Dark Goddess Tarot

Far back in time, light from the underlying fabric of creation burst forth creating the super-luminous event through which our Universe was born. Time began its endless journey through ever-expanding space. The early universe was simply a sea of particles floating through space and time. But life's invisible wheels were already in motion and over time the sea of particles became a sea of stars from which Gaia, our Earth, was born - a living, breathing entity - our Goddess, our Mother and our reflection. The Gaia Oracle, a beautiful new oracle set from bestselling artist Toni Carmine Salerno, consists of 45 richly illustrated cards designed to point you in love's direction and help you find the answers you seek.

Whispers of Love

"When individuals are suffering through unpleasant or undesirable situations and circumstances, they are often unaware of how they participate in creating or re-creating their experience. In severe cases, there is addiction or suffering. Frequently, my first attempt

at offering suffering individuals another way of seeing their experience is met with fierce resistance, which I call "the fight to be right." Often people unwittingly fight to maintain ownership of the very limitations that cause their suffering. Unfortunately, while fighting for their limitations, most fail to realize this is not a fight they want to win. Rather than engage them in a mental or emotional sparring match, I ask one simple question: "What is your prayer?" When an individual seriously contemplates this question, stories about how pain and suffering should or can be tolerated begin to recede. The ego has very few arguments that can survive the power of an earnest and heartfelt prayer."--
