Emma and Her Nurse, Or, The History of Lady Harewood

A Book of Love

Gleason's Pictorial Drawing-room Companion

Two years after Emma Woodhouse married Mr Knightley and they have settled into loving, if not quite passionate, matrimony; Emma is bored. To amuse herself, Emma decides to take up matchmaking again, whether her husband will have it or not. But this time Emma is playing for dangerously high stakes. Recently widowed John Knightley, her brother-in-law, is in need of a wife, so when a fascinating French woman enters Highbury society, Emma sees a golden opportunity. Eliza d'Arbly is of French aristocrat whose parents fled the French Revolution. Beautiful, intriguing and romantic, Emma deems her to be the perfect match for John. But as Eliza charms Highbury society, John isn't the only one who falls deeply in love with her passion awakes in Emma that she never would have expected.

Emma Mae Jenkins, a young writer, has inspired many with the

freedom she has to be herself--a dearly loved child of God. In her first book, *Be Loved*, she invites readers to join her on a journey of life-changing faith and the freedom that comes from knowing the love of God. She chronicles her own high school journey through starting a new school, navigating the typical pressures of school work and sports, going to prom, and even homecoming. Emma Mae faced each new challenge with the confidence that God was with her and was going to make her uniquely useful in the place he had prepared for her. For Emma Mae, it all starts with her relationship with Jesus. Because she knows she is loved by him, she is free to be herself and to live out her faith no matter what the cost. As a young, passionate, and intimate lover of Jesus, Emma Mae's love for her Savior overflows unashamedly into her unconditional, fierce love for people. Readers will experience the chain-breaking liberty of knowing the Lord's presence and the freedom to be unique. This full-color, hardback book includes pictures from Emma Mae's life, along with key Bible verses that God used to strengthen and guide her through the ups and downs of her high school years. Readers will learn to face th(more)

Emma Livingston, the Infidel's Daughter; Or

‘ I wait for his boots to drop. They fall on Floor, one thump, two thumps, that ’ s how I know he ’ s going to get into Bed with Ma now and make it squeak. I count the squeaks because I ’ m excellent at numbers. I have to count, I can ’ t lose count, if I lose count I don ’ t know what. 1, 2, 3, 4, 5, 6, 7, 8, 9, 10 ’ Kidnapped as a teenage girl, Ma has been locked inside a purpose built room in her captor ’ s garden for seven years. Her five-year-old son, Jack, has no concept of the world outside and happily exists inside Room with the help of Ma ’ s games and his vivid imagination where objects like Rug, Lamp and TV are his only friends. But for Ma the time has come to escape and face their biggest challenge to date: the world outside Room.

Memoirs of Emma, Lady Hamilton

When your life is built around a father ' s wrath, how can you trust in the love of Father God? Mercy Roller knows her name is a lie: there has never been any mercy in her young life. Raised by a twisted and abusive father who called himself the Pastor, she was abandoned by the church community that should have stood together to protect her from his evil. Her mother, consumed by her own fear and hate, won ' t stand her ground to save Mercy either. The Pastor has robbed Mercy of innocence and love, a husband and her child. Not a single person seems capable of standing up to the Pastor ' s unrestrained evil. So Mercy takes matters into her own hands. Her heart was hardened to

love long before she took on the role of judge, jury, and executioner of the Pastor. She just didn't realize the retribution she thought would save her, might turn her into the very thing she hated most. Sent away by her angry and grieving mother, Mercy's path is unclear until she meets a young preacher headed to counsel a pregnant couple. Sure that her calling is to protect the family, Mercy is drawn into a different life on the other side of the mountain where she slowly discovers true righteousness has nothing evil about it—and that there might be room for her own stained and shattered soul to find shelter. . . and even love. Mercy's Rain is a remarkable historical novel set in 19th century Appalachia that traces the thorny path from bitterness to forgiveness and reveals the victory and strength that comes from simple faith.

Mercy's Rain

Prepare your heart and home to serve not only family and friends, but neighbors and strangers too! Make any space a haven of discipleship, connection, and comfort. As Christians, we sometimes forget the power of an open door to a lost world. Using our homes to live out our faith in the true model of the Great Commission is challenging in our busy, over-scheduled lives. But having a home that is always open and available is key to living in community with others and being missional in our thinking. In this beautiful and inspiring book, wife, mom, and interior design enthusiast Victoria Duerstock offers simple and inspiring ways to prepare our hearts and homes to be open to friends, neighbors, and strangers. You don't need an immaculate or professionally decorated home to be hospitable. In fact, there is beauty in being honest with others about our lived-in spaces, and great value in being humble enough to live life together in the midst of imperfection. But it'll be a blessing to you and to your guests to create a space that reflects the beauty, peace, and joy of life in Christ. Whether you have a tiny apartment or a big old farmhouse, you can learn how to: Declutter common areas Bring hygge to your guest room (or even

just to your couch, if that's all you've got!) Create a peaceful, welcoming atmosphere Schedule in regular housecleaning Prepare freezer meals for no-stress last minute dinners More importantly, be encouraged to have your heart in the right place, to engage in meaningful discussion with guests, and to take time to be a "Mary" in our works-driven "Martha" culture. Allow the Holy Spirit to overflow from your heart into your homes and community as you let your guard down and invite people into your lives.

Crazy Love

Memoir of Emma, Lady Hamilton

In this contemporary romcom retelling of Jane Austen 's Emma by USA TODAY bestselling author Jillian Cantor, there 's nothing more complex—or unpredictable—than love. When math genius Emma and her coding club co-president, George, are tasked with brainstorming a new project, The Code for Love is born. George disapproves of Emma 's idea of creating a matchmaking app, accusing her of meddling in people 's lives. But all the happy new couples at school are proof that the app works. At least at first. Emma 's code is flawless. So why is it that perfectly matched couples start breaking up, the wrong people keep falling for each other, and Emma 's own feelings defy any algorithm?

Emma

Love, Anarchy, & Emma Goldman

Two years after Emma Woodhouse married Mr Knightley and they have settled into loving, if not quite passionate, matrimony; Emma is

Little attention has been paid to Emma Jung's role in the history of analytical psychology and in the life of C. G. Jung. This extended biographical essay by Imelda Gaudissart, originally published in French, provides us with a carefully detailed view of this remarkable woman. Gaudissart's sensitive depiction of Emma Jung reveals a very real woman confronted with an unexpected life and challenged to develop in ways that, for a wife and mother of that period, were almost unimaginable. She worked closely with her husband, C. G. Jung, and Sigmund Freud, becoming herself an analyst, and she was instrumental in establishing the earliest institutions for analytical psychology. The issues Emma Jung faced on her path to individuation will resonate with those of many women today. The importance of Emma Jung in the life of C. G. Jung has often been either taken for granted or underestimated, and her rightful place in the history of analytical psychology has rarely been given serious consideration. Imelda Gaudissart has managed to correct this imbalance and to provide us with a highly nuanced portrayal of this remarkable woman without falling into idealization or caricature. Any understanding of Jung is incomplete without an understanding of Emma's contribution. I highly recommend this book. Tom Kelly, past president of the International Association for Analytical Psychology The psychodynamics of the relationships between Emma, Carl, Sabina, and Toni are fascinating, and Emma's composure and contributions under such difficult circumstances are miraculous. This is a story about the amazing varieties of love in this world always combined, sooner or later, with some sort of a pain but always stronger in the end. Beyond therapists and historians of psychology, this book serves all who want to grow, but who are sometimes frustrated by the trials of life. Emma's achievements have so much to teach us. John Cerullo, professor of

history, University of New Hampshire at Manchester Imelda Gaudissart has the great merit of having molded the biographical material about Emma Jung-Rauschenbach into an interesting and moving essay. She helps to keep alive the memory of this remarkable, brave, and generous woman, my beloved grandmother. Jost Hoerni, one of Emma Jung's nineteen grandchildren Imelda Gaudissart has a master's in psychopathology and has been a Jungian analyst for more than thirty years. She is the coauthor, with her husband Pierre, of a new translation of the I Ching. Married and head of a large family, she lives in Tours, on the Loire Valley. Kathleen Llanwarne, English by birth, now lives in Brussels where she has worked as a translator for thirty years. Her interest in the work of C. G. Jung and in Jungian analysis dates back even further. "

The Life of Emma Willard

Celebrate love with this rhyming picture book featuring enchanting illustrations and poetic text! Love and the many ways one can show it are at the heart of this sweet, charming picture book. Whether it's giving someone a big hug, offering a helping hand, or sharing words of encouragement, it's these gestures that make the world a better place to live. Emma Randall's delicate and appealing illustrations accompany delightful verses in a timeless story perfect for reading aloud with loved ones.

The Life and Professional Career of Emma Abbott

“ What this remarkable book does . . . is to remind us of that passion, that revolutionary fervor, that camaraderie, that persistence in the face of political defeat and personal despair so needed in our time as in theirs. ” —Howard Zinn “ Fascinating With marvelous clarity and depth, Candace Falk illuminates for us an Emma Goldman shaped by her time yet presaging in her life the situation and conflicts of women

in our time. ” —Tillie Olsen One of the most famous political activists of all time, Emma Goldman was also infamous for her radical anarchist views and her “ scandalous ” personal life. In public, Goldman was a firebrand, confidently agitating for labor reform, anarchism, birth control, and women ’ s independence. But behind closed doors she was more vulnerable, especially when it came to the love of her life. Reissued on the sesquicentennial of Emma Goldman's birth, *Love, Anarchy, & Emma Goldman* is an account of Goldman ’ s legendary career as a political activist. But it is more than that—it is the only biography of Emma Goldman. The flow of her life and words is at its core. Here, Candace Falk offers an intimate look at how Goldman ’ s passion for social reform dovetailed with her passion for one man: Chicago activist, hobo king, and red-light district gynecologist Ben Reitman. This takes us into the heart of their tumultuous love affair, finding that even as Goldman lectured on free love, she confronted her own intense jealousy. As director of the Emma Goldman papers, Falk had access to over 40,000 writings by Goldman—including her private letters and notes—and she draws upon these archives to give us a rare insight into this brilliant, complex woman ’ s thoughts. The result is both a riveting love story and a primer on an exciting, explosive era in American politics and intellectual life.

Aunt Emma's Story of the Harrises

Love and Sacrifice

The Code for Love and Heartbreak

Amy has a fairy tale life planned out for herself. The only problem is life has an entirely different plan for her. Amy is about to graduate from high school and is a few months shy of her eighteenth birthday. She is

planning to attend State in the fall, with her boyfriend Mitch, and has her life all planned out. The only problem is that life has an entirely different plan for her. A story of one girl and what happens when she graduates high school. Excerpt: Dragging my feet as I walk, I leave my room and head downstairs to face the firing squad. I step into the kitchen and my parents stop mid sentence and look at me. It ' s a weird feeling, almost like I ' m a toy that is being inspected for faults. They are trying to decide if I pass and get to move on with my existence or I fail and get tossed to the bottom of a trash bin. Dad motions for me to take a seat across the table from him. My mom gets up and stands at the sink, looking out the window. I can already tell this isn ' t going to be good. I hang my head and wait for it to begin.

“ Where were you? ” I swallow and turn to my dad. He looks disappointed, but compared to the look on my mother ' s face, he looks calm and collected. I shouldn ' t be surprised, he ' s always been the one who steadies the ship when the waves start. “ I... I went to Mitch ' s house. ” My mom starts to cry. I instantly feel bad, even though I ' m not sure why my sneaking out would cause her to be upset emotionally. I get that she ' s mad, however, this is not the response I was expecting. Why would me going to Mitch ' s house make her cry? It really makes no sense. My dad lets out a deep sigh and drums his fingers on the table. “ What were you doing there? ” I wrestle with telling them the truth. They are going to be pissed either way. Maybe I should just tell them about State. I take a deep breath and ready myself, emotionally, to deal with the slew of questions and judgment that is sure to follow. Series Keywords: YA series, coming of age series, free YA romance, high school romance.
