Jumpstart your quest to become the champion you are meant to be! Circumstances can easily overpower those without spiritual and mental support when they are facing challenging situations. The understanding that you are granted many great opportunities to rebuild your life can help lay the groundwork for dealing with the challenges life throws in your path. The Journal of a Champion is a collection of fifty-three inspirational essays that use God ' s words to energize everyone to act and live like a champion. By using current problems as a platform, anyone can rebuild their life with hard work and perseverance. To become a champion, it ' s important to be aware of spiritual bandits and dream killers—negative forces that entice, rob, and seek to discourage champions from attaining victory. This helpful guide outlines how to mature spiritually to handle the hard times, pain, and problems and ultimately succeed in the world. The Journal of a Champion will guide anyone who is experiencing repercussions from past mistakes or any other challenges that are preventing them from becoming true champions.

A timely guide to online teaching strategies from bestselling author Doug Lemov and the Teach Like a Champion team School closures in response to the covid-19 coronavirus pandemic resulted in an immediate and universal pivot to online teaching. More than 3.7 million teachers in the U.S. were suddenly asked to teach in an entirely new setting with little preparation and no advance notice. This has caused an unprecedented threat to children's education, giving rise to an urgent need for resources and guidance. The New Normal is a just-in-time response to educators' call for help. Teaching expert Doug Lemov and his colleagues spent weeks studying videos of online teaching and they now provide educators in the midst of this transition with a clear guide to engaging and educating their students online. Although the transition to online education is happening more abruptly than anyone anticipated, technology-supported teaching may be here to stay. This guide explores the challenges involved in online teaching and guides educators and administrators to identify and understand best practices. It is a valuable tool to help you and your students succeed in synchronous and asynchronous settings this school year and beyond. Learn strategies for engaging students more fully online Find new techniques to assess student progress from afar Discover tools for building online
