Strike the Black Flag

The Saturday Evening Post

"First novel of the trilogy An Italian story, which embraces an arc of events ranging from the unification of Italy to the post-war period, *Metello* was published in 1955, followed by *Lo Scialo* in 1960 and by *Allegoria and derision* in 1966. *Metello* recalls the years 1875 -1902, when the working class, in the light of the new socialist doctrines, joins the general ferment of

Munsey's Magazine

At the novel's core is the Hollywood Five, a clique of jaded twenty-somethings whose parents (all major players) thought that child-rearing ended with naming their offspring after themselves. Not since best-selling superstar Jackie Collins created *Hollywood Wives*, the book which established a whole new standard for novels of the American dream in the extreme, has she dealt so incisively and so revealingly with tinseltown, and with the people who live and die there. Jackie Collins is back doing what she does best, chronicling the lives of the rich, famous and infamous with devastating accuracy. *Hollywood Kids* is Jackie Collins at her suspenseful roller coaster ride best.

Triangle Choke

An expert fisherman reveals the techniques he uses to catch tournament winning bass, and the behavioral reasons why bass strike

Abridgment of the Debates of Congress, from 1789 to 1856: Dec. 3, 1832-July 4, 1836

During the first half of the 1970's no team dominated major league baseball like the Oakland A's. Led by future Hall of Famers Reggie Jackson, Catfish Hunter and Rollie Fingers, the A's captured five consecutive division titles, three American League pennants and three World Series trophies from 1971 to 1975. Baseball's Last Dynasty recounts the history of those colorful, controversial, and highly successful teams. As only the second franchise in major league history to win three consecutive World Series, the A's ruled baseball in the era prior to the advent of free agency. With the help of an astute team of scouts, owner Charlie Finley assembled a nucleus of home-grown future stars wearing Oakland's garish green and gold uniforms: Bert Campaneris, Sal Bando, Joe Rudi, Gene Tenace and Vida Blue in addition to Reggie, Rollie and Catfish. In spite of such talents, the A's struggled to surpass the level of mediocrity until the hiring of baseball's version of Vince Lombardi -- Dick Williams. A fiery disciplinarian and disciple of Branch Rickey, Williams led Oakland to a first place finish in 1971, followed by consecutive world championships in 1972 and 1973. In chronicling the team known

as the "Mustache Gang" and the Swinging A's, *Baseball's Last Dynasty* details the many fights and arguments in the Oakland clubhouse, the many controversies as well as the departures of Williams and Hunter. In the nearly quarter of a century that has passed since the A's won their trio of titles, no team has managed to duplicate the feat. Given the instability created by free agency and the difficulty of keeping a championship team's payroll under control, no team may be able to match the accomplishments of Charlie Finley's A's. Exhaustively researched and including recent interviews with many of the key players, *Baseball's Last Dynasty* brings the story of this extraordinary team to life.

Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

Athletic Journal

Facing probable redundancy in his mid-fifties, South Elmsall miner Arthur Wakefield, fought for jobs and communities throughout the great strike of 1984/85. He also kept a marvellous diary,

Read Book Keep Calm Im Throwing Strikes Funny Softball Gift Notebook Lined Journal To Write In

recording his experiences, impressions and events in considerable detail. The diary is a unique personal day by day account of the most bitter industrial dispute of the 20th century. Armed with nothing more than determination and a camera, he by-passed countless blockades and in the early hours of the morning he would join his colleagues at picket lines at pits, ports, power stations and works in many parts of Yorkshire, Nottinghamshire, Lancashire and the Midlands. He also attended many rallies and marches, and was a regular 'support the miners' collector in London. Arthur Wakefield was a key witness at the 'Battle of Orgreave', on 18 June 1984, which he describes as 'Monday, Bloody Monday', the 100th day of the strike. His descriptions of the 'Battle' contained here in this book have also helped produce an historical live re-enactment to be shown on Channel 4 in April.

Wrigley Season Ticket 2007 gives fans the detailed information about the Chicago Cubs that they've craved for so long. Other preseason annuals cover all of baseball, and they're either too expansive, too long, or not focused completely on the Cubs. But now there's a publication just about the Cubs that can quench your desire! Along with a preview of the 2007 National League Central and an examination of the team's rookie pitchers, fans get to explore recent Cubs history. Included is an analysis of the team's injury history from 2001 to 2006 and its impact, an evaluation of general manager Jim Hendry's moves, a look back at the historic

1967 Cubs, and a celebration of Mr. Cub, Ernie Banks, as he turns seventy-five. Moreover, the Season Ticket evaluates the entire organization as well, not just the majors. Within these pages fans will find information on the team's top prospects, a story on Felix Pie, and a discussion of the organization's overall lack of interest in on-base percentage. On the business side, readers can see how the Cubs are covered in the media, learn about Cubs' ticket scalping, and even get an account of ticket prices and broadcasting throughout Cubs history. It's all packed into more than a hundred pages of full-color, ad-free Cubs information unlike anything else on the market. Written by Cubs fans for Cubs fans, Wrigley Season Ticket 2007 is the essential season reference for all Cubs fans! A publication of Maple Street Press, distributed by Potomac Books, Inc.
