Teenager Heidi Paige gets the power to control electricity and her friends want her to save the school but she wants to stay home and do nothing.

### **50 Shades of Blue**

Blue is the new Grey. Irreverent, poignant, true. This book celebrates the joy and humor of parenthood. The bestselling trilogy instigated a boom of "Fifty Shades" babies. And it turns out, True Love doesn't look quite like you expected. 50-page, full-color, illustrated Seussian book for parents. Like Adam Mansbach's "Go the F\*\*k to Sleep," it's a reality check for new parents. A must-read if reading the E L James trilogy made you a mom. Great baby shower gift. Great Mother's Day gift.

### **The Domestic Journal**

As a policeman in London in the sixties, life was fast and furious, so one worked hard and played hard. The book is about sex and the city from a policeman's point of view, mixing with other professionals and taking a few racy risks. The author was a policeman for 30 years and so has first hand experience of life in London back then when you were not even allowed to take a woman back to your single quarters, nor were the nurses, so risks were taken along with a little bit of experimentation.

### **In a Shade of Blue**

A sailing trip to the Caribbean might sound great, but sixteen-year-old Rachel can't stand being trapped on a small boat with her family. She misses her best friend and feels guilty about leaving her older sister Emma, who lives in a group home. Her father is driving her crazy with his schedules and rules, her brother is miserable, and there is never anyone her own age around. Worst of all, there is nowhere to go when her parents fight. While their boat is being repaired, the family spends a few weeks in a small Bahamian community, where Rachel and Tim discover a secret which turns their world upside down and threatens to destroy the fragile ties that hold their family together.

30 Shades of Blue collects the perspectives of well-known writers on depression, sadness, suicide, and being blue, through stories as personal as they are unforgettable. The silent epidemic of depression affects millions of people and takes dozens of lives everyday, while our culture grapples with a stigma against open discussion of mental health issues. Editor Amy Ferris has collected these stories to illuminate the truth behind that stigma and offer compassion, solidarity, and hope for all those who have felt blue. Contributors to 30 Shades of Blue include: Pam Houston Beverly Donofrio Matt Ebert Caroline Leavett Courtney Love Chloe Caldwell Kitty Sheehan Christine Kehl O'Hagan Jimmy Camp Ruthe Pennebaker Sherry Amanstein Laurie Easter 30 Shades of Blue brings the conversation around depression and sadness into the open with real, first-hand accounts of depression and mental health issues, offering empathy to all those who have been affected by these issues. It's time to scream out loud against this silent annihilator: You are not alone.

The same secrets that forge the connection between Ashley and Grace can also ruin any chance of happiness.

### **The Darkest Blue**

In this provocative book, Eddie S. Glaude Jr., one of our nation's rising young African American intellectuals, makes an impassioned plea

for black America to address its social problems by recourse to experience and with an eye set on the promise and potential of the future, rather than the fixed ideas and categories of the past. Central to Glaude's mission is a rehabilitation of philosopher John Dewey, whose ideas, he argues, can be fruitfully applied to a renewal of African American politics. According to Glaude, Dewey's pragmatism, when attentive to the darker dimensions of life - or what we often speak of as the blues - can address many of the conceptual problems that plague contemporary African American discourse. How blacks think about themselves, how they imagine their own history, and how they conceive of their own actions can be rendered in ways that escape bad ways of thinking that assume a tendentious political unity among African Americans simply because they are black. Drawing deeply on black religious thought and literature, *In a Shade of Blue* seeks to dislodge such crude and simplistic thinking and replace it with a deeper understanding of and appreciation for black life in all its variety and intricacy. Glaude argues that only when black political leaders acknowledge such complexity can the real-life sufferings of many African Americans be remedied, an argument echoed in the recent rhetoric and optimism of the Barack Obama presidential campaign. *In a Shade of Blue* is a remarkable work of political commentary and to follow its trajectory is to learn how African Americans arrived at this critical moment in their cultural and political history and to envision where they might head in the twenty-first century.

International Bestseller! "Hilarious parody!" "It had me tingling all over!" "I dumped my husband after I read this book - thank you!!!" "Black and Blue is the new Grey!" "Ouch!!" In this hilarious parody of *Fifty Shades of Grey*, our heroine is Annabelle Stiletto from Jersey City, New Jersey, a Beauty School graduate who has no job and lives with her loser roommate. Her life changes suddenly when she meets her dream guy, the rich and handsome Vinnie Griso, the heir to the Vinnie's Auto Parts empire. She falls for Vinnie's seductive charms - not to mention his clear blue eyes, jet black hair, tight black pants and pointy shoes. But when Vinnie invites her for a romantic evening at his secluded mansion, she discovers the secrets that he has been hiding from the world. She is soon introduced to Vinnie's "rules" and invited into a "special" relationship with her dream guy. She is conflicted about how far to surrender, but before long gives in to her deepest desires and discovers the pleasures of domination as she becomes "fifty shades of black and blue." Hilarious, erotic and nice, not-so-clean fun, *Fifty Shades of Black and Blue* is the bestselling parody everyone is talking about.

### **Seven Shades of Blue**

To be cursed is one thing, to be loved is another, but they are exactly the same. Melinda is only 15, but she's forced to face the

fact that she is no longer her own. She is Tyler's, at first because she has no option, but by the end she would never want to be anyone else's. The sexy, fun, and mysterious Tyler steals Melinda away and the only thing she wants is to hate him, but she has no choice in the matter. Her love for her beautiful blue eyed boy is inevitable. Hate, love, pain, lust, aren't they all the same.

After several months of successful work in London and Amsterdam with American expatriate Fletcher Paige, musician Evan Horne returns to the states and settles in the San Francisco Bay Area. There he reunites with his girlfriend, FBI agent, Andie Lawrence. And Evan quickly makes inroads into the Bay Area jazz scene. Life is good until a phone call from a Los Angeles attorney turns his life upside down. Evan's old friend and former mentor, pianist Calvin Hughes, has died and named Evan as his sole beneficiary. Hughes has left him his small Hollywood house, money, and all of his possessions. But when Evan begins to play through some hand-written sheet music, he recognizes one as a song from the landmark Miles Davis recording Birth of the Cool, and another from Kind of Blue. Evan is soon on a whirlwind journey across the country to find answers from his family and to confront his mother. Was Calvin Hughes the uncredited composer of one or both of these tunes, or was it simply Hughes's transcriptions from the recordings? What was her relationship with Calvin Hughes? And just how did Jazz come into the equation?

### **A Different Shade of Blue**

An introductory military history of the American Civil War, *Shades of Blue and Gray* places the 1861-1865 conflict within the broad context of evolving warfare. Emphasizing technology and its significant impact, Hattaway includes valuable material on land and sea mines, minesweepers, hand grenades, automatic weapons, the Confederate submarine, and balloons. The evolution of professionalism in the American military serves as an important connective theme throughout. Hattaway extrapolates from recent works by revisionists William Skelton and Roy Roberts to illustrate convincingly that the development of military professionalism is not entirely a post-Civil War phenomenon. The author also incorporates into his work important new findings of recent scholars such as Albert Castel (on the Atlanta Campaign), Reid Mitchell (on soldiers' motivation), Mark Grimsley (on "hard war"), Brooks D. Simpson (on Ulysses S. Grant), and Lauren Cook Burgess (on women who served as soldiers, disguised as men). In addition, Hattaway comments on some of the best fiction and nonfiction available in his recommended reading lists, which will both enlighten and motivate readers. Informative and clearly written, enhanced by graceful prose and colorful anecdotes, *Shades of Blue and Gray* will appeal to all general readers.

It is 1960 in Skowhegan, Maine. Libby Carlow is a precocious and curious sixteen-year-old who often wonders why she looks different than everyone else in her family. When an unexpected trip to Texas prompts Libby to meet an uncle she never knew existed, she has no idea of what lies ahead. It is soon revealed that Libby's uncle Earle was a pilot, shot down during the Second World War and eluded capture by the Germans. As the reader is transported back to 1944, Earle offers insight into his perilous journey over the Pyrenees, draws attention to the bravery of the men and women of the French Resistance, and highlights the heroism and friendships that existed among those missing in action, resistance fighters, locals, and within the Catholic Church. But it is not until tragedy strikes that the truth is
