Gardens of the Righteous

The Power of Praying® for Your Adult Children

These three colorful books offer gripping stories of how God shows his mercy and accomplishes his will through human actions. Jonah is a reluctant prophet who must be swallowed by a whale before he delivers his message to Israel's ancient enemies at Nineveh that they must repent or face doom. Tobit tells of the trials and tribulations of a family, and the power of prayer as God sends an angel to guide Tobit's son Tobiah on a journey of resolution. In the book of Judith, a simple and courageous widow, rather than an army, saves her people from destruction by a powerful enemy. This rich commentary explores the significant themes of each book, showing that God is intimately involved

with the destiny of humankind.

A prayer book for one and for all, for personal prayer and family blessing, *The Work of Your Hands* gives voice to the prayers of the heart. Diana Macalintal lifts up the extraordinary and the ordinary moments of life in humble yet beautifully wrought prayers that evoke our longings, confess our fears, and sing of our joys. Offering praise and asking for blessing, she helps us recognize the presence and grace of God in the work and play, the up and down of daily life.

Freak the Mighty

We all want to live well, but how can we put that desire into action? With thoughtful reflection on the biblical wisdom writers and the Rule of Benedict, Irene Nowell shows us how we too can live the good life. Each chapter includes reflection questions and meditative prayers, guiding us on a renewed journey toward wisdom and encouraging us to embody this wisdom more in our daily lives.

Social Identity in Nahum

Max is used to being called Stupid. And he is used to everyone being scared of him. On account of his size and looking like his dad. Kevin is used to being called Dwarf. On account of his size and being some cripple kid. But greatness comes in all sizes, and together Max and Kevin become *Freak The Mighty* and walk high above the world. An inspiring, heartbreaking, multi-award winning international bestseller.

Women in the Old Testament

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

The Christian Pioneer

Charles Haddon Spurgeon is commonly called The Prince of Preachers, a title he rightly deserves. At the height of his ministry he preached to crowds of ten thousand every Sunday. Now, a hundred years after his death, Spurgeon's sermons remain insightful, convicting, practical, and timely as when he preached them from the pulpit of the Metropolitan Tabernacle.

The women in the Old Testament, too long invisible, have rich stories that are vital to the on-going revelation of God's relationship with a covenant people. *Women in the Old Testament* introduces readers to some biblical women. Here, readers meet mothers and wives, queens and slaves, prophets and warriors, powerful women and victims; women whose stories offer us courage and insight. In *Women in the Old Testament* Sister Irene explores not only the lives of such well-known women as Sarah, Deborah, Ruth, Eve, and Naomi, but also those of lesser-known women such as Michal, Tamar, and Jezebel. Each of these women has unique characteristics; each of their stories is food for our imaginations. In addition, Sister Nowell looks at those Bible stories that tell us what it means to be a woman created in the image of God and that portray God in the image of a woman. Biblical stories help us imagine the relationship of God with human beings, and they give us words to describe our own relationship with God. This introduction to the lives of biblical women encourages readers - in adult study groups and those who are interested in the many women in the Old Testament - to search for more accounts of biblical women and also to find the narrative of faith reflected in the stories of their own lives. Sister Irene begins each chapter with suggestions for readings and includes biblical excerpts. Chapters are: *Women of Israel's Beginnings: Sarah and Hagar;* "More Women of Israel's Beginnings: Rebekah, Leah and Rachel, The Maids, Dinah, Tamar;" *Women of Israel's Passover: The Midwives, Moses' Mother, Pharaoh's Daughter, Miriam, Zipporah;* "Women of Israel's Early Tribes: Rahab, Deborah and Jael, Jephthah's Daughter, Samson's Mother, Samson's Wife, Delilah;" "More Women of Israel's Early Tribes: Ruth, Naomi, and Orpah ,Hannah and Peninnah;" "Women of Israel's Monarchy: Michal, Bathsheba, Tamar, Queen of Sheba, Jezebel;" "Woman, The Image of God: Eve, Wisdom/Sophia;" "Women of Courage and Strength: Judith, Susanna;" and "Queen Esther." A

bibliography is also included. Irene Nowell, OSB, is the director of community formation for the Benedictine sisters of Mount St. Scholastica in Atchison, Kansas. She is an experienced college and adult education teacher of Scripture and a workshop and retreat presenter. She is the author of *Sing a New Song: The Psalms in the Sunday Lectionary*, also published by The Liturgical Press. She is also a member of the editorial board for the revised Old Testament of the NAB. "

An Introduction to the Scriptures of Israel

In this textbook for Hebrew Bible courses, Tzvi Novick takes a thematic approach rather than a chronological one. Sorting the books according to their historical context, theological claims, and literary conventions, Novick explores the historical and intellectual development of the Hebrew Bible. With attentiveness to historical-critical and traditional-canonical approaches, *An Introduction to the Scriptures of Israel* focuses on the dichotomy of the particular and the universal. It shows how this dichotomy impacts each book's style and content and how it informs Jewish and Christian traditions as they develop. This nontraditional textbook is coherent, engaging, and succinct--a perfect resource for any introductory Hebrew Bible course.

Primer on Biblical Methods

Psalms

Walter Cardinal Kasper has written, "It is time, it is the right time, to speak of God." This book invites readers to use their God-given ability to work through important questions that many people have about God today: Why is God so angry in the Bible? Is the biblical God male or female (or what)? Who is Satan? Why do people suffer? By exploring the Bible's answers to these and other biblical questions, people can come to understand better their living and loving God.

Numbers

Many people today find that their prayers don't "work." And like a broken cell phone, DVD player, or TV remote, they throw prayer out as unnecessary "clutter" in their busy lives. Anne Graham Lotz has found that while prayer does work, sometimes the "pray-ers" don't. So she has turned to the prophet Daniel for help. The Daniel Prayer is born deep within your soul, erupts through your heart, and pours out on your lips, words created by and infused with the Spirit of God quivering with spiritual electricity. It's really not an everyday type of prayer. It's a prayer birthed under pressure. Heartache. Grief. Desperation. It can be triggered by a sudden revelation of hope. An answer to prayer, a promise freshly received, a miracle that lies just over the horizon. Join Anne in a thrilling discovery of prayer that really works. This book will help you pray effectively for your nation, for your families, and for yourself.

Wisdom: The Good Life

This scholarly study of the Psalms retains its rigor while focusing particularly on the pastoral use of the Psalms, looking at how they may function as voices of faith in the actual life of the believing community.

How Human is God?

A fiercely authentic, critically acclaimed and award-winning modern classic. 'Speak up for yourself - we want to know what you have to say.' From my first day at Merryweather High, I know this is a lie. Nobody will even talk to me, let alone listen - all because I called the cops on an

end-of-summer party. But if I could only tell everyone why I called the police that night If I could explain what happened to me If I could speak Then everything might change. 'With the rise of women finding their voices and speaking out about sexual assault in the media, this should be on everyone's radar Powerful, necessary, and essential.' - Kirkus

Jonah, Tobit, Judith

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Israel's Wisdom Literature

Irene Nowell's work would be both impressive and important if she were only" a masterful Scripture scholar or a gifted spiritual guide or a compelling teacher. The fact that she is all three makes her an extraordinary resource for Christians today. In Pleading, Cursing, Praising, Nowell puts all of these gifts to use to offer a guide to praying with the psalms. Nowell maintains that the psalms teach us to tell our story, to cry out our pain, and to give praise to God. They also teach us to listen - to the voice of God, the voice of Christ, the voices of the people around us, and the voice of all creation. This book includes questions and exercises for personal reflection, brief prayers for praying along the way, and suggestions for composing one's own psalm-prayers. It promises to enrich the spiritual life of everyone who reads it.

Speak

Psalms for All Seasons

Love and tragedy dominate book four of Virgil's most powerful work, building on the violent emotions invoked by the storms, battles, warring gods, and monster-plagued wanderings of the epic's opening. Destined to be the founder of Roman culture, Aeneas, nudged by the gods, decides to leave his beloved Dido, causing her suicide in pursuit of his historical destiny. A dark plot, in which erotic passion culminates in sex, and sex leads to tragedy and death in the human realm, unfolds within the larger horizon of a supernatural sphere, dominated by power-conscious divinities. Dido is Aeneas' most significant other, and in their encounter Virgil explores timeless themes of love and loyalty, fate and

fortune, the justice of the gods, imperial ambition and its victims, and ethnic differences. This course book offers a portion of the original Latin text, study questions, a commentary, and interpretative essays. Designed to stretch and stimulate readers, Ingo Gildenhard's incisive commentary will be of particular interest to students of Latin at both A2 and undergraduate level. It extends beyond detailed linguistic analysis to encourage critical engagement with Virgil's poetry and discussion of the most recent scholarly thought.

Abnormal Psychology

How can the psalms, those ancient Hebrew songs of praise, speak to today's believers? Can these prayers enhance the prayer life of such believers? By examining fifty-five psalms, the author demonstrates how these prayers can speak to different stages in the life of individuals and communities. Some speak to moments of balance and harmony. Others look to our times of disaster and disillusionment. Still others reflect on God's capacity to surprise and change our lives. They are indeed Psalms for all Seasons. A blend of biblical scholarship and pastoral theology, this work is especially well-suited for adult Bible study groups, college courses, prayer groups, those who pray the Liturgy of the Hours, or any group or individual with an interest in the psalms. The inclusive-language 1991 NAB translation is used.

The Complete Works of Thomas Dick, LL.D.

Dianne Bergant offers a fresh approach to all the wisdom books of the Hebrew Bible and the Greek Apocrypha: Job, selected psalms, Proverbs, Ecclesiastes, Song of Songs, Wisdom of Solomon, and Sirach. She concentrates on the final canonical form of each book and takes the "integrity of creation" as the basic interpretive perspective. This means, among other things, that the idea of the unity of humankind—indeed, the unity of all living things—lies at the heart of the approach. Israel's Wisdom Literature is part of a four-volume set, "A Liberation-Critical Reading of the Old Testament," edited by Alice L. Laffey. The Pentateuch (1988) is now available and volumes on Deuteronomic history and the prophets will be forthcoming.

Decolonization of Biblical Interpretation in Africa

This six-part study introduces participants to foundational spiritual practices. It is structured to cultivate Christian covenant community, encouraging participants to build relationships with one another as they deepen their relationship with God. The introduction encourages participants to view discipleship as a lifelong journey, not merely a static set of beliefs. Using the journey of Abraham as an example, it provides an opportunity for participants to outline significant "stops" along their life's journey. The five practices include Scripture, prayer, generosity, evangelism (or witness), and service. In the Scripture session, participants read covenants from the Hebrew and Christian Scriptures as relational documents that deepen our understanding of the relationship God desires with us. The prayer session outlines types of prayer, discusses obstacles to prayer, and introduces classic prayer forms. The generosity session highlights an ancient understanding of grace, encouraging participants to understand giving as an expression of their trust in God. The evangelism session encourages participants to view their lives as compelling narrative and provides a structure for crafting their spiritual autobiography. The final session, service, considers our role within the church and the world, providing a process for discernment by evaluating skills and passions in light of the needs around us.

The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.

The Odyssey of Homer

The Book of Nahum's moving and disturbing poetry provides a prophetic glimpse on the social identity dynamics of ancient Israel. A multidimensional reading of Nahum leads to a theological-ethical model for interpreting uncomfortable texts like the oracles concerning the nations.

The Message of the Psalms

What happens to the Responsorial Psalm in the Sunday liturgy? How can it help us pray the Sunday readings? How can it help in planning the liturgy? The Responsorial Psalm is the most neglected part of the Liturgy of the Word, yet it can be the key to all the rest. Its intent is to help bring the message of the other readings into our lives. This book addresses the riches of the Responsorial Psalm for every Sunday of the three-year cycle. It explains the psalm genre, offers exposition on the meaning and beauty of the psalm itself, and comments on the relationship of the Responsorial Psalm to the other readings. It is the book for anyone who wants to understand and appreciate the Sunday readings -- preachers, catechists, liturgists and all the people in the pews.

Irene Nowell admits that the book of Numbers rarely makes the top ten list of favorite biblical books." But through her insightful interpretations and practical reflections, readers will gain a new and positive appreciation of the text. With Nowell, readers will relish the harassment and humor of the prophet Balaam and his talking donkey in chapters 22 '24. We too are blessed by this delightful and ingenious God who communicates through a loquacious animal. This same God lives and moves with us, meets our needs as we wander through our personal and communal wilderness, defends us against the enemies of our sinfulness better than we can ever do in our weakness and fickleness, and eventually brings us to our promised place of glory. And God wants all of us to "be in thatnumber." Irene Nowell, OSB, of the Benedictine

community of Mount Saint Scholastica in Atchison, Kansas, is a member of the translation team of the revised Old Testament of the New American Bible. She teaches Scripture courses at Saint John's School of Theology's seminary, Collegeville, Minnesota. Nowell is a member of the Committee on Illuminations and Texts for The Saint John's Bible and a past president of the Catholic Biblical Association. She is author of Jonah, Tobit, Judith in the Collegeville Bible Commentary; Sing a New Song: The Psalms in the Sunday Lectionary; and Women in the Old Testament, all published by Liturgical Press. "
