Reduce stress while challenging your mind--connect the dots to connect with simple pleasures of home and the outdoors. This connect-the-dots coloring book features images from around the home, in the garden, and from nature. Steve Duffendack has developed a unique approach to connecting the dots that allows for more diversity in how a page can be completed. Instead of only dots there are various shapes to connect. Find the same shapes, then connect the numbers within that group. After all the groups are connected, color the scene!
