Witch's Composition Book

Revival starts with one person. You. Charles Finney—who shook up nineteenth-century America with his preaching, earned the title Father of Modern Revivalism, and became the forerunner of revivalists like Dwight L. Moody and Billy Graham—knew a thing or two about revival. And he claimed it began not in the emotion of the masses but in the repentance of the individual. This new journal edition of a spiritual classic invites readers to record their reflections, thoughts, and prayers in response to Finney's fiery words on how to experience revival. As you let his message soak in and interact with your life, you might find revival to be closer to home than you ever expected.

How to Read Tarot

Through a series of inspirational and creative prompts, *Embody Your Magick* will help readers embrace their inner witch, no matter where they are on their spiritual journey. Gabriela Herstik offers up powerful meditations and rituals, space for notes and spells, and information on lunar practices, color magick, sacred herbs, tarot suits, and more, so that we can all better connect to the universe and our inner light. Our strong track with journals- We will publish for the September solstice and Halloween opportunities; this is the perfect gift for any reader interested in witchcraft and other ancient rituals as self-knowledge and self-care. Hot topic- The season of the witch is not dying down ("Witches are Having Their Hour" <https://nyti.ms/35FW26N>). As sales of *Inner Witch* (and *Bewitching the Elements*, which just came out) have demonstrated, Gabriela is well placed to update the ancient art of witchcraft for a new generation, one that is interested in feminism, social justice, sustainable living, and alternative forms of spirituality.

The Mindful Witch

The Light Seer's Tarot

A guided journal for the growing number of witchcraft practitioners Witches can't control the world outside themselves without first mastering their own inner world. It takes steady devotion and courage to practice this ancient craft. *The Mindful Witch* is a meditative daily guide for witches of all levels to help them summon strength from within, focus their energy, and practice witchcraft in an empowering and effective way. Whether it's a crystal bath to restore their energy, a handmade tea to revive their passion, or a burning candle whose glow offers protection, each page offers tips and inspiration for everyday magick. Reflective witches will enjoy plenty of space to write the day's intentions and desires, craft spells, and track the phases of the moon so they can better harness its power and manifest their future. With *The Mindful Witch* to guide you, you can add a satisfying dose of self-nourishment and craft to your daily life and conjure your best self.

Recipes, Spells, and Wisdom from the Hedgerow Once upon a time the witch held a place of esteem in the village; her knowledge of local plants and wayside herbs were used to heal; her wisdom and empathy made her the village matchmaker and marriage counselor; and her ability to commune with nature and animals gave her a place of revelry and wisdom. She was the Hedgewitch. Aimed at the busy witch, who is both breadmaker and breadwinner, this book revives the spirit of the Hedgewitch and teaches you how to make every day one full of wisdom, healing, and magic. For the practicing or would-be witch whose life is more jeans, chaos, and the never-ending question of what ' s for dinner than it is black robes, cauldrons, and incantations, Mandy Mitchell has a recipe for you! “ I want to demonstrate how daily chores can become magical rituals with the potential to enrich and transform your life—everything from the way we form relationships with our families and friends to cooking, cleaning, and healing. ” —from the introduction Journey through the wheel of the year with one eye on the kettle and the other on the magical!

Beloved literary iconoclast Michelle Tea reinvents tarot for a new generation in this guide to using the Tarot as a twenty-first-century tool for connecting with our higher selves. Long before Michelle Tea was winning awards for her poignant memoirs, she was a scrappy misfit on the streets of San Francisco, supporting herself by giving eerily prescient tarot readings. As her reputation as a writer grew, she stopped publicly reading the Tarot, though she never stopped doing it privately. Based on over twenty-five years of experience and a deep and abiding love of the cards, Modern Tarot brings the full force of Tea ' s unique insight, inviting pop sensibility, and wicked humor to bear on the tradition of the Tarot in a fascinating journey through the cards that teaches us how to use this tradition for radical self-growth. Whether you ' re a dyed-in-the-wool seeker or a digital-age skeptic—or a little of both—the power of tarot is open to you. Modern Tarot doesn ' t require you to believe in the supernatural or to focus

narrowly on using the tarot as a divination tool. Instead, it offers fiercely insightful descriptions of each of the seventy-eight cards in the tarot system (each one fully illustrated by Amanda Verwey) and specially designed rituals to guide readers on a path toward transformative personal growth. Grounded in Tea's decades of tarot wisdom and personal experience, this is a guide that beginners will fall in love with and experienced readers will learn from anew. With her trademark one-of-a-kind insight and wit, Tea shows how tarot offers moments of deep, authentic connection during a time when "connection" is ubiquitous but rarely delves beneath the surface—and how the affirming and personal nature of the Tarot offers a spiritual experience that is gentle, individual, and aspirational.

Folk Magic and Healing

A book of the folklore, history and healing properties of common plants Hedgerows are a vital part of the British countryside. Home to thousands of species of animals, insects, and plants, they've long become ingrained in the myth and lore of the country and its people. Many old wives' tales about the plants that grow there were created to spread knowledge of their healing properties, and many have become entwined with stories of local spirits, deities, and more ancient legends. This stunningly illustrated treasury of the folklore of flora is packed with insight, lore and the revealed mysteries of everyday plants is, ultimately, a collection of many of these beliefs, aiming to inspire a greater appreciation of hedgerow plants before they disappear completely. Folk Magic and Healing: An Unusual History of Plants is perfect for gardeners, writers, folklorists, witches and general knowledge buffs alike!
