There's horse trouble in Montana again in this second installment in Amish author, Linda Byler's, series, "Sadie's Montana." Someone is shooting horses and Sadie is determined to find out who it is. That is until she begins to suspect that Mark, her boyfriend, may be involved. Will Sadie discover the truth? Will it be too hard to bear? There's horse trouble in Montana again. Mark, on the other hand, finds it hard to tell Sadie the secrets of his past. He tells her pieces of the shadowy story, then won't speak to her for weeks. Sadie's troubles continue at home when she discovers that her youngest sister, Anna, is struggling with bulimia. As Sadie's world spins out of control, her palomino, Paris, remains her sole confidant. But does Sadie put Paris in danger every time they go riding? Bestselling Amish Author Linda Byler's First Novel in the Sadie's Montana Amish Romance Series! The Miller family's move from Ohio to Montana was, for the most part, uneventful, except that Sadie Miller had to leave her beloved horse, the palomino named Paris. Still, she likes the Montana snows and her job at Aspen East Ranch serving the ranch hands. Unexpectedly, Ezra appears, the man who seems to be perfect in every way and fully intends to marry Sadie. But does she love him back? And who is this fascinating Mark who helps to rescue a dying horse and shows up at the Amish hymn-sing though he is English? Why can't she get his dark eyes and tall stature out of her mind? Now Sadie's own close-knit family is falling apart. Mam claims her head is cluttered and unclear, and she no longer trusts herself to make a chocolate cake from scratch or to cut Reuben's hair in a straight line. The worst part is, Dat refuses to acknowledge Mam's struggles. Sadie finds some refuge in Nevaeh, a black and white paint. But when a dreadful accident involving wild horses occurs, Sadie must move forward into the unknown future. Will Dat let Mam seek professional help? Will Mam be willing to go? Will Mark be at the next hymn-sing? Is he Amish or English? Will he like her favorite pink dress? Will she see the wild horses again? Why do these phantom-like animals take her breath away every time they appear on the horizon? Pickups A Love Story

A gripping romance by bestselling Amish writer Linda Byler The setting is the beginning of an Amish settlement in colonial America in the forests of eastern Pennsylvania. There, a young Amish couple, Hans and Kate Zug, are in their ninth year of marriage, still waiting to have a child. Then, one April morning, Kate finds a Native infant, wrapped in deerskin and placed next to the spring where she went to fill her water bucket. Kate and Hans cherish Hester, despite the pointed question of Hans's mother—"What makes you think you can raise her Amish, with her Indian blood?" Struck by his daughter's unusual beauty, Hans insists on choosing the fabric for her handmade dresses. And when his and Kate's first son is born a year later, Hans despairs of his homely face and nearly bald head. In fact, Hans continues to give his fullest attention and affection to Hester, even as eight more children are born to him and Kate. Hester

glows as she grows, an unmistakable beauty both inside and out, and charms her adopted Amish community. But then, an elderly Lenape woman hands Hester a package of medicinal herbs to rout an infection that is threatening Kate's life. A trust passes between the wizened and the youthful Native women. In that moment, Hester recognizes that she belongs to two worlds, both intent on possessing her. When Amish Indian Hester realizes that she must leave her tension-filled home for her sake and her father's, she takes only two possessions: the leather-bound book of remedies left for her by the old Lenape woman and her memories of the Amish ways.

Amen Sister

The Final Book in Bestselling Amish Writer Linda Byler's Lancaster Burning Trilogy Who is responsible for setting the barn fires that continue to keep the Amish of eastern Lancaster County, Pennsylvania, on edge? Who is responsible for seeing that they are stopped? In this third and final novel in the Lancaster Burning series, author Linda Byler takes us inside the home of Davey Beiler, the leader of this Amish district. He clearly feels the heat in more ways than one. Some of the younger members of his church are ready to testify against the man who has allegedly started at least several of the fires. Davey counsels patience and forgiveness. But when Sarah, Davey's daughter, spots flames late one night in the widow Lydia's barn, Sarah refuses to let the fire win. She gets the horses out just in time, but not before a beam explodes overhead, knocking her to the ground as the barn rages in flames all around her. In that moment, Sarah's life "turned darker than black." Gone were her lovely good looks, her life as a teacher, and perhaps the attention of the two young men who had been so drawn to her. No one suffers more torment than Davey, who wonders if he was really responsible for Sarah's accident. If he had agreed to have police guard the Amish farms, as some wanted, Sarah would not have been hurt. The Amish may be peace-loving, but they are not without their tensions. Author Byler, who is herself a member of the Amish, writes a tautly told story, full of dark fears, difficult dilemmas, and deep love.

The Dakota Series Trilogy

The Amish community of Lancaster is being terrorized by barn fires. David and Malinda Beiler's barn was the first to go. When a second Amish barn burns for suspicious reasons, the Amish grow more restless. Can Sarah, David and Malinda's daughter, end the terror that is pulling apart their community, even as her own heart is pulled between two young men? *Fire in the Night, Book 1:* Sarah observes her parents' agony after their barn burns to the ground, apparently by an arsonist. Not only is she afraid, and wishing she could protect her parents, she's entranced by the flirtatious Matthew Stoltzfus. He's dating her friend Rose, but when he tenderly bandages Sarah's hand after she burned it at the barn raising, she wonders whom he's really interested in. *Davey's Daughter, Book 2:* Sarah thinks Ashley, whom she's met at the local farmers market, knows more about the fires than she will admit. But Sarah can't convince her to share her secrets. Should the Amish finally resort to police protection? Matthew is asking if the Amish church is the right fit for him. Will Sarah follow him if he decides to leave the community? Sarah's mother urges her to pay more attention to handsome newcomer Lee, the hardworking Amish man who helps anyone in the community in need. How will Sarah respond to all of the forces that are pulling her in different directions? *The Witnesses, Book 3:* When Sarah spots flames late one night in the widow Lydia's barn, she refuses to let the fire win. She gets the horses out just in time, but not before a beam explodes overhead, knocking her to the ground as the barn rages in flames all around her. Gone were her lovely good looks, her life as a teacher, and perhaps the attention of the two young men

who had been so drawn to her. Wild Horses

'One of the world's most prominent radical scientists.' The Guardian This book remains one of Vandana Shiva's key works, in which she addresses some of the most pressing issues of our age – the privatization of our natural resources, the looming environmental crisis, and the rising tide of fundamentalism and violence against women. In spite of all this, Shiva still sees cause for hope. Across the globe, a new wave of protest movements are championing alternatives based on inclusion, nonviolence, the free sharing of resources and the reclamation of the commons. Shiva argues that these ideals can serve as the basis for “earth democracy”, and for a more just and sustainable future. This edition features a new preface by the author, in which she outlines recent developments in ecology and environmentalism, and offers new prescriptions for the environmental movement.

Hester's Hunt for Home Trilogy

Will Daniel and Anna be able to reconcile their faith struggles and their love for each other? Beloved Amish novelist Linda Byler once again writes a compelling and surprising love story, showing that even the Plain People struggle with complex feelings, questions, and relationships. David Stolfus and Anna Fisher have been best friends as long as they can remember. Sure, it was a bit unusual in the Amish community for a boy and a girl to be so close, but nobody questions it with David and Anna—it has just always been that way. They live on neighboring farms in Lancaster County, they walk to school together (with all their siblings) every day, and when David learns to drive a pony, Anna is the first one to ride with him. Their lives are intertwined, the way the borders of their properties are joined by the Pequea Creek. As they approach their teen years, David and Anna's friendship turns quickly to deep love and attraction. But David is headstrong and full of an insatiable hunger for knowledge and new experiences. When Anna's conservative parents require that he join the church before the two can begin dating, he rebels, eventually taking off to Australia for the adventure of a lifetime, leaving Anna to sort through her feelings alone. When Anna receives a letter from Leon Beiler, a young man she can't deny she has feelings for, everything changes again. How can she reconcile a lifetime of love for David with this new potential romance? And what will happen when David returns home?

Hester on the Run

Simon can't stop thinking about the pretty Amish teacher at the local one-room school. But he's ignored the sparks between them because he's so shy. So Simon's little brother, Isaac, takes matters into his own hands. He's determined to give his brother the best Christmas present ever—a date with his favorite teacher. Amish novelist Byler brings her tender humor and skillful observation of family relationships to this holiday story. "I love Isaac's self-confidence and scheming as he prods his reluctant older brother," she smiles knowingly about the characters she's created. Byler takes her reader straight into the Amish world as Isaac is both charmed and annoyed by his too talkative, but quite bright, Mam. He can barely tolerate his little nieces and nephews, who substantially outnumber the grown-ups when the whole family gets together. And he loves his humble circumspect Dat, although he isn't always pleased by how well Isaac sweeps the forebay in the barn. As anticipation for the Christmas program at the schoolhouse builds, Isaac cares for troubled Ruthie who stutters miserably when she practices her poem. And he wonders how much he'll have to help his brother Sim act on his growing affection for Teacher Catherine! Keeping Secrets

Hannah, feisty and independent as ever, has put everything into building up her family's homestead in North Dakota. Despite tragedy and almost unimaginable hardship due to the Great Depression, unpredictable weather, and unforgiving landscape, she and her new husband Jerry are leading their Amish friends and family in their homesteading venture. When the winter storms and the untimely death of a child become too much for the rest of the community to bear, they move back east. But Hannah and Jerry stay on, doggedly pursuing Hannah's dreams of a successful ranch. But even Jerry's spirits begin to fail and when a flag of grasshoppers destroys every last morsel of vegetation after yet another drought, Hannah finally relents and they too return to the fertile soil of Pennsylvania, where life will be safe and predictable. Or so they think, but when tragedy strikes again, Hannah is suddenly a widow, in a place that no longer feels like home and with family who cannot grasp the depth of the losses she has experienced. Hannah grapples with her faith, struggling to understand who she is and where she belongs. Always before, a flash of anger or defiance had fueled her strong will in the face of adversity and allowed her to push on toward her goals. But what did she have left to fight for now? Slowly, painfully, her heart begins to change. As she begins to reclaim her faith and her strong sense of self, she also starts to notice a handsome, burly man who is unlike anyone she's known before. Is it possible she could find love again in Lancaster? What will it

take for her to feel like she's home, like she finally belongs somewhere?

Here are three heartwarming novellas full of longing, struggle, confused feelings, and ultimately love. *Little Amish Matchmaker*: Simon can't stop thinking about the pretty Amish teacher at the local one-room school. But he's ignored the sparks between them because he's so shy. So Simon's little brother, Isaac, takes matters into his own hands. Amish novelist Byler brings her tender humor and skillful observation of family relationships to this holiday story. *The Christmas Visitor*: Ruth Miller's Amish neighbors help her to make the difficult transition from wife to widow. As Christmas approaches, Ruth knows that she can't afford gifts for her children. But then banana boxes full of food, treats for the children, and even money begin to appear on her front porch. Who is leaving her these generous gifts? And who is that handsome stranger who always seems to show up when she most needs help? *Mary's Christmas Goodbye*: Mary Stoltzfus is thirty years old, splashed with freckles, and unmarried. In her Amish world, that qualifies her to be called an old maid. When she travels to Montana to teach, she arrives at a desolate station and meets Arthur Bontrager, who introduces her to Beaver Creek School, dirt roads, and the fancy shed where she would live. She has no idea the physical challenges she will face during Montana's cruel winter . . . nor the struggles her heart will encounter as she learns to open herself to the possibility of love.

Seduction and the CEO

Sadie Miller didn't know what to expect when her family left Ohio for the small Montana Amish settlement—certainly not horse thieves, mysterious men, or her family falling apart. Can Sadie find her place in this wild, Western community, far from the familiar—and discover love along the way? *Wild Horses, Book 1*: Sadie Miller is adjusting to life at Aspen East Ranch when Ezra appears. Perfect in every way and fully intending to marry Sadie, Ezra seems like a dream, but does Sadie love him? And who is this fascinating Mark who helps to rescue a dying horse and shows up at the Amish hymn-sing, though he is English? Now Sadie's own close-knit family is falling apart. Mam claims her head is cluttered and unclear. The worst part is, Dat refuses to acknowledge Mam's struggles. Sadie finds some refuge in Nevaeh, a black-and-white paint. But when a dreadful accident involving wild horses occurs, Sadie must move forward into the unknown. *Keeping Secrets, Book 2*: There's horse trouble in Montana again. Only this time, horses aren't being stolen, they're being shot. No hard-working ranch horse or Amish horse and buggy is safe. Sadie's heart is still set on Mark, despite warnings from concerned friends. Then Daniel appears—a visitor from Lancaster County. With cornflower-blue eyes and a strong, square jaw, he is everything that Mark is not. Why, Sadie wonders desperately, are there so many secrets? *The Disappearances, Book 3*: Sadie may be married now, but she's as spirited as ever. Soon after she and Mark are settled into the farmhouse, she's visited by three FBI agents who question her about the two children who mysteriously appeared one day at the Ranch. Before the agents leave, they warn Sadie that her beloved horse, Paris, is highly valuable, and that she and Mark may be in grave danger. This news, on top of Mark's unexpected black moods, leaves Sadie confused and disillusioned. Mercifully, healing and courage reappear in unexpected times and places in this concluding volume of the Sadie's Montana series. Lancaster Burning Trilogy

From beloved Amish writer Linda Byler, comes a heartwarming Christmas romance set during the Great Depression. It's 1931, and times are tough for the Miller family, who are raising eight children in the midst of the Great Depression. When Eli Miller passes away unexpectedly, and then a fire destroys their barn, Annie has no idea how she'll make ends meet. The Amish community rallies around her and the children, as is their custom, but as days turn into weeks and then into months, Annie's friends and neighbors return to their own routines and seem to expect Annie to do the same. Annie knows she needs to stay strong for the children and figure out a way to keep everyone warm and clothed and fed, but she is heartbroken and exhausted. She reminds herself that God will provide, but every day feels like an uphill battle. When Annie receives a letter from a widower with six children of his own, she tries to put it out of her mind. Her critical mother reminds her that it's too soon to start a new friendship with a man, and warns her that blending a family will be complicated. In the weeks and months to follow, Annie must learn to make her own decisions—and accept the consequences, good and bad—face her past, and embark on a new journey that will transform her and her large, complicated family. When life seems especially complicated one summer, she finds herself saying that by Christmas everything will start to come together, but she has no idea the challenges—and ultimately blessings—headed her way.

An encounter with a Lenape medicine woman gives her a glimpse of her undiscovered heritage. When her own father becomes a threat, Hester is forced to flee from the Amish community, the only home she has ever really known. *Which Way Home?, Book 2*: Twice rescued—first by matronly Native women who find her unconscious in the woods and then by a boy in downtown Lancaster where she'd been left for dead by the dreaded Paxton boys—Hester finds herself wondering if she will ever find a safe haven. When an Amish man from her past reappears, it seems like destiny, but William King is more in love with the way she looks than with her heart and mind. When a Native American man makes a proposal to Hester, she is perplexed more than ever. Where will her heart lead her? *Hester Takes Charge, Book 3*: Now widowed and living in downtown Lancaster, Pennsylvania, Hester is startled by the unexpected appearance of Noah, the firstborn son of her adoptive parents. Their father's misplaced love for Hester and utter neglect of Noah drove each of them away from their Amish family. When Noah suggests they return to their childhood home to see their ill father, Hester can no longer ignore her buried anger and bitterness. Can they possibly forgive Hans? Can Hester trust herself—and Noah—enough to marry again? Which Way Home?

Born a Native American, but brought up Amish, Hester Zug, at age 20, flees her Amish home. Her father's too-tender care of her has made her stepmother wildly jealous, and so Hester sets off, knowing only that she can't stay. Hester's natural instincts for navigating the forests in colonial Pennsylvania along with the book of medicines and remedies given to her by an aged Native American woman allow her to survive until she gets sick from drinking river water. Twice rescued—first by matronly Indian women who find her unconscious in the woods, and then by a boy in downtown Lancaster, where she'd been left for dead by the dreaded Paxton boys—Hester finds herself in the kind, if rough, hands of Emma Ferree. Because of her wide heart, Ferree, a widow, offers her home to fugitives. The dazzlingly beautiful Hester eventually marries an Amish man, who is more in love with the way she looks than with her heart and mind. And when that childless marriage falters, she is met one day in the fields by Running Bear, a Native American brave who has watched her for years. He asks her to marry him, giving her until wintertime to decide. Belonging in part to two worlds, but experiencing a subtle yet clear rejection from both, Hester comes to wish that her Amish mother, Kate, had never rescued her. Author Linda Byler shows the lovely and enduring Hester caring for others as the Amish do, with the use of Native American remedies and tinctures from the old woman's book. Her practices raise accusations of witchcraft from the very people she sets out to help. Byler, an active member of the Amish, centers this second book in the Hester's Hunt for Home series on two anguishing questions: Where is Hester's heart most at home? And can she ever be married happily? Into the Prairie

When Emma leaves the security of her Amish community for a job in North Carolina, she finds herself navigating choices, circumstances, and a relationship that she never could have imagined. Follow as she struggles to reconcile her faith and her complicated feelings in this romance by bestselling Amish writer Linda Byler. Plenty of young men had noticed Emma's smooth auburn hair and her quick intellect, but at twenty-six years of age, she was still single, much to the bewilderment of her Amish community. "She's just too picky," they said, and she supposed they were right. Most did not know that she had been in love once, and had wound up brokenhearted. When she becomes a nanny for an English (non-Amish) family along the coast of North Carolina, her world opens up in exciting—and confusing—ways. Not only is she getting used to life outside the safety of her Amish culture in Pennsylvania, but she finds herself spending time with Ben, the handsome Amish man who is working as a contractor on the house next door to where she's staying. He is charming, outgoing, strong, and so bold in

his affection for her! When Emma is forced to leave North Carolina suddenly, she doesn't get a chance to say goodbye to Ben or to exchange phone numbers or addresses. She trusts that he will find her eventually, but as months go by with no word from him, she doesn't know what to make of the romance they had shared. Emma's best friend Eva invites her to go on a camping trip and she agrees, only to discover Eva has schemed to set Emma up with Matt, a cousin who had long since left the Amish community and was living a faithless, worldly life. Annoyed and longing for Ben, she is relieved when Matt assures her he has no interest in dating her. He's nice enough, but he's not Ben, and besides, Emma would never date a man who had chosen to leave his parents, their faith, and their deeply held traditions. When eventually Emma returns to North Carolina to reunite with Ben, her world is shattered in a way she couldn't have imagined, and she is left to grapple with her faith, her future, and her complicated feelings. Why did God keep stringing her along, only to leave her broken again and again?

Fire in the Night

Hannah is a fifteen-year-old Amish girl who lives on her family's farm in Lancaster, Pennsylvania. When her family, hit hard by the Great Depression, loses their farm, Hannah's father decides it's time for a fresh start. Destitute but inspired by grand plans and dreams of a better future west of Lancaster, he loads his family and what little they have left into their covered wagon. They settle in North Dakota, hundreds of miles from any Amish community. Hannah's mother does her best to be a good wife, supporting her husband as they try to build a new life in a wholly unfamiliar place.

Hester's Hunt for Home Trilogy

Bestselling Amish novelist Linda Byler's third book in the Buggy Spoke series for young readers Lizzie is nine years old now and adjusting her new home in Jefferson County. There's so much to get used to—a new school, new friends, new ways of dressing and speaking. Mostly Lizzie loves her new life, but it's not easy getting used to so many changes at once. Perhaps the hardest part is growing up itself. Suddenly her older sister Emma expects Lizzie to "act her age," but what does that even mean? Is it wrong to want to splash in slush puddles, play games with friends, and run through the woods? Lizzie wants to be a good girl, but it's confusing to know when it's ok to have fun, how she should pray, and why she still does naughty things. Mam and Dat seem to have enough money now—there's plenty of food and the kids even get extra special Christmas gifts. Mam smiles more and Dat seems more relaxed. But when Lizzie and Emma wake up to a room full of smoke, they realize danger can strike even when things feel the most secure. Will their new community come to their aid after the fire? And why does God allow such scary things to happen? This is the third book in the Buggy Spoke series, which follows Lizzie through her tumultuous teenage years as she struggles to mesh her hot temper and willful ways with her Amish faith. These books are the prequels to Linda Byler's bestselling Lizzie Searches for Love Trilogy and are geared to a younger audience (ages 8 – 10). Reminiscent of Laura Ingalls Wilder's Little House series, these books are delightful accounts of another way of life; each chapter is filled with vivid descriptions of Amish food, farms, and traditions. The series explores themes of respecting parents, not fitting in, sibling rivalry, recognizing your own shortcomings and gifts, and reconciling a strong personality with an abiding faith.

Lizzie Searches for Love Trilogy

Amen Sister is a book of hope, encouragement and empowerment for women around the world. It is blended with my personal testimony of tests, trials, losses and victories. This book is meant to bring hope to the hopeless, love to the loveless, faith to the faithless and life to the lifeless; positioning you to win. You are a WINNER!

When Strawberries Bloom

Like millions of other women, HLN anchor Christi Paul blamed herself for the emotional abuse heaped on her by her first husband, whose violent, profanity-laced tirades left her feeling as though she had no value, no self-worth, and nowhere to turn for help. Then one day, when Christi was taking refuge in a church parking lot, the verse "Trust in the Lord with all your heart and lean not on your own understanding" popped into her head. In that moment, she realized she did have someplace to turn after all. Holding fast to her Christian faith, Christi began the arduous process of rebuilding her self-image and regaining control of her life. Now happily remarried and the mother of three girls, Christi feels called to share her story in the hope that other victims will find courage to seek the help they desperately need and deserve. Written with candor and poignancy, *Love Isn't Supposed to Hurt* chronicles Christi's personal experience with emotional abuse and shows how—with God's help, some unconventional therapy, and faith—she was able to break the cycle and regain her sense of self-worth.

Big Decisions

Hester, the startlingly beautiful Native American who was rescued as an infant by an Amish couple, now lives in downtown Lancaster, Pennsylvania. She shares a house with Bappie King, another Amish woman, living their independent lives in the fast-growing mid-18th-century city. Bappie runs a highly successful stand at the downtown farmers market; Hester is Bappie's assistant when she isn't out in the city nursing desperately sick children and their impoverished parents with her tinctures, teas, and rubs. And then one day, Noah comes back; Noah, the first child born to Hans and Kate Zug, the Amish couple who had welcomed Hester during their childless years. Both Hester and Noah are refugees from this Amish family gone awry. Both were victims of Hans' deep attraction to the lovely Hester. Two hurt souls, they have each had their own adult troubles. Noah left his family and the Amish to join the War. Hester is the widow of William King, an Amish man who was determined to possess his wife and dictate her life. When Noah invites Hester to join him on a visit to their childhood home, Hester can no longer ignore her buried anger at her adopted father or her bitterness toward Annie, his second wife. Nor can Hester deny the tempting thrill of spending time with the steady but sensitive Noah, who since childhood showed special care for Hester. Hester and Noah both know that the visit home will force them to face blistering questions: Can they possibly forgive their ill father, Hans, for his misplaced love for Hester and his utter neglect of Noah? Can Hester and Noah risk marriage, especially if they can't forgive Hans? Can Hester trust herself—and Noah—enough to marry again after her failed marriage to William? What do Dat's sudden health problems mean for the future of their farm? And what about Lizzie's future? Emma and Mandy are so certain that Joshua and John are their perfect matches, but Lizzie doesn't know what to think about Stephen and how he might fit into her life. What will Lizzie decide? Love Isn't Supposed to Hurt

From beloved Amish writer Linda Byler comes a heartwarming Amish romance offering a tale of longing, loss, and love. One moment, Ben Miller was high up in the rafters at his neighbor's barn raising. The next, his foot slipped and he plunged to his death, leaving behind a young wife and six children, the youngest born four months after his death. Ruth Miller is not alone. Her Amish neighbors help her to make the difficult transition from wife to widow. But while the community has been generous, raising six growing children, each grieving their father's death, is overwhelming. Devastated by her loss, Ruth isn't sure how she'll make ends meet or restore order to a house full of rambunctious kids. With help from her mother and her energetic, but untidy neighbor, Mamie, Ruth finds a way to start over. Preoccupied with the effort to create a new life and manage her shrinking bank account, Ruth barely notices John King, the handsome newcomer to her community. Besides, how could she, if she had a chance, replace Ben? Does one ever replace a husband? As Christmas approaches, Ruth knows that she can't afford gifts for her children this year. It's hard enough to find money for groceries each week. But then banana boxes full of food, treats for the children, and even money begin to appear on her front porch. Who is leaving her these generous gifts? Is it a neighbor or a friend? Or, Ruth wonders, could it be John, who keeps unexpectedly appearing when Ruth most needs help?
