The Eyes of Bayonetta 2

Throughout his entire career, Taro Yoko has always felt disheartened by the image of humanity reflected in most big-budget video games, which propose the use of firearms as the principal means of action. Through his own work, from Drakengard to NieR: Automata, this artist attempts to explore the reasons behind our strange fascination with conflict. Is man so vicious that he must triumph, discriminate, hurt and kill even for entertainment? Within the great fields of ruin resulting from wars in which mankind battled against mankind, Taro Yoko perceives this "entertainment" as a way for hope, a horizon, a shield against evil. In this book we explore the contours of his games, the behind-the-scenes of their development, the complexity of their tales and their thematic depth. Discover this multifaceted and altruistic creator, who is convinced that video gaming is a diverse and unique medium.

The Art of Bravely Default

There, they meet a strange girl named Freya and her woefully unheroic dog, Bunny Biter, who agree to help them in their quest. The group must take on dangerous new foes and unravel the cryptic journal to find Nicholas and reunite this fractured family.

The World of Cyberpunk 2077 Deluxe Edition

In Morpho: Hands and feet, artist and teacher Michel Lauricella presents a unique approach to learning to draw the human body. In this book, Lauricella focuses exclusively on the hands and feet--arguably the most popular and, for many, the most challenging parts of the body to draw successfully. Breaking the subject matter down into the underlying skeletal shapes, followed by the musculature, then skin and fat, and finally, the veins, Lauricella offers multiple approaches--from simple forms to complex renderings--and a plethora of positions and gestures are included to help you improve your drawing skills. Geared toward artists of all levels, from beginners through professionals, this handy, pocket-sized book will help spark your imagination and creativity. (Publisher's Note: This book features an "exposed" binding style. This is intentional as it is designed to help the book lay flat as you draw.)
