A Secret Word

### Practice Makes Perfect Complete Spanish Grammar

Jennifer Paddock's incandescent debut novel spans fifteen years in the lives of friends Leigh, Sarah, and Chandler, beginning one fateful day in high school that forever connects them. While Leigh remains stuck in dead-end jobs in their Arkansas hometown, the more privileged Sarah and Chandler move to Manhattan, where Sarah seeks acting fame and Chandler struggles to make sense of her failed relationships, only to be sent reeling by an unexpected tragedy. Sweeping from the Deep South to New York and interweaving each girl's distinctive voice into a seamless narrative, *A Secret Word* is a luminous story of friendship and family, sex and secrets, growing up and growing apart. It is about how well you can ever really know another person and the secrets we keep from our friends, our families, and, most important, ourselves.

We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The German dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the German translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well.
