I Am 12 and Magical! - Unicorn Journal

I Am 12 and Magical - this is a funny dabbling dog lover journal including sketch pages for drawing with amazing dabbling dogs and is the perfect gift idea for women, adults and your kids - girls and boys. For your lovely kids, this is a fabulous gift and a bargain. It has a unique and magical pug that the children will adore! If you need gift ideas for your girl's birthday or for her party; she will love this! Children who have a hard time expressing their needs verbally or making hard decisions about things and life will keep a journal of their thoughts and feelings so is a great way to help them learn emotional organization. Even if all your child does is write about an interaction she had during the day, she can always go back to explore that interaction more deeply. You can use this book for: Having your stories and sketches in one place Explore and identify emotions Examine the pros and cons of something in order to be more decisive Look more carefully at her thoughts about something after the immediate situation has passed Gain some insight into her own and other people's motives See the positives as well as the negatives School and homework Keeping a to-do list Recording notes, ideas, thoughts, dreams and prayers Improve written communication, spelling, grammar, and reading skills It's a storytelling tool, a paper place to learn how much information completes a story, what words work well to paint the picture of a story, and an amazing way to practice the mechanics of grammar and spelling. Also, keeping a personal journal can improve other aspects of life for: People who have problems communicating with people in their lives and with love from or for them Those who have gone through a difficult moment and were blocked at a time Those who want to learn how to manage a difficult situation Those who want to learn more about the cause and effect of hard times In fact, if we can help our children to find a way to practice writing on a notebook, and learn to love it, we are helping them discover a valuable gift. This tool will help their childhood by developing a stronger love for writing with structured journals, and it is very fun. This multi-purpose book is also available in other covers and sizes, click on the author name at the top to see more options.
