The Overcomers

He Lived a Secret Life for years. A respected pastor, husband, and father, Bernie Anderson battled behind closed doors with pornography and sexual addiction. Exposed to pornography early in life, he was held captive by the addiction until he allowed God to transform his life. It is a problem not often spoken about in the Christian community, yet pornography and sexual addiction are devastating countless Christian homes. To help others avoid it or break free from its stronghold, Anderson tells his personal story of torment, hope, and the God who changes lives. Offering insight, encouragement, and resources, Breaking the Silence boldly reveals the truth about this addiction and how you can protect yourself and your family from the dangers of pornography. Radiant

The impossible true story about the powerful impact of prayer that inspired the major motion picture starring Chrissy Metz, Topher Grace, Dennis Haysbert, and Josh Lucas. Through the years and the struggles, when life seemed more about hurt and loss than hope and mercy, God was positioning the Smiths for something extraordinary--the death and resurrection of their son. When Joyce Smith's fourteen-year-old son John fell through an icy Missouri lake one winter morning, she and her family had seemingly lost everything. At the hospital, John lay lifeless for more than sixty minutes. But Joyce was not ready to give up on her son. She mustered all her faith and strength into one force and cried out to God in a loud voice to save him. Miraculously, her son's heart immediately started beating again. In the coming days, John would defy every expert, every case history, and every scientific prediction. Sixteen days after falling through the ice and being clinically dead for an hour, he walked out of the hospital under his own power, completely healed. Breakthrough is about a profound truth: prayer really does work. God uses it to remind us that He is always with us, and when we combine it with unshakable faith, nothing is impossible. Overcomer - Bible Study Book

Oftentimes in life, we are faced with unplanned and unwanted obstacles or situations that discourage us on our life's path. Every day, people give in or give up when these things seem too difficult to overcome. It takes a special person to continue to fight and press on even when they don't fully understand why they should. "In Spite of It All" was written to encourage and inspire everyone with this message that, "Failure is never failure until you give in to it." This book will bring you true-life stories from courageous women who decided to take the stones that were thrown at them and build a bridge to the other side of their own personal success. These ladies are from different walks of life, but the one thing they all have in common is their belief that it is was God who brought them through it all. He was there every step of the way and provided them with divine strength to be an overcomer. It's our prayer that our stories will inspire you to keep pushing through your trials and be encouraged, knowing that if God called you to it, He will see you through it.

What's the most important thing in your life? Jay Austin did what it took to get ahead and make the quick sell at work. Problem was—the more successful he was, the more he traded what really mattered. His integrity. His relationship with his wife. His time with his son. He was chasing things that had no eternal significance. It wasn't until God slowly unraveled everything that he saw how empty his life had become. Now it will take a courageous heart and a saving grace for Jay to finally turn his drive into a desire for a more authentic life with God as well as with his wife and son. In a world filled with cheap imitations that distract us from God's higher plans, Flywheel is a powerful parable for all who hunger to live an authentic life.

Limitless: Living the Life of an Overcomer

Inspired by true events, Indivisible is a story of love, service, and finding each other all over again. Darren and Heather Turner share a passion for serving God, family, and country. When Darren is deployed to Iraq as an army chaplain, Heather vows to serve military families back home as she cares for the couple's three young children. Darren knows he's overseas to support the troops in their suffering as their chaplain. What he doesn't know is how he will get through his own dark moments. And as communication from Darren dwindles, Heather wonders what is happening in her husband's heart. Meanwhile, she's growing weary in the day-to-day life of a military base—each child's milestone Darren will never see, each month waiting for orders, each late-night knock on the door. When Darren returns, he is no longer the husband Heather once knew. She is no longer the woman Darren wed. And so it's at home that the Turners face their biggest battle: to save their marriage. Based on the screen play by David Evans, Indivisible is a tribute to the beauty of serving our country, the courage of choosing love in the darkness, and the power of a God who never gives up hope.

Breaking the Silence

Looking at yourself through God's eyes is like looking in a mirror. The first time I looked in God's mirror I hated what I saw about myself. One thing about taking that long hard look at yourself, it will make you pray. I am so grateful to God for allowing me to go through what I call the Overcoming Process. I had buried unforgiveness and hurt so deep in my spirit that it took many experiences and Godly revelation to be able to understand why my life had taken some of the turns it had. Through prayer and God's merciful long suffering I can now be proud of my reflection in God's mirror. I know now that my image is the reflection of His love for me.

Ten Secrets of Overcomers

A charming and engrossing novel for fans of Southern fiction and the recent hit memoir *Hillbilly Elegy* about a lush and storied coal-mining town—and the good people who live there—in danger of being destroyed for the sake of profit. Will the truth about the town's past be its final undoing or its saving grace? 1933. In the mining town of Beulah Mountain, West Virginia, two young girls form an unbreakable bond against the lush Appalachian landscape, coal dust and old hymns filling their lungs and hearts. Despite the polarizing forces of their fathers—one a mine owner, one a disgruntled miner—Ruby and Bean thrive under the tender care of Bean's mama, blissfully unaware of the rising conflict in town and the coming tragedy that will tear them apart forever. 2004. Hollis Beasley is taking his last stand. Neighbors up and down the hollow have sold their land to Coleman Coal and Energy, but Hollis is determined to hold on to his family legacy on Beulah Mountain. Standing in his way is Buddy Coleman, an upstart mining executive who hopes to revitalize the dying town by increasing coal production and opening the Company Store Museum. He'll pay homage to the past—even the massacre of 1933—while positioning the company for growth at all costs. What surprises them all is how their stories will intersect with a feisty octogenarian living hundreds of miles away. When Ruby Handley Freeman's grown children threaten her independence, she takes a stand of her own and disappears, propelling her on a journey to face a decades-old secret that will change everything for her and those she meets.
