The Gem of the Season

From the New York Times bestselling author "The third in a stupendous series a novel worth staying up all night to reach the end." New York Journal of Books When Chief of Police, Kate Burkholder, is called to a farm in the Amish community of Painter's Creek, nothing could prepare her for the horror and tragedy she encounters. Solly and Rachel Slabaugh, and his brother Abel, have drowned in the hog pit leaving the four children as orphans. As the investigation progresses, it seems that the Slabaugh deaths were not an accident, and the case suddenly becomes a murder enquiry. Agent John Tomasetti and Kate have worked together before, and now he is called back to Painter's Creek to help seek out the perpetrators of what appear to be serious hate crimes against the Amish. MORE PRAISE FOR LINDA CASTILLO "Absolutely stunning . . . A perfectly crafted thriller" Lisa Scottoline "Think the movie Witness and add just a touch of the Coen brothers' Fargo and you have the feel for this brilliant, nail-biting thriller" Daily Mail "Continues to explore the Amish way of life with a fast-paced mystery" Kirkus Reviews

"Another knock-out job. I love this series." Alex Kava The sound of a scream in the early morning dawn leads to a case that will change Kate Burkholder's life irrevocably When the police arrive at the Amish farmstead in Painters Mill they can't imagine the horror that awaits them. An entire family slaughtered: the men shot, the young women tortured and killed. The Amish are peace-loving, gentle folk and the town is shocked by what appears to be a particularly brutal - and random killing. But is it random? Every family has its secrets. Kate knows that better than anyone. And as she and Agent John Tomasetti dig deeper into the victims lives they discover a young woman who was living a lie. A girl who had to live in silence. With her own past resonating - Kate knows she has to maintain some distance. From the case, and from Tomasetti. She knows what could happen if she gets too close. But when she puts herself in the line of fire - she realizes that, this time, there may be no going back. PRAISE FOR LINDA CASTILLO "Absolutely stunning . . . NAMED A BEST BOOK OF 2017 BY NPR "For anyone facing dementia, [Saunders'] words are truly enlightening. Inspiring lessons about living and thriving with dementia."---Maria Shriver, NBC's Today Show A "courageous and singular book" (Andrew Solomon), Memory's Last Breath is an unsparing, beautifully written memoir--"an intimate, revealing account of living with dementia" (Shelf Awareness). Based on the "field notes" she keeps in her journal, Memory's Last Breath is Gerda Saunders' astonishing window into a life distorted by dementia. She writes about shopping trips cut short by unintentional shoplifting, car journeys derailed when she loses her bearings, and the embarrassment of forgetting what she has just said to a room of colleagues. Coping with the complications of losing short-term memory, Saunders, a former university professor, nonetheless embarks on a personal investigation of the brain and its mysteries, examining science and literature, and immersing herself in vivid memories of her childhood in South Africa.

When an Amish teenager disappears, it's only the beginning . . . 'Becca slogged through a deep drift and stumbled toward the front of the shanty. A padlock hung from the hasp, but it wasn't engaged. Shaking with cold, she shoved open the door. The interior was dark and hushed. The air smelled of kerosene and fish. Out of the wind, it was so quiet she could hear the ice creaking beneath her feet. Her breath puffing out in clouds of white vapour, she pulled out the candle and matches she'd brought from home and lit the wick. The light revealed a small interior with plywood walls and a shelf covered with fish blood and a smattering of silver scales. A lantern sat on the shelf. A coil of rope hung on the wall . . .'

Three teenagers have vanished from Ohio's Amish country. The only thing they have in common, other than their religion, is they are keen to leave the Plain Life. Chief of Police Kate Burkholder is called in to consult by Agent John Tomasetti as her Amish roots will be invaluable in an investigation involving this sectarian society. They travel to the small town of Monongahela Falls to investigate the latest disappearance - that of seventeen-year-old Annie King. The only evidence left behind is a satchel - and a pool of blood. The case moves closer to home for Kate when a young relative, Sadie Miller, vanishes. With her own past resonating, Kate delves into the lives of the missing teens. Soon, a sinister pattern emerges along with a vital clue that changes everything. While following up on a lead, Kate makes an appalling discovery and unearths a secret no one could have imagined--thrusting her into a fight to the death with a merciless killer.

The Dead Will Tell

Some secrets are too terrible to reveal . . . Some crimes are too unspeakable to solve . . . Painter's Creek, Ohio may be a sleepy, rural town with both Amish and 'English' residents, but it's also the place where a series of brutal murders shattered the lives of an entire community over a decade ago. When the killing stopped, it left in its aftermath a sense of fragility, and for the young Amish girl, Katie Burkholder, a realization that she didn't belong. Now, 15 years, two dead parents and a wealth of experience later, Katie has been asked to return as Chief of Police. Her Amish background combined with her big-city law enforcement expertise make her the perfect candidate. Katie is certain she has come to terms with the past. Until the first body of a slaughtered young woman is found in a pristine, snowy field

Pray for Silence: A Kate Burkholder Novel 2

Katie focuses her mind, trying to keep another anxiety attack at bay. The victim's long brown hair is slick and wet, her body rigid in the grass. She looks more like a mannequin than the woman Katie had spoken with only yesterday, the woman she had promised to protect... When a cold, naked body is discovered by a couple on a jog through the lush woodlands of Pine Valley, California, new recruit Detective Katie Scott is stunned to discover the victim is Amanda Payton - a much-loved local nurse and the woman at the heart of an unsolved case she's been investigating whilst getting a grip on her crippling PTSD. Weeks earlier, Amanda had run, battered and bruised, out into the headlights of a passing patrol car. She claimed to have just escaped a kidnapping, but with no strong evidence, the case went cold. The Pine Valley police made a fatal mistake... Katie is certain the marks on Amanda's wrists complete a pattern of women being taken, held captive and then showing up dead in remote locations around Pine Valley - and she won't let someone die on her watch again. But then a beautiful office worker with a link to the hospital where Amanda worked goes missing. With only days before the next body is due to show up, can Katie make amends for her past by saving this innocent life? Totally gripping crime fiction for fans of Lisa Regan, Rachel Caine and Melinda Leigh. Nothing will prepare you for this nail-biting roller-coaster ride...
