Love's Beginning

The History of the Christian Missions of the Sixteenth, Seventeenth, Eighteenth, and Nineteenth Centuries

Read about the day Elijah first falls in love with Victoria in the Eagle Harbor short story, Love's Beginning. As a ten-year-old boy, Elijah sees Gilbert Sinclair bully the other school children day in and day out. As far as Elijah figures, it's going to be a long school year if somebody doesn't show the rich kid a thing or two, so it might as well be him. If only his sister wasn't around to mess up his plans. And why does he care so much what Victoria, the pretty girl with a house fancier than Gilbert's, thinks of their fight? Love's Beginning is a 12 page short story. It can be read as a standalone or as an extension of Love's Every Whisper, which is Elijah and Victoria's full length novel. The bestselling Eagle Harbor Series continues with Book 4, Love's Eternal Breath. Lindy Marsden once dreamed of having a husband, a house, some children, and maybe even a sewing machine. But since she grew ill five years ago, those dreams have become too much to hope for. Now she just wants to provide for herself and help the abandoned children she found living in the woods until their father returns... and avoid doctors for the rest of her life. Their medicine never leads to any good, and she has the scars to prove it. Seth Harrington loves being a doctor, but treating patients in the small town of Eagle Harbor is nothing like working at a prestigious Boston hospital, especially with the other doctor in town trying to steal Seth's patients. When he's called to treat a reluctant woman, Seth finds Lindy Marsden's fiery dislike for him rather insulting. He has the ability to help her, but she wants nothing to do with him. Until she shows up on his doorstep one night When the plight of a young abandoned boy brings Seth and Lindy irrevocably together, Seth finds himself in the most difficult situation of his career. His expertise can help him heal the sick, but will his love be enough to soothe Lindy's wounded soul? Come visit the rugged yet beautiful coast of Lake Superior and the remote historical town of Eagle Harbor that readers can't get enough of. readers in book one of the bestselling Eagle Harbor Series. Tressa Danell is finished with men—from the wastrel who left her a widow, to the smelly trapper who keeps proposing, to the banker who wants to repossess her bakery. Every hour is spent working to pay off her late husband's debt and keep a roof over her son's head, though it's doubtful she can do both for very long. But one thing's certain—she'll never be beholden to a man again. Tired of living in a small town that blames him for actions his father committed ten years ago, Mac Oakton is scheduled to leave Eagle Harbor. So why does the pretty widow at the bakery keep tugging at his heart? He can't get involved in her predicament when he'll only be around for two more weeks. But when Tressa's burdens overwhelm her, they both face a decision. Can Mac set his own plans aside to help? And can Tressa accept his support if that means giving up her independence and being obligated to a man again? "A fabulous story and the start to a wonderful series." Roseanna M. The bestselling Eagle Harbor Series continues with Book 2, *Love's Every Whisper*. Victoria Donnelly wants to do something right at least once in her lifetime. With five years of failed courtships behind her and the calendar inching closer to another birthday, she's finally found a way to redeem herself in the eyes of her family. But her plan requires her to return to her home town of Eagle Harbor, where forgotten feelings for a man she can never have lie buried. Elijah Cummings has loved Victoria for fifteen years. But fishermen's sons don't marry shipping barons' daughters. He knows it. She knows it. The entire town knows it. Resolved to keep his distance from Victoria, Elijah focuses on establishing a much needed life-saving station, risking his own life by rescuing sailors stuck aboard shipwrecks until he learns she's about to make an irreversible decision, one she'll spend the rest of her life regretting. He knows how to save drowning sailors—but how is he to save the woman he loves from the biggest mistake of her life... without destroying both their hearts in the process? "A whole new level of storytelling." Laurie Alice Eakes, Author of *The Mountain Midwife*. "One of those rare occasions where I loved the second book more than the first!" The Disciple of Christ

Journey back to a time when neighbors knew each other's names, and a handshake meant a person's honor. The bestselling Eagle Harbor Series continues with Book 5, *Love's Winter Hope*. When Jessalyn Dowrick's husband left her and their three daughters to head west five years earlier, she had no choice but to pick up the pieces of her broken life and continue without him, eventually supporting herself as Eagle Harbor's seamstress, and secretly hoping her husband would return. But days soon slipped into months, and months into years, all without word of Thomas or a cent of the money he'd promised to send. While working day and night to build a new life that his wife would be proud of, Thomas wrote Jessalyn every week, asking her to come to South Dakota. But she never arrived. In fact, she never answered a single one of his letters. When he returns to Eagle Harbor in search of answers, he finds a woman who thought him dead . . . and soon regrets he didn't come after her earlier. As winter closes in and storms trap Thomas in town until the harbor opens in the spring, will he be able to convince his wife he's worth a second chance? Come visit the historical town that readers can't get enough of. The bestselling Eagle Harbor Series continues with Book 3, Love's Sure Dawn. No matter how hard she tries to help, Rebekah Cummings always ends up causing more problems than she solves. This time, though, things will be different. She'll find a way to pay her family's debts, even if doing so requires leaving Eagle Harbor. Maybe then they'll start treating her as a capable woman who makes her own choices. Gilbert Sinclair is going to marry an heiress. With his latest business venture sunk at the bottom of Lake Superior, he needs money to replace the steamship he lost, so he heads to Chicago where his father's business connections should land him a suitable wife. Like most things in his meticulously planned life, everything goes as expected—until he discovers Rebekah Cummings working as the new cook on his ship. Rebekah well remembers the pain she endured the last time she tried trusting Gilbert, and Gilbert can't afford to pursue the love of a working class woman. But they can't stop the forgotten feelings swirling between them—or ignore the sacrifices they'd both have to make for a future together. "More than just a satisfying love story." Melissa Jagears, award winning Christian author "This is the best book series that I have found in several years."
