unforgettable Eva Luna: a lover, a writer, a revolutionary and above all, a storyteller. Eva Luna is the daughter of a professor's assistant and a snake-bitten gardener – born poor, orphaned at an early age and working as a servant. Eva is a naturally gifted and imaginative storyteller who meets people from all walks of life. Though she has no wealth, she trades her stories like currency with people who are kind to her. As she shares her stories, she introduces an eccentric cast of characters: the Lebanese émigré who takes her in, her Catholic godmother who believes in saints, a street urchin who grows up to be the leader of the guerrilla struggle, a celebrated trans cabaret star and a young refugee whose flight from postwar Europe will change Eva's life forever. As Eva tells her story, Isabel Allende brings to life a complex South American country – the rich, the poor, the sophisticated – in a novel that celebrates the power of imagination and storytelling. Praise for Isabel Allende's *Eva Luna*: 'Vibrant, colourful characters; the ordinary fused with the grotesque; a Latin American setting, tropical this time; vivid, elegant narrative. The narrator, Eva Luna, is herself a story-teller in the Allende tradition' *Guardian* 'An evident affection for words, compassion for the oppressed and the inarticulate, the daring ambition to draw cross-sections of whole societies . . . Allende's work glows' *New York Times* 'Sumptuous . . . a tale that spans forty years and moves from a surreal jungle to a modern-day urban capital where even the most apolitical are driven to risky anti-government activities' *Chicago Tribune* 'Allende rearranges reality with a blend of memories, mysticism and imagination' *The Philadelphia Inquirer* 'A remarkable novel, one in which a cascade of stories tumbled out before the reader, stories vivid and passionate and human' *Washington Post* 'Magnificent . . . Inspired by an astonishing true story from World War II, a young woman with a talent for forgery helps hundreds of Jewish children flee the Nazis in this unforgettable historical novel from the international bestselling author of the “epic and heart-wrenching World War II tale” (Alyson Noel, #1 New York Times bestselling author) *The Winemaker's Wife*. it's an image of a book she hasn't seen in sixty-five years—a book she recognizes as *The Book of Lost Names*. The accompanying article discusses the looting of libraries by the Nazis across Europe during World War II—an experience Eva remembers well—and the search to reunite people with the texts taken from them so long ago. The book in the photograph, an eighteenth-century religious text thought to have been taken from France in the waning days of the war, is one of the most fascinating cases. Now housed in Berlin's Zentral- und Landesbibliothek library, it appears to contain some sort of code, but researchers don't know where it came from—or what the code means. Only Eva holds the answer—but will she have the strength to revisit old memories and help reunite those lost during the war? As a graduate student in 1942, Eva was forced to flee Paris after the arrest of her father, a Polish Jew. Finding refuge in a small mountain town in the Free Zone, she begins forging identity documents for Jewish children fleeing to neutral Switzerland. But erasing people comes with a price, and along with a mysterious, handsome forger named Rémy, Eva decides she must find a way to preserve the real names of the children who are too young to remember who they really are. The records they keep in *The Book of Lost Names* will become even more vital when the resistance cell they work for is betrayed and Rémy disappears. An engaging and evocative novel reminiscent of *The Lost Girls of Paris* and *The Alice Network*, *The Book of Lost Names* is a testament to the resilience of the human spirit and the power of bravery and love in the face of evil.

Burning Island

vivid historical details both gory and beautiful.” —Library Journal It is 1502 and Rodrigo Borgia, a self-confessed womanizer and master of political corruption, is now on the papal throne as Alexander VI. His daughter Lucrezia, aged twenty-two—already three times married and a pawn in her father’s plans—is discovering her own power. And then there is his son Cesare Borgia, brilliant, ruthless and increasingly unstable; it is his relationship with Machiavelli that gives the Florentine diplomat a master class on the dark arts of power and politics. What he learns will go on to inform his great work of modern politics, *The Prince*. But while the pope rails against old age and his son’s increasingly maverick behavior, it is Lucrezia who must navigate the treacherous court of Urbino and another challenging marriage to create her own place in history. Bestselling novelist Sarah Dunant employs her remarkable gifts as a storyteller to bring to life the passionate men and women of the Borgia family, as well as the ever-compelling figure of Machiavelli, through whom the reader will experience one of the most fascinating—and doomed—dynasties of all time.

Eva had only been in Colorado for a few weeks when she saw a tall Native American boy dressed in animal skins step out of the woods. Rather than running away, she trusted her instincts and the adventures began: gold, bears, Native American ceremonies, and secrets. Set in the foothills of the Rocky Mountains in the early 1870s, this gentle book tells the story of two families and two cultures, combining fact and fiction while staying true to the Native American concept of harmony and balance. This is the first of a series of six Eva and Buckskin Charlie books.

My Name Is Eva

In her day, Eva Tanguay (1879–1947) was one of the most famous women in America. Widely known as the "I Don't Care Girl"—named after a song she popularized and her independent, even brazen persona—Tanguay established herself as a vaudeville and musical comedy star in 1901 with the New York City premiere of the show *My Lady*—and never looked back. Tanguay was, at the height of a long career that stretched until the early 1930s, a trend-setting performer who embodied the emerging ideal of the bold and sexual female entertainer. Whether suggestively singing songs with titles like "It's All Been Done Before But Not the Way I Do It" and "Go As Far As You Like" or wearing a daring dress made of pennies, she was a precursor to subsequent generations of performers, from Mae West to Madonna and Lady Gaga, who have been both idolized and condemned for simultaneously displaying and playing with blatant displays of female sexuality. In *Queen of Vaudeville*, Andrew L. Erdman tells Eva Tanguay's remarkable life story with verve. Born into the family of a country doctor in rural Quebec and raised in a New England mill town, Tanguay found a home on the vaudeville stage. Erdman follows the course of her life as she amasses fame and wealth, marries (and divorces) twice, engages in affairs closely followed in the press, declares herself a Christian Scientist, becomes one of the first celebrities to get plastic surgery, loses her fortune following the Wall Street Crash of 1929, and receives her last notice, an obituary in *Variety*. The arc of

Tanguay's career follows the history of American popular culture in the first half of the twentieth century. Tanguay's appeal, so dependent on her physical presence and personal charisma, did not come across in the new media of radio and motion pictures. With nineteen rare or previously unpublished images, *Queen of Vaudeville* is a dynamic portrait of a dazzling and unjustly forgotten show business star.

The Sum of Our Days

Eva never really wanted to be a mother; certainly not the mother of the unlovable boy who murdered seven of his fellow high school students, a cafeteria worker and a teacher who tried to befriend him. Now, two years later, it is time for her to come to terms with marriage, career, family, parenthood and Kevin's horrific rampage in a series of startlingly direct correspondences with her absent husband, Franklyn.
