### Lose Your Mother

THE TRUE STORY OF A JOURNEY TO A FANTASTIC LAND WHAT WOULD HAVE HAPPENEDIf Lewis Carroll had proclaimed the reality of Alice's Wonderland? What if he had gathered a following and launched an expedition? IT WAS THE EARLY 1960s. The place, a far-off corner of the Himalayas long fabled in Tibetan tradition to be hiding a valley of immortality among its peaks and

glaciers--a real-life Shangri-La. They waited generations for the prophesied lama to come, the one with the secret knowledge of how to 'open' the Hidden Land. Then, one day, he came. His name was Tulshuk Lingpa. THIS BOOK TELLS THE TRUE STORY of this charismatic visionary lama and his remarkable expedition. Against the wishes of the kings of both Sikkim and Nepal, he and over three hundred followers ventured up the snowy slopes of the third highest mountain of the planet. Their aim: to open a crack in the very fabric of reality and go to a land we would all wish to inhabit if it were only there--a land of peace and concord. FORTY YEARS LATER, the author spends over five years tracking down the surviving members of this extraordinary expedition. He deftly weaves their stories together with humor, wisdom, and scholarly research into Tibetan traditions of Hidden Lands, all the while reflecting on what this means for the rest of us. "LIKE NO OTHER BOOK I have ever read a riveting tale of adventure honest to the real spirit of Tibet both unique and intriguing an engrossing read. Highly recommended." JETSUNMA TENZIN PALMO, from the Foreword From Tulshuk Lingpa's Guidebook to the Hidden Land: "DON'T LISTEN TO ANYBODY. Decide by yourself and practise madness. Develop courage for the benefit of all sentient beings. Then you will automatically be free from the knot of attachment. Then you will continually have the confidence of fearlessness and you can then try to open the Great Door of the Hidden Place." FIRST PUBLISHED BY PENGUIN 2011. CITY LION PRESS EDITION 2017. THIS EDITION IS NOT FOR SALE IN SOUTH ASIA, MALAYSIA, OR SINGAPORE

## Journey of Souls

A powerful novel in verse about an early women's rights pioneer and the journey to Cuba that transformed her life. When Fredrika Bremer asked the Swedish Consulate to find her a quiet home in the Cuban countryside, she expected a rustic thatched hut, not this luxurious mansion in Matanzas, where Elena, the daughter of the house, can barely step foot outside. The freedom to roam is something that women and girls in Cuba do not have. Yet when Fredrika sets off to learn about the people of this magical island, she is accompanied by Cecilia, a young slave who longs for her lost home in Africa. Soon Elena sneaks out of the house to join them. As the three women explore the lush countryside, they form a bond that breaks the barriers of language and culture. In this quietly powerful new book, which is young adult historical fiction based on a true story, award-winning poet Margarita Engle paints a portrait of early women's rights pioneer Fredrika Bremer and the journey to Cuba that transformed her life. The Firefly Letters is a story about a little-known early feminist. It's a Pura Belpré Honor Book for Narrative and a Bank Street - Best Children's Book of the Year, by Margarita Engle, the Newbery Honor winning author of The Surrender Tree, The Poet Slave of Cuba, Hurricane Dancers, Tropical Secrets, and many other books. A Pura Belpré Honor Book An American Library Association Notable Children's Book A Bank Street Best Children's Book of the Year "Like the firefly light, Engle's poetry is a gossamer thread of subtle beauty weaving together three memorable characters who together find hope and courage. Another fine volume by a master of the novel in verse." -Kirkus Reviews, starred review "This slim, elegant volume opens the door to discussions of slavery, women's rights, and the economic disparity between rich and poor." -Publishers Weekly "Through this moving combination of historical viewpoints, Engle creates dramatic tension among the characters, especially in the story of Elena, who makes a surprising sacrifice." -Booklist "This engaging title documents 50-year-old Swedish suffragette and novelist Fredrika Bremer's three-month travels around Cuba in 1851. . . . The easily digestible, poetic narrative makes this a perfect choice for reluctant readers, students of the women's movement, those interested in Cuba, and teens with biography assignments." —School Library Journal "The author has a gift for imbuing seemingly effortless text with powerful emotions. . . . This uncommon story will resonate." —The Bulletin "The imagistic, multiple first-person narrative works handily in revealing Bremer, an alert and intelligent woman in rebellion against her background of privilege." —The Horn Book

Sohrab Ahmari was a teenager living under the Iranian ayatollahs when he decided that there is no God. Nearly two decades later, he would be received into the Roman Catholic Church. In *From Fire, by Water*, he recounts this unlikely passage, from the strident Marxism and atheism of a youth misspent on both sides of the Atlantic to a moral and spiritual awakening prompted by the Mass. At once a young intellectual's finely crafted self-portrait and a life story at the intersection of the great ideas and events of our time, the book marks the debut of a compelling new Catholic voice.

As one of the most celebrated musicians of our time, Alicia Keys has enraptured the nation with her heartfelt lyrics, extraordinary vocal range, and soul-stirring piano compositions. Yet away from the spotlight, Alicia has grappled with private heartache over the challenging and complex relationship with her father, the people-pleasing nature that characterized her early career, the loss of privacy surrounding her romantic relationships, and the oppressive expectations of female perfection. Since her rise to fame, Alicia's public persona has belied a deep personal truth: she has spent years not fully recognizing or honoring her own worth. After withholding parts of herself for so long, she is at last exploring the questions that live at the heart of her story: Who am I, really? And once I discover that truth, how can I become brave enough to embrace it? *More Myself* is part autobiography, part narrative documentary. Alicia's journey is revealed not only through her own candid recounting, but also through vivid recollections from those who have walked alongside her. The result is a 360-degree perspective on Alicia's path: from her girlhood in Hell's Kitchen and Harlem, to the process of self-discovery she's still navigating. In *More Myself*, Alicia shares her quest for truth: about herself, her past, and her shift from sacrificing her spirit to celebrating her worth. With the raw honesty that epitomizes Alicia's artistry, *More Myself* is at once a riveting account and a clarion call to readers: to define themselves in a world that rarely encourages a true and unique identity.

"Written with primal intensity, touched with redeeming compassion, Rudy Wiebe--has explored our history, our roots and the secrets of our hearts with moral seriousness and great feeling." Governor General's Award for Fiction Citation, 1994 A powerful, major work of non-fiction, beautifully written, from the twice winner of the Governor General's Award for Fiction, and the great-great-granddaughter of Big Bear. This is a story about justice, and terrible injustices, a story about a murder, and a courtroom drama as compelling as any thriller as it unravels the events that put Yvonne Johnson behind bars for life, first in Kingston's Federal Prison for Women until the riot that closed it, and presently in the Okimaw Ochi Healing Lodge in the Cypress Hills. But above all it is the unforgettable true story of the life of a Native woman who has decided to speak out and break the silence, written with the redeeming compassion that marks all Rudy Wiebe's writing, and informed throughout by Yvonne Johnson's own intelligence and poetic eloquence. Characters and events spring to life with the vividness of fiction. The

story is told sometimes in the first person by Rudy Wiebe, sometimes by Yvonne herself. He tracks down the details of Yvonne's early life in Butte, Montana, as a child with a double-cleft palate, unable to speak until the kindness of one man provided the necessary operations; the murder of her beloved brother while in police custody; her life of sexual abuse at the hands of another brother, grandfather and others; her escape to Canada - to Winnipeg and Wetaskiwin; the traumas of her life that led to alcoholism, and her slow descent into hell despite the love she found with her husband and three children. He reveals how she participated, with three others, in the murder of the man she believed to be a child abuser; he unravels the police story, taking us step by step, with jail-taped transcripts, through the police attempts to set one member of the group against the others in their search for a conviction - and the courtroom drama that followed. And Yvonne openly examines her life and, through her grandmother, comes to understand the legacy she has inherited from her ancestor Big Bear; having been led through pain to wisdom, she brings us with her to the point where she finds spiritual strength in passing on the lessons and understandings of her life. How the great-great-granddaughter of Big Bear reached out to the author of *The Temptations of Big Bear* to help her tell her story is itself an extraordinary tale. The co-authorship between one of Canada's foremost writers and the only Native woman in Canada serving life imprisonment for murder has produced a deeply moving, raw and honest book that speaks to all of us, and gives us new insight into the society we live in, while offering a deeply moving affirmation of spiritual healing.

### **A Step Away from Paradise**

The author came to the decision to embark on this journey into dialogic pedagogy when he firmly realised that education is essentially dialogic. It is not that pedagogy should be dialogic -- he rather argues that it is always dialogic. This is true whether the participants in it, or outside observers of it, realise it or not -- and even when the participants are resistant to dialogue. This statement is in contrast with views that promote dialogic interaction in the classroom as a form of instruction. This conceptualisation contrasts with views that dialogic interaction or conversational instruction are more effective instructional means in comparison to, let's say, a more monologic genre of instruction such as a lecture or a demonstration. This statement is also in contrast with views that assume dialogue is a pedagogical instrument that can be turned on and off. He argues that whatever teachers and students do (or not do) whether in their classrooms or beyond it, they are locked in dialogic relations.

Peaceful Journey examines the spiritual issues facing terminally ill patients and their families. Each chapter introduces the reader to a person with a spiritual issue that needs immediate attention. The book opens with the story of an 85-year-old African-American woman who wonders if God hears her prayers. Other chapters explore loneliness, isolation, the dignity and value of every human being, honesty and openness, patience and persistence, why pain and suffering exist, the actual death and the soul's journey, and the importance of dreams, visions, and other end-of-life phenomena. The author graduated from Christ the Savior Russian Orthodox Seminary with a B.Th. and from the Catholic University of America with a M.A. in theology. He began working with the terminally ill in 1991 as a theology student. After his ordination to the priesthood in 1994, he began to provide spiritual care for his parishioners as well as hospice patients. He is now the Pastoral Care Coordinator and Bereavement Coordinator at Hospice of the Finger Lakes in Auburn, NY. "Join former NBC newsman and Meet the Press moderator David Gregory as he probes various religious traditions to better understand his own faith and answer life's most important questions: who do we want to be and what do we believe? While David was covering the White House, he had the unusual experience of being asked by President George W. Bush "How's your faith?" David's answer was just emerging. Raised by a Catholic mother and a Jewish dad, he had a strong sense of Jewish cultural and ethnic identity, but no real belief--until his marriage to a Protestant woman of strong faith inspired him to explore his spirituality for himself and his growing family. David's journey has taken him inside Christian mega-churches and into the heart of Orthodox Judaism. He's gone deep into Bible study and asked tough questions of America's most thoughtful religious leaders, including evangelical preacher Joel Osteen and Cardinal Timothy Dolan, the Catholic Archbishop of New York. It has brought him back to his childhood, where belief in God might have helped him through his mother's struggle with alcoholism, and through a difficult period of public scrutiny and his departure from NBC News, which saw his faith tested like never before. David approaches his faith with the curiosity and dedication you would expect from a journalist accustomed to holding politicians and Presidents accountable. But he also comes as a seeker, one just discovering why spiritual journeys are always worthwhile"--

The joy after all is in the journey, or being what you really wanna be . . . The son of a wheat farmer, John Williamson grew up with an appreciation of the land and all things Australian. His career was kickstarted with a self-proclaimed silly song - 'Old Man Emu' - winning TV's New Faces in 1970, but it was a decade of hard slog before he forged his unique place in our musical history. From his love of the bush ('Mallee Boy') and his outrage at environmental destruction ('Rip Rip Woodchip'), to his pride in the Australian character and spirit ('True Blue'), Williamson has been chronicling the subjects and issues that are close to his heart for more than forty years. He has become the voice of Australia. In his distinctive style, John Williamson tells it like it is. He takes us behind the scenes on the road and at home, revealing the tough times, the great times, what drives him and what matters. His passion - for preserving our national character and landscape, and to remain true to himself - is as strong now as it has ever been. This is a journey into the heart and soul of Australia.
