Oxford Picture Dictionary English-Farsi Edition: Bilingual Dictionary for Farsi-speaking teenage and adult students of English

The New Oxford American Dictionary

A new edition of this popular topic-based dictionary which focuses on everyday, key vocabulary.

Oxford Picture Dictionary

4,000 words and phrases are organized thematically within 163 topics. Includes English to Spanish translations of vocabulary throughout, and an extensive index in Spanish at the back of the book. A fully integrated vocabulary development program in American English, progressing from essential words to the more complex, delivered in short thematic units. Realistic scenarios and modern artwork are easy to relate to and these, together with story pages and practice exercises, have been applauded for their success in promoting critical thinking skills. Content is fully supported by a range of components (in English only) - including Workbooks, Classroom Activities, Audio and website.

The Selfish Gene

Produced by Oxford's American Dictionaries Program, and drawing on the expertise of scores of American scholars and advisors, The New Oxford American Dictionary sets the standard of excellence for lexicography in this country. Here is the most accurate and richly descriptive picture of American English ever offered in any dictionary. Oxford's American editors drew on our 200-million-word databank of contemporary North American English, plus the unrivaled citation files of the world-renowned Oxford English Dictionary. We started with American evidence--an unparalleled resource unique to Oxford. Our staff logged more than 50 editor-years, checking every entry and every definition. Oxford's ongoing North American Reading Program, begun in the early 1980s, keeps our lexicographers in touch with fresh evidence of our language and usage--in novels and newspapers, in public records and magazines, and on-line, too. To provide unprecedented clarity, the entries are organized around core meanings, reflecting the way people think about words and eliminating the clutter and confusion of a traditional dictionary entry. Each entry plainly shows the major meaning or meanings of the word, plus any related senses, arranged in intuitive constellations of connected meanings. Definitions are supplemented by illustrative, in-context examples of actual usage. This major new edition of The New Oxford American Dictionary includes a guide to the pronunciations on every page, a new etymology essay by Anatoly Liberman, completely updated and revised maps, and more than a thousand new entries, covering everything new in our language from low-carb to warblog and beyond. The New Oxford American Dictionary is designed to serve the user clearly, simply, and quickly, with the precise guidance you expect from Oxford University Press. With in-depth and up-to-date coverage that all users need and expect--for reading and study, for technical terms, for language guidance--it continues the tradition of scholarship and lexicographic excellence that are the hallmarks of every Oxford dictionary. Web Site A companion web site is now available at www.oup.com/us/noad.

Oxford Picture Dictionary English/Spanish Dictionary

Videos in every unit present vocabulary in real-world contexts Focused writing exercises throughout the program help students incorporate their new vocabulary An electronic Vocabulary Notebook enables students to create and save their own OPD word lists New, vibrant art and clear navigation reflects that of the main book The teacher website provides extra resources and reference material at www.oup.com/elt/teacher/opd

Oxford Picture Dictionary ENGLISH-CHINESE

Oxford Picture Dictionary English-Japanese Edition: Bilingual Dictionary for Japanese-speaking teenage and adult students of English

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

Oxford Picture Dictionary

Accelerates Academic Language Development The Oxford Picture Dictionary Content Areas for Kids is a complete research-based language development program that uses vibrant, engaging illustrations to facilitate vocabulary acquisition and academic language success.

Boys Love Manga and Beyond

These reading and writing exercises correlates page-for-page with the dictionary. An answer key is included.

Oxford Picture Dictionary Interactive CD-ROM

First Published in 1985. Routledge is an imprint of Taylor & Francis, an informa company.

Oxford Picture Dictionary

The OPD Third Canadian Edition is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD, along with its workbooks and many other components, can be used as a reference book or as text

for high school or adult ESL students at the beginner level. For years, the Canadian edition of the OPD has been the industry leader among picture dictionaries. The new edition is a revision which updates and refreshes some existing content, adds new content, and makes some improvements based on market research and what users like most in the competition. The OPD is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups. Specific Canadian Features: In addition to the updating and refreshing, the following topics have been specifically Canadianized: * health care * government, military service, civic engagement, driver licensing Change details in 3e: * 10 New Pages * 45 new or revised large- and medium-size illustrations and tech art * 37 new photos and 2 realia revisions * 150 new and 52 revised Spot Illustrations * more than 562 word modifications (new words or changes)

Oxford Picture Dictionary Content Areas for Kids

With page for page vocabulary reinforcement activities, the High Beginning Workbook for The Oxford Picture Dictionary Third Edition provides unparalleled support to meet the needs of today's English language learners.

The Basic Oxford Picture Dictionary

The second edition of this well-loved dictionary with an increased emphasis on academic language, alignment to curriculum standards, and a research-based pedagogy.

Oxford Picture Dictionary Online Access Code

Published in 1988, this dictionary continues to be a favorite of many teachers.

Oxford Picture Dictionary

Oxford Picture Dictionary

A picture dictionary for elementary school students.

The Oxford Picture Dictionary for the Content Areas

Content is organized within 12 thematic units, including Everyday Language, People, Housing, Food and Recreation. Each unit starts with an Intro page (new to this edition) and ends with a story page, with single or double-page sub-topics introducing new words in a realistic visual context and easy-to-learn "chunks." The target new vocabulary is listed and simple practice activities help students put their new words into practice. Story pages include pre-reading questions to build previewing and predicting skills and post-reading questions and role-play activities to support critical thinking and to encourage students to use the new language they have learned. Rich visual contexts recycle words from the unit. This structure is designed to address the needs of multilevel classrooms. Supporting components include more guidance on this topic as well as assessing needs and lesson planning. (available in English only).

The Oxford Picture Dictionary, Second Edition: Instructors Desk Copy

The Oxford Picture English/Spanish Dictionary provides a fully integrated vocabulary development program, progressing from essential words to the more complex, delivered in short, thematic units. This edition still features the rich and vibrant illustrations that the Oxford Picture Dictionary is known and loved for. These illustrations present vocabulary in meaningful, real-life contexts to ensure success outside of class. So, what's new in the Third Edition? 11 new and expanded topics. What words do students need to navigate a doctor's appointment? Or on their first day at a new job? New and expanded topics - Illnesses and Medical Conditions, Health Insurance, Cyber Safety, Job Search, Career Planning, Soft Skills, First Day on the Job, Inside a Company, Information Technology, Digital Literacy, Internet Research - focus on the important life skills students need today. Updated activities and an increased focus on 21st century skills help students prepare for work, academic study, and citizenship. A focus on Oxford 3000 vocabulary ensures students learn the most useful and important words.

When the Whalers Were Up North

4,000 words and phrases are organized thematically within 163 topics. Includes English to Japanese translations of vocabulary throughout, and an extensive index in Japanese at the back of the book. A fully integrated vocabulary development program in American English, progressing from essential words to the more complex, delivered in short thematic units. Realistic scenarios and modern artwork are easy to relate to and these, together with story pages and practice exercises, have been applauded for their success in promoting critical thinking skills. Content is fully supported by a range of components (in English only) - including Workbooks, Classroom Activities, Audio and website.

New Oxford American Dictionary, Third Edition

The Oxford Picture Dictionary Canadian Workbooks are accompaniments to the OPD that allow it to be more easily used in the classroom as a core text. They correlate to the dictionary page-for-page with vocabulary reinforcing exercises at each of the three available levels. Each book comes with a listening section at the back of the book and access to online audio. The workbooks can also be used for self study.

Oxford Picture Dictionary English-Arabic Edition: Bilingual Dictionary for Arabic-speaking teenage and adult students of English.

A new edition of the popular picture dictionary, available in 13 bilingual editions that meet the language needs of young adult and adult students around the world.

The Basic Oxford Picture Dictionary

With page for page vocabulary reinforcement activities, the Low Intermediate Workbook for The Oxford Picture Dictionary Third Edition provides unparalleled support to meet the needs of today's English language learners.

Classic Classroom Activities

4,000 words and phrases are organized thematically within 163 topics. Includes English to Korean translations of vocabulary throughout, and an extensive index in Korean at the back of the book. A fully integrated vocabulary development program in American English, progressing from essential words to the more complex, delivered in short thematic units. Realistic scenarios and modern artwork are easy to relate to and these, together with story pages and practice exercises, have been applauded for their success in promoting critical thinking skills. Content is fully supported by a range of components (in English only) - including Workbooks, Classroom Activities, Audio and website.

Research Methodology in Strategy and Management

4,000 words and phrases are organized thematically within 163 topics. Includes English to Arabic translations of vocabulary throughout, and an extensive index in Arabic at the back of the book. Oxford Picture Dictionary English-Spanish Edition: Bilingual Dictionary for Spanish-speaking teenage and adult students of English.

An ethologist shows man to be a gene machine whose world is one of savage competition and deceit

The Oxford English Dictionary

Boys Love Manga and Beyond looks at a range of literary, artistic and other cultural products that celebrate the beauty of adolescent boys and young men. In Japan, depiction of the “beautiful boy” has long been a romantic and sexualized trope for both sexes and commands a high degree of cultural visibility today across a range of genres from pop music to animation. In recent decades, “Boys Love” (or simply BL) has emerged as a mainstream genre in manga, anime, and games for girls and young women. This genre was first developed in Japan in the early 1970s by a group of female artists who went on to establish themselves as major figures in Japan’s manga industry. By the late 1970s many amateur women fans were getting involved in the BL phenomenon by creating and self-publishing homoerotic parodies of established male manga characters and popular media figures. The popularity of these fan-made products, sold and circulated at huge conventions, has led to an increase in the number of commercial titles available. Today, a wide range of products produced both by professionals and amateurs are brought together under the general rubric of “boys love,” and are rapidly gaining an audience throughout Asia and globally. This collection provides the first comprehensive overview in English of the BL phenomenon in Japan, its history and various subgenres and introduces translations of some key Japanese scholarship not otherwise available. Some chapters detail the historical and cultural contexts that helped BL emerge as a significant part of girls’ culture in Japan. Others offer important case studies of BL production, consumption, and circulation and explain why BL has become a controversial topic in contemporary Japan.

The New Oxford Picture Dictionary

A comprehensive, flexible, and up-to-date vocabulary reference and teaching tool for English language learning. The Oxford Picture Dictionary and its components create a highly teachable programme that can be used as a complete, four-skills beginning course, or as a language development supplement and practical reference.
