With America's confidence in the Bible at an all-time low and the strength of her spiritual convictions waning, it is essential for Christians—especially Christian leaders—to be well-grounded in biblical theology. To have a clear and comprehensive understanding of the key doctrines of evangelicalism. In response, professor and award-winning author Bruce Demarest has made plain God's glorious plan of salvation, his provision for the human dilemma through Christ's work on the cross, and the application of saving grace to unbelievers. Demarest's unique approach defines each topic, identifies its most pressing issues, examines the ways in which the doctrine has been understood historically, and interprets the Bible's revelation. The result is a clear and carefully constructed doctrinal statement that you can defend, live out, and communicate to others. This singular, comprehensive treatment of one of Christianity's essential doctrines gives definitive, Bible-based answers about salvation and the cross—and about related theological issues such as grace and regeneration. It's perfect for clarifying your theology and gaining deep understanding of this foundational theme. Part of the Foundations of Evangelical Theology series.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Baptism in Its Mode and Subjects

One of God's greatest Compliments He can give is sealing you, because when He seals you, He writes His Name upon your forehead. And when He writes His own Name upon you, then you belong to Him. He entrusts you with His Name, and you represent Him in the world. When God seals you He will change you. He will take away your sins and all your sinful habits. And He will change the way you think and feel, sharing His Joy with you. When you represent Him, you also share in His Heart, and you will be completely healed with His Presence. Seal Of The Soul reveals to you the secrets of being sealed, as the Bible recorded thousands of years ago, but as has remained a mystery for most of the time since.

Understanding End Times Prophecy

Seal of God

Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the

judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.

In this meticulously referenced text, Dr. McDowell examines how God has progressively revealed himself through his eternal covenant to his people, culminating in Christ and the sending of the Holy Spirit. He helps us understand how baptism is God ' s sign and seal of his new covenant with us through Christ and how it relates to our salvation. Viewing the whole Bible in its historical, biblical, and theological context, Dr. McDowell explores baptism from every theological perspective. He takes us through the purpose and meaning of baptism as well as its mode, which clearly exemplifies our purification from sin, in-filling with the Holy Spirit, and union with Christ. “ ...a penetrating study of baptism that will benefit church leaders and lay people alike. Should be widely read and taught in the church. ” Dr. Richard L. Pratt, Jr., Third Millennium Ministries, President “ ...a book you need to read but that will also bring you blessing as you do—no matter how much you already know. This one is solid theologically, challenging us to be biblical on every issue; it is global... it is startlingly pastoral. ” Dr. D. Clair Davis, Emeritus Professor of Church History, Westminster Seminary “ In this comprehensive book, he applies biblical wisdom—based on a lifetime of personal reflection—to the systematic theology and pastoral practice of Christian baptism.... ” Dr. Philip G.
