The Book of Psalms

Enjoy Bible Reading with Interactive Puzzles! What if a fun puzzle made Bible reading more enjoyable and interactive? The Seek and Find puzzle series offers a great way to unwind and meditate on stories and teachings from Scripture while solving fun puzzles. This activity book contains Psalms 1-50 on the left-hand pages and word search puzzles on the right-hand pages. Readers will enjoy reinforcing their knowledge of the Bible or encountering the Bible for the first time in a fun way. From beginning to end, each volume of this interactive series will engage readers of all ages-whether 8 or 88-with the transformational stories and teachings of the Bible. Since the puzzles are challenging but not overly difficult, these books provide enjoyment for both kids and adults alike. Each word search offers clues that require the reader to look in the text for the answer and then find the word in the puzzle. Readers will spend hours of fun contemplating biblical truths as they look in the word search vertically, diagonally, forward, and backward. Be sure to check out our entire series of puzzle books for other Bible books too-they're great for at home, at church, and on the go. If you struggle with reading the Bible regularly or want to meditate more on God's Word, if you want to increase the fun factor in your Bible study or help your kids hide God's Word in their hearts, scroll up and explore the Bible in a unique, fun, and challenging way with the Seek and Find puzzle series.

An Exposition of Psalms

The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to

communicate the text effectively. The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture. Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding, teaching, and illustrating the text.

Psalms, Volume 1

A Critical and Exegetical Commentary on the Book of Psalms; Volume 1

Provides an introduction to the literary, historical, and theological background of psalmody. Examines the psalms through liturgy and prayer, study and preaching, translation and imitation, and musical composition and artistic illustration. Includes illustrations of significant psalms, helpful maps, and an extensive bibliography. --From publisher's description.

Commentary on the Book of Psalms

"John Phillips writes with enthusiasm and clarity, . . . cutting through the confusion and heretical dangers associated with Bible interpretation." —Moody Magazine

The Midrash on Psalms

If you love, or want to love, or think perhaps you ought to love the Psalms, this first instalment of a two-volume set on the Psalter is for you. The purpose of the Psalms is that we learn to pray them, allowing them to - as Augustine put it - settle us more deeply in Christ. Volume 1 explores this purpose, showing how the Psalms should be studied, while Volume 2 focusses in on a chapter by chapter exposition. These volumes aim to help you pray the Psalms from the heart.

Psalms Through the Centuries

Third volume of the long-awaited translation of one of Augustine's classics and a great work in Christian literature. Newly translated by Maria Boulding, O.S.B., whose masterful translation of Augustine's Confessions in the same series has been praised as being "of a different level of excellence from practically anything else in the market" (Bishop Rowan Williams, Monmouth, England). As the psalms are a microcosm of the Old Testament, so the Expositions of the Psalms can be seen as a microcosm of Augustinian thought. They recapitulate and focus the experiences of Augustine's personal life, his theological reflections, and his pastoral concerns as Bishop of Hippo.

The Homilies of Saint Jerome, Volume 1 (1-59 on the Psalms) (The Fathers of the Church, Volume 48)

Reproduction of the original: The Expositor's Bible: The Psalms, Vol. 1 by A. Maclaren

Expositions of the Psalms

Most Bible commentaries take us on a one-way trip from the twentieth century to the first century. But they leave us there, assuming that we can somehow make the return journey on our own. In other words, they focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable--but the job is only half done! The NIV Application Commentary Series helps us with both halves of the interpretive task. This new and unique series shows readers how to bring an ancient message into modern context. It explains not only what the Bible means but also how it can speak powerfully today.

Truth Commentaries

A Grimoire of the Psalms Volume 1

Psalms Volume 1- Everyman's Bible Commentary

New Century Bible

In this first volume of a three-volume commentary on the book of Psalms, John Goldingay, a creative and respected Old

Testament scholar, considers literary, historical, and grammatical dimensions of the text as well as theological implications. Goldingay writes with a scholar's eye and a pastor's heart. The resulting commentary will bring the Psalms to life for a new generation of pastors and students. In addition to the commentary on Psalms 1-41, this volume contains Goldingay's introduction to the entire book of Psalms. Also included is an extensive glossary section treating the vocabulary of Psalms 1-41, which notes how certain words are used to convey critical concepts. This is the third volume in the Baker Commentary on the Old Testament Wisdom and Psalms series.

Psalms : Volume 1 (Baker Commentary on the Old Testament Wisdom and Psalms)

Spurgeon's timeless classic on Psalms in two easy-to-read volumes. A book readers will want to meditate on and share with others.

A Commentary on the Book of Psalms

Psalms

Teaching Psalms Vol. 1

For hundreds of years Christendom has been blessed with Bible commentaries written by great men of God highly respected for their godly walk and their insight into spiritual truth. The Crossway Classic Commentaries present the very best work on individual Bible books, carefully adapted for maximum understanding and usefulness for today's believers. This book and its companion volume share the practical encouragement from a favorite Bible book. Charles H. Spurgeon spent twenty years compiling his seven-volume exposition of Psalms, which Crossway has carefully edited for the modern reader. In the words of Spurgeon in his Preface: "None but the Holy Spirit can give a man the key to the Treasury of David; and even he gives it rather to experience than to study. Happy he who for himself knows the secret of the Psalms. In these busy days, it would be greatly to the spiritual profit of Christians if they were more familiar with the Book of Psalms, in which they would find a complete armory for life's battles, and a perfect supply for life's needs."

Psalms Through the Centuries

This series weaves together the New International Version "RM" of the Bible with in-depth commentary to enrich your

understanding of the Bible. Features include: -- Easy-to-read commentary that follows the text so you learn as you read -- Bible passages at top of each page for easy reference -- NIV Bible text highlighted in bold -- Important facts are identified to expand understanding of Bible times and help apply passages to life today This series is an excellent companion text for Bible study leaders and for individual use.

The Book of Psalms, Volume 1

The Psalms is one of the most widely loved books of the Bible. A source of instruction for our prayers, inspiration for our songs, and consolation for our tears, these biblical poems resound with the whole spectrum of human emotion and teach us to hope in God each and every day. In the first volume of a three-part commentary on the Psalms, pastor James Johnston walks readers through chapters 1-44, offering exegetical and pastoral insights along the way. In an age that prizes authenticity, this resource will help anyone interested in studying, teaching, or preaching the Bible to truly engage with God in a life-changing and heart-shaping way. Part of the Preaching the Word series.

Psalms : Volume 1 (Teach the Text Commentary Series)

PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is dependent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream-fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us

that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing

Commentary on the Book of Psalms

Exploring Psalms

Come Close and Meet the One Who Loves You How do you jog your memory and restore your vision of God? A fresh encounter! Look into the face of the Father and see him smile with delight as he gazes adoringly at you. Open your eyes and stand amazed at the glory and intricacies of creation and remember the vastness of God's handiwork. Peek behind the veil of eternity and get a glimpse of heavenly worship and be swept into the party of praise. The book of Psalms opens our hearts and eyes to the presence, power, and character of God. In this ancient prayer book we discover how to connect with the One who loves us more than we dare to dream.

Psalms

Psalms Volume 1

Volume 1.

Psalms (Vol. 1)

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

A Brief Explication of the Psalms

In this collaboration between Alabaster Co. and IVP, the full text of Psalms 1-72 is presented alongside beautiful full-color photographs and guided meditations by Kathy Khang. These guided meditations invite readers into deeper reflection by incorporating the church's ancient lectio divina and visio divina traditions.

Psalms

This 2009 facsimile second edition was reproduced from Jay K. Stehouwer's personal two volume set, originally published by Besley and Son, London, 1817. -- T.p. verso.

Biblical Commentary on the Psalms

The Psalms can be sung, spoken or read - but they were written to be prayed. Until we pray them from the heart we miss their purpose. If you love, or want to love, or think perhaps you ought to love, the Psalms, this second instalment of a two-volume set on the Psalter is for you. Christopher Ash does a careful exegesis through the Psalms, bringing them to life.

Psalms

A Grimoire of the Psalms Volume 1 Psalms 1-50 is a collection of seals, talismans, and workings for various esoteric applications, invoked and consecrated by the powers of the Psalms of the Holy Bible.

Daniel

This volume contains fifty-nine homilies preached by St. Jerome on selected Psalms.

Psalms

This is the first of a two-volume bible commentary covering the Psalms and examining the role of these biblical poems throughout Jewish and Christian history. Provides a fascinating introduction to the literary, historical, and theological background of psalmody Examines the psalms through liturgy and prayer, study and preaching, translation and imitation, and musical composition and artistic illustration Includes illustrations of significant psalms, helpful maps, and an extensive bibliography; an expanded bibliography to accompany the book is also available at www.wiley.com/go/gillingham A forthcoming second volume is planned, which will take an alternative psalm-by-psalm approach Now available in paperback, and published in the innovative reception-history series, Blackwell Bible Commentaries

The Book of Psalms

The first of a three-volume commentary on the book of Psalms. Considers literary, historical, and grammatical dimensions of the text, as well as theological implications.

The Psalms (Vol. 1)

Teaching Psalms Vol. 2

Perhaps more clearly than any other part of the biblical canon, the Psalms are human words directed to God. Yet, through the Holy Spirit, these honest, sometimes brutal words return to us as the Word of God. Their agonies and exaltations reflect more than the human condition in which they were created. Within the context of the canonical Psalter, they become the source of divine guidance, challenge, confrontation, and comfort. However, it is possible to misapply them. How can we use the Psalms in a way that faithfully connects God's meaning in them and his intentions for them with our circumstances today? Drawing on over twenty years of study in the book of Psalms, Dr. Gerald H. Wilson reveals the links between the Bible and our present times. While he considers each psalm in itself, Wilson goes much further, examining whole groups of psalms and, ultimately, the entire Psalter, its purpose, and its use from the days of Hebrew temple worship onward through church history. In so doing, Wilson opens our eyes to ageless truths for our twenty-first-century lives. Most Bible commentaries take us on a one-way trip from our world to the world of the Bible. But they leave us there, assuming that we can somehow make the return journey on our own. They focus on the original meaning of the passage but don't discuss its

contemporary application. The information they offer is valuable—but the job is only half done! The NIV Application Commentary Series helps bring both halves of the interpretive task together. This unique, award-winning series shows readers how to bring an ancient message into our postmodern context. It explains not only what the Bible meant but also how it speaks powerfully today.

A Critical and Exegetical Commentary on the Book of Psalms

This Bible Study has 12 Lessons Proven resources for deeper exploration of scripture, Living Word Bible Studies provide effective guidance for groups and individuals alike. Each lesson includes questions for five days, plus helpful context and commentary, to lead to ever-increasing satisfaction, discernment, and delight in God's Word. Psalms, Volume 1 gives an overview of this genre of Scripture, equipping the reader to explore the whole of the Psalms. This new edition features a fresh cover and interior design, printed with a special lay-flat binding. The text is unchanged.

Studies in Psalms: Volume 1 (1-72).

The Expositor's Bible: The Psalms, Vol. 1

Combining in a most helpful presentation both scholarly exegesis and practical application, this commentary discusses the meaning of the first fifty psalms. The Psalms served as the hymnbook of ancient Israel and expressed their deepest emotion and reverence toward God, so they are particularly well suited for devotional study. Dr. Alden says, "Here, more than any other place in the Bible, the heartthrob of the saint is heard. Here are the most exalted expressions of God's greatness; here are the most bitter groans of the sinful and the sick. Here is something for everyone in every mood." Each psalm is examined and discussed individually in sequence. The meaning of each psalm is carefully explained and an outline provided. An introductory section deals with the psalter as a whole and the questions of date and authorship. With all the helpful features utilized in the other Everyman's Bible Commentaries this is an ideal book for personal or group study, whether in a classroom or at home.
