But as the three of them hurry to uncover the truth about the powerful painting, Donata realizes that she's caught in the middle of not one but two wars—one for possession of the painting's secrets and one for possession of her heart. Includes an exclusive preview of the next Baba Yaga novel, *Wickedly Powerful*. Praise for Deborah Blake and her novels “Paranormal romance at its best.”—Alex Bledsoe, author of *Long Black Curl* “Wonderfully imaginative.”—Harlequin Junkie “Fast-paced and addicting.”—Fresh Fiction
