Are you in a desolate place? Do you feel useless and unworthy? Have situations in your life made you question your ability to achieve? Low self-esteem and self-doubt are landmarks in all of our lives. They are places everyone visits but no one should ever stay. Our sense of self-worth determines the quality of our lives. How we see ourselves can either push us to greatness or release us into the depths of despair. However, you don't have to permanently reside in despondency. You can make it a temporary location. The strategy to moving forward with resilience is being confident you are good enough to experience the abundant blessings life has to offer. After reading the words nestled in this book, your self-worth will be elevated, you'll gain strength to overcome obstacles, and ultimately receive encouragement that will push you toward victory. This 14-day journey is sure to boost your self-esteem, put you on a path to success, and leave you with the enduring declaration, "I AM ENOUGH."
