Journal of the Senate of the State of Michigan

Some vols. include supplemental journals of "such proceedings of the sessions, as, during the time they were depending, were ordered to be kept secret, and respecting which the injunction of secrecy was afterwards taken off by the order of the House."

Outstanding College Athletes of America

The final book in the series has Liam and Carter's teams on the verge of winning the greatest championship of all: the Little League Baseball® World Series. Cousins and best friends who grew up playing baseball together, Liam and Carter must now play against each other to achieve their dreams of winning the Series title! One cousin will win, and the other will lose. © 2013 Little League Baseball, Incorporated.

The World Almanac & Book of Facts

"A FASTPITCH SOFTBALL BOOK FOR GIRLS or THE GIRL IN YOU" --- Toni Evans The crack of the bat creates drama on the diamond and in a girls fastpitch softball league the drama can bleed off the field and into the lives of the players, coaches, parents, and fans. With fast-paced fastpitch action, the umpire screams "PLAY BALL" and the games begin, merging the real world of young 10 - 13 year old females with their competitive spirit and passion for winning fastpitch softball games. Imagine their emotions with egos flying as the dust settles. Will their pain and their joy finally merge with their dream and provide the determination they need to bring home the ultimate prize? Can they deal with the most important issue that derails so many teams and surprise us all?

Playing With the Boys

Journal of the House of Representatives of the State of Michigan

Journal of the House of Representatives

Offers comprehensive facts, figures, and explanations of the events, people, and places in the news, with original articles on the Reagan administration and arms negotiations and polls on a range of relevant

topics.

Journal of the Senate of the General Assembly

Schott's Almanac redefines the traditional almanac to present a record of the year just past and is designed to be read, not merely consulted. Practical and entertaining, it tells the real stories of 2006, from the winner of American Idol to the Supreme Court nominations (including how different justices have voted), from baseball and football statistics to the founder of amazon.com's new private rocketship factory. In an age when information is plentiful but selection is rare, Schott's Almanac offers both the essential facts and the lucid, provocative analysis. It is comprehensive, innovative, endlessly engaging – in short, indispensable.

The World Almanac and Book of Facts, 1989

Journal of the House of Representatives of the United States

Athletic contests help define what we mean in America by "success." By keeping women from "playing with the boys" on the false assumption that they are inherently inferior, society relegates them to second-class citizens. In this forcefully argued book, Eileen McDonagh and Laura Pappano show in vivid detail how women have been unfairly excluded from participating in sports on an equal footing with men.

Free Copy PDF Little League Softball Champs

Using dozens of powerful examples--girls and women breaking through in football, ice hockey, wrestling, and baseball, to name just a few--the authors show that sex differences are not sufficient to warrant exclusion in most sports, that success entails more than brute strength, and that sex segregation in sports does not simply reflect sex differences, but actively constructs and reinforces stereotypes about sex differences. For instance, women's bodies give them a physiological advantage in endurance sports, yet many Olympic events have shorter races for women than men, thereby camouflaging rather than revealing women's strengths.

Schott's Almanac 2007

Combines statistics, analysis, and historical material into one exciting companion to the baseball season that includes information on the minor leagues, fantasy leagues, collectibles, and more in a simpler, more accessible format.

The World Almanac and Book of Facts, 1990

The Washington Post Index

"The magazine for young adults" (varies).

Congressional Record

Includes history of bills and resolutions.

Congressional Record Index

It's just like the pros: bright lights, screaming fans, squawking commentators and five million people watching you play your heart out on national television for the right to be called champions. But these are not pampered multimillion-dollar athletes; they are 11- to 13-year-old kids. The 2005 World Series was the most dramatic in the 58-year history of the Little League. With full access to the players, coaches and parents associated with both teams who played in that game, Charles Euchner delivers an astonishing and dramatic narrative that delves into every aspect of the little league game. "Even those with only a passing interest in baseball will be intrigued by this fascinating look at Little League, 'the largest amateur sports organization in the world.'" -Publishers Weekly "Readers can expect to learn a great deal about the history of Little League and the stories behind many teams. This well-written book will inform and entertain." -Library Journal
