## The Art of Naughty Dog

Cat took on a bunny in Here Comes the Easter Cat, but now Christmas is coming, and Cat has a hunch he's not on Santa's "nice" list. Which means? No presents for Cat. So he tries to be good, but children, it seems, aren't wild for his brand of gift-giving. Still, Cat might surprise himself, and best of all, he may just get to meet the man in the red suit himself-and receive a holiday surprise of his own. Fans of Pete the Cat, Splat the Cat, and Bad Kitty will delight in this holiday treat. Praise for Here Comes Santa Cat

Spring is the season when love blooms! Rozemyne's retainers are bursting with energy as they make clothes, attend their debuts, and shine in the new season. The improved printing press is finally completed in the temple workshop, and the variety of available books is steadily beginning to expand. Picture books, collections of sheet music, knight stories—all are now being sold. Their first aim is to further develop the paper-making industry in preparation for the spread of printing across the entire duchy. To this end, Rozemyne's party travels to Illgner, hoping to teach them how to make paper while also researching new materials to use. As the environment around Rozemyne slowly improves, the archduke's older sister arrives for a visit, shrouding Ehrenfest in an air of unease. Everything changes in this volume of this bibliofantasy as nobles emotionally clash and the conclusion of Part 3 approaches! Including two newly written short stories and a four-panel manga drawn by You Shiina!

A fun and sexy game that can lead to much more. Use this book to explore your desires and learn about yourself and your partner, or just have a laugh! Let's face it; sometimes we don't do a great job of communicating their sexual fantasies, desires, and intimate needs. Maybe the topic feels awkward, or just never comes up, and so the conversation never happens. This game is going to help you explore your sexuality in a way that you never have before. These "hot or not" questions are not only informative and educational, they are funny and entertaining as well. Get off and get your kicks at the same time. No confusing rules. Simple and quick to get started (though you may not finish playing). Nothing could be easier: open the book, read the question out loud, and everyone has to answer - no exceptions or passes! Hot or not: being slathered in oil from head to toe? Hot or not: using sex toys on each other? Hot or not: blindfolds and earplugs? Hot or not: choking or being choked? Hot or not: dominance and/or submission? Just answer honestly, don't judge, and experiment! Escape the same sex routines and break the ice in any situation: romantic getaways, wild parties, dates, and even road trips. This isn't just a fun game, it's amazing for your sex life. You'll talk about topics and kinks you never thought about before! Do you dare? Spice things up, or re-kindle the desire in your relationship. Turn the same ol' sex routine into something mindblowing. Quickly get past barriers and communicate like a sexual pro. Makes a great gift for ANY occasion, for both him or her: anniversary, birthday, Christmas, bachelor(ette) party, honeymoon, Valentine's Day, you name it. Amber Cole is a bestselling author and certified sex coach. She has worked with dozens of people, including couples, and lives to get you off. Take a cue from her vast experience and get a firsthand peak at the games she recommends to her real clients.
