An Invisible Thread

For more than 70 years, Gun Digest has been the go-to source and research guide for firearms enthusiasts worldwide. Informative and entertaining articles by the top writers in the field cover hunting, personal defense, target practice, gun making, and collecting.

Great Hunting Rifles

If you are seeking a comprehensive reference for collectible gun values, the Gun Trader's Guide is the only book you need. Included are extensive listings for handguns, shotguns, and rifles from some of the most popular manufacturers, including Beretta, Browning, Colt, Remington, Savage, Smith & Wesson, Winchester, and many more. The Gun Trader's Guide is a one-stop manual to buying collectible firearms. For more than half a century, this guide has been the standard reference for collectors, curators, dealers, shooters, and gun enthusiasts. Updated annually, it remains the definitive source for making informed decisions on used firearms purchases. With more than two million copies sold and in its forty-second edition, this updated Gun Trader's Guide boasts dozens of new entries and includes a complete index and a guide on how to properly and effectively use this book in order to find the market value for your collectible modern firearm. Determine the new prices for any firearm you want to sell or trade, whether its condition is in-box, excellent, or good. With new introductory materials that every gun collector and potential buyer should read, this book is the ultimate guide to purchasing classic or discontinued firearms. No matter what kind of modern firearm you own or collect, the Gun Trader's Guide should remain close at hand.

HISTORY OF OLD CHESTER

THE ESSENTIAL, COMPREHENSIVE GUIDE TO CARTRIDGES--PAST AND PRESENT! Serious shooters and reloaders will find the cartridges they love--and many they never dreamed of--in this newest edition of the most widely read cartridge reference book ever published. From the latest introductions in standard American sporting cartridges, to the hottest proprietary rounds, and new authoritative feature articles by the gun industry's heavy hitters on cartridge design, application, selection, tips and idiosyncrasies, this book is packed with everything shooters,

handloaders and cartridge collectors need to know. Cartridges of the World, 16th Edition is packed with over 688 pages of concise information and data on old, new and currently manufactured ammo. Heavily illustrated with more than 1,500 photos, this book is the ultimate guide for gun owners interested in current and historical ammunition for handguns, rifles and shotguns. IT'S ALL HERE! 50 new cartridges Full-color feature story section Trendsetting wildcats Updated spec and reference charts Expert advice on handloads and cartridge selection

Shooter's Bible Guide to Firearms Assembly, Disassembly, and Cleaning

This significant tome, with over 1500 photographs, covers the subject of portable firearms from muzzle-loaders to machine guns; from revolvers to machine pistols; from muskets to automatics; from derringers to submachineguns. Compiled by experts whose hands-on knowledge and skill comes over in text and captions, The Illustrated History of Firearms provides a visual reference book to grace any aficionado's library.

Shooter's Bible

Official Gun Digest Book of Guns & Prices 2018

As thrilling as any novel, as taut and exciting as any adventure

story, Peter Hathaway Capstick's *Death in the Long Grass* takes us deep into the heart of darkness to view Africa through the eyes of one of the most renowned professional hunters. Few men can say they have known Africa as Capstick has known it—leading safaris through lion country; tracking man-eating leopards along tangled jungle paths; running for cover as fear-maddened elephants stampede in all directions. And of the few who have known this dangerous way of life, fewer still can recount their adventures with the flair of this former professional hunter-turned-writer. Based on Capstick's own experiences and the personal accounts of his colleagues, *Death in the Long Grass* portrays the great killers of the African bush—not only the lion, leopard, and elephant, but the primitive rhino and the crocodile waiting for its unsuspecting prey, the titanic hippo and the Cape buffalo charging like an express train out of control. Capstick was a born raconteur whose colorful descriptions and eye for exciting, authentic detail bring us face to face with some of the most ferocious killers in the world—underrated killers like the surprisingly brave and cunning hyena, silent killers such as the lightning-fast black mamba snake, collective killers like the wild dog. Readers can lean back in a chair, sip a tall, iced drink, and revel in the kinds of hunting stories Hemingway and Ruark used to hear in hotel bars from Nairobi to Johannesburg, as veteran hunters would tell of what they heard beyond the campfire and saw through the sights of an express rifle.

Olympic Dreams

For more than 100 years, *Shooter's Bible* has been the ultimate comprehensive resource for shooting enthusiasts across the board. Trusted by everyone from competitive shooters to hunters to those who keep firearms for protection, this leading series is always expanding. Here is the first edition of the *Shooter's Bible Guide to Combat Handguns*—your all-encompassing resource with up-to-date

information on combat and defensive handguns, training and defensive ammunition, handgun ballistics, tactical and concealment holsters, accessories, training facilities, and more. No Shooter's Bible guidebook is complete without a detailed products section showcasing handguns from all across the market. Author Robert Sadowski proves to be a masterful instructor on all aspects of handguns, providing useful information for every reader, from those with combat handgun experience in military and law enforcement fields to private citizens, first-timers, and beyond.

Shooter's Bible

Another addition to the Shooter's Bible collection, Shooter's Bible Guide to the Hunting Rifle and Its Ammunition will educate anyone interested in hunting rifles. Any question that might come up involving this widely used firearm is answered by Tom Tabor as he takes readers through the many different aspects of hunting rifles and their ammunition. With a crisp, clear voice, the author uses his knowledge to include a variety of chapters, including: Which Rifle and Design? How Much Weight Do You Want in a Rifle? Matching a Cartridge to Your Needs The Right Bullet for the Game Is Handloading Right for You? Airline Travel with Firearms Steep Angle Shooting Influences That Can Hinder Accuracy Taking Care of Your Ammo Shooting Myths, Misconceptions, and Outright Distortions And many more! Experienced hunters will learn more in-depth details and skills to take with them on their hunting expeditions. Beginners will learn the basic skills and safety tips that any hunter must know to intelligently take to the woods with a hunting rifle. Shooter's Bible Guide to the Hunting Rifle and Its Ammunition is a treasure trove of wisdom meant for every hunter who opens its pages.

Ancient Curious and Famous Wills

Forgotten Soldiers

First published in 2003, this is the first unclassified official history authored by the U.S. Army Special Operations Command relating to Operation Enduring Freedom. Contains extensive maps and illustrations. Previously difficult to obtain, this extensive study shows what Army Special Operations Forces (ARSOF) accomplished to drive the Taliban from power and to destroy al-Qaeda and Taliban strongholds as part of the global war on terrorism during Operation Enduring Freedom.

Following the Flag

“The story of Smith & Wesson handguns and their evolution is one of the hallowed tales of American firearms’ history,” according to the firearms writer Jim Casada. Anyone who collects Smith & Wessons or is simply interested in their backstory will cherish this book. Though originally published in 1945, more than half a century ago, Smith & Wesson Hand Guns remains the source for Smith & Wesson enthusiasts. It is an authoritative reference and has remained, for over five decades, the cornerstone upon which Smith & Wesson research rests. This work is foundational, supported by sixty-three detailed illustrations showing the handguns, the unique hammer mechanism, and facsimile reproductions of vintage advertising copy. The first twenty-four chapters of the book, which tell the story of Smith and Wesson and the development of Smith & Wesson handguns, are very informative. After the reader becomes familiar with Smith and Wesson’s history together, as well as their creation of a business, illustrations exhibiting Smith & Wesson handguns will show rather than tell of their magnificence. Finally, descriptions of different caliber guns are given, where readers will gain invaluable information regarding Smith & Wesson handguns.

For any Smith & Wesson enthusiast or collector, this work is impossible to put down.

Cartridges of the World, 16th Edition

An entertaining collection of wills, reflecting the times and the people who wrote them. This collection offers delightful reading for lawyers and laymen alike. As the author states: Wills reflect, as a mirror, the customs and habits of the times when written, as well as the characters of the writers. In the category of ancient wills, the reader will find the oldest written will, dated at 2550 B.C., as well as wills of such personages as Plato and Aristotle. Other categories in the collection include: wills in fiction and poetry; curious wills; testamentary and kindred miscellany; wills of famous foreigners, such as Napoleon and William Shakespeare; and wills of famous Americans, such as Benjamin Franklin and Thomas Jefferson.

Handguns of the World

Gun Digest Book of Guns & Prices features all the information the firearms enthusiast needs when it comes to accurate pricing and description of commercial (i.e., non-military) firearms. With approximately 15,000 rifles, shotguns and handguns--featuring nearly 110,000 condition-based gun values--this condensed, easy-to-carry book has you covered.

The Hunting Book

Published annually for more than eighty years, the Shooter's Bible is the most comprehensive and sought-after reference guide for new firearms and their specifications, as well as for thousands of guns that have been in production and are currently on the market. With more than seven million copies sold, this is the must-have reference

book for gun collectors and firearm enthusiasts of all ages. Nearly every firearms manufacturer in the world is included in this renowned compendium. The 112th edition also contains new and existing product sections on ammunition, optics, and accessories, along with updated handgun and rifle ballistic tables and extensive charts of currently available bullets and projectiles for handloading. With a timely feature on the newest products on the market, and complete with color and black-and-white photographs featuring various makes and models of firearms and equipment, the Shooter's Bible is an essential authority for any beginner or experienced hunter, firearm collector, or gun enthusiast.

The Illustrated History of Firearms

From a military commander's perspective, the role of psychological operations (PSYOP) in the successful planning and execution of modern military operations is absolutely essential. It is an integral part of the United States Special Operations Command mission. Today, the military faces a dynamic and unpredictable world. PSYOP will remain a valuable instrument in the overall defense posture and will be a key asset in the fulfillment of U.S. national policy. This manuscript explores the breadth and depth of fundamental PSYOP roles, principles and methods. Each article is an independent effort and together they represent a cross section of what the best and brightest feel is key to both offensive and defensive psychological operations. Air University Press.

The Signal and the Noise

If you are seeking a comprehensive reference for collectible gun values, the Gun Trader's Guide is the only book you need. For more than half a century, this guide has been the standard reference for collectors, curators, dealers, shooters, and gun enthusiasts.

Updated annually, it remains the definitive source for making informed decisions on used firearms purchases. Included are extensive listings for handguns, shotguns, and rifles from some of the most popular manufacturers, including Beretta, Browning, Colt, Remington, Savage, Smith & Wesson, Winchester, and many more. This fortieth edition boasts dozens of new entries since last year's edition and includes a complete index and a guide on how to properly and effectively use this book in order to find the market value for your collectible modern firearm. Determine the new prices for any firearm you want to sell or trade, whether its condition is in-box, excellent, or good. With new introductory materials that every gun collector and potential buyer should read, this book is the ultimate guide to purchasing classic or discontinued firearms. No matter what kind of modern firearm you own or collect, the Gun Trader's Guide should remain close at hand.

Things That Matter

The founder of FiveThirtyEight.com challenges myths about predictions in subjects ranging from the financial market and weather to sports and politics, profiling the world of prediction to explain how readers can distinguish true signals from hype, in a report that also reveals the sources and societal costs of wrongful predictions.

Gun Digest Official Book of Guns & Prices, 13th Edition

Illustrated history of Canada's native people in both World Wars. Four sections: the First World War, between the wars, the Second World War, and a comparison with native peoples in Australia, New Zealand and the U.S.

Down the Up Staircase

The new 33rd Edition of the Blue Book of Gun Values by S.P. Fjestad has been expanded to 2,432 pages, easily making it the highest page count of any firearms book currently in print. New 2012 makes and models have been included, along with updated values on discontinued firearms and antiques. Once again, the 80-page Photo Percentage Grading System™ provides high resolution color images that are the last word to help ascertain any firearm's correct condition factor based on the percentage of original condition. Revolvers, pistols, rifles, and shotguns are also shown separately, in addition to NRA Antique Condition Factors.

The Complete Guide to Hunting, Butchering, and Cooking Wild Game

Do you feel vulnerable in your own home? The Shooter's Bible Guide to Home Defense was written to help you trade in your fears for a feeling of vigilance, readiness, and pride. This is not a catalog of gimmicks, gadgets, and drills that only a Navy Seal can perform but an intense look at how to fortify your home discreetly and protect yourself from home invaders. Learn how to choose weapons and use them under stress. Gain legal perspective, sharpen your verbal defensive skills, and learn how to recognize criminal intent. If the current climate leaves you feeling abandoned and defenseless, the Shooter's Bible Guide to Home Defense can put you on the path to becoming a proud sentry at the gates of your castle. Firearm expert Roger Eckstine examines how to evaluate the premises, how to choose various security systems, and how to safely interact with aggressors should someone invade your home. Other topics include: Minimizing hiding places Body language and verbal judo Improvised weapons Fight versus flight Coping with children or the elderly during an attack Once again, renowned firearms expert Eckstine delivers helpful tips and provides valuable information. The purpose of this book is to familiarize yourself with the basics that you need to know to defend your home.

Psychological Operations

Already the world has seen the political, economic, and cultural significance of hosting the 2008 Olympics in Beijing—in policies instituted and altered, positions softened, projects undertaken. But will the Olympics make a lasting difference? This book approaches questions about the nature and future of China through the lens of sports—particularly as sports finds its utmost international expression in the Olympics.

Shooter's Bible Guide to Combat Handguns

Long range shooting in the United States is as old as this country is young. Shooters have always had a fascination with shooting at distance, whether they are plinkers, competitive shooters, or hunters. The ability to place rifle bullets in the same hole of a target or kill an animal quickly is a goal to which we all aspire. In recent years the interest in tactical precision rifles has increased, with many factory and custom rifle makers plying their art producing rifles that can easily outperform the ability of many shooters. Expert Robert A. Sadowski proves to be a masterful instructor on all aspects related to precision shooting in the Shooter's Bible Guide to Tactical Firearms. This Shooter's Bible guide will help new and experienced shooters in making smart equipment purchases that range from rifles and optics to ammunition and gear. The shooting school section provides instructions for those of us who have had no formal training. For experienced shooters, having current information on hand in one place can be an invaluable resource. And no Shooter's Bible guidebook is complete without a detailed products section showcasing rifles from all across the market. Other topics covered include: Top 10 long-range rifles Precision rifle maintenance Anatomy of a riflescope Shooting technique, positions, and drills And much more! Pick up a copy of the Shooter's Bible Guide to Tactical Firearms to learn everything you need to know about precision, long-range shooting. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a

national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Hunting the Hard Way

Down the Up Staircase tells the story of one Harlem family across three generations, connecting its journey to the historical and social forces that transformed Harlem over the past century. Bruce D. Haynes and Syma Solovitch capture the tides of change that pushed blacks forward through the twentieth century—the Great Migration, the Harlem Renaissance, the early civil rights victories, the Black Power and Black Arts movements—as well as the many forces that ravaged black communities, including Haynes's own. As an authority on race and urban communities, Haynes brings unique sociological insights to the American mobility saga and the tenuous nature of status and success among the black middle class. In many ways, Haynes's family defied the odds. All four great-grandparents on his father's side owned land in the South as early as 1880. His grandfather, George Edmund Haynes, was the founder of the National Urban League and a protégé of eminent black sociologist W. E. B. Du Bois; his grandmother, Elizabeth Ross Haynes, was a noted children's author of the Harlem Renaissance and a prominent social scientist. Yet these early advances and gains provided little anchor to the succeeding generations. This story is told against the backdrop of a crumbling three-story brownstone in Sugar Hill that once hosted Harlem Renaissance elites and later became an embodiment of the family's rise and demise. *Down the Up Staircase* is a stirring portrait of this family, each generation walking a tightrope, one misstep from free fall.

The Trapper's Bible

Selected essays previously published in various periodicals and journals.

The Brick Bible

Authentic reproduction of Stoeger Arms Corporation 1940 catalog -- forerunner of the "Shooter's Bible." A.F. Stoeger's introductory letter contains his first reference to "Shooter's Bible" which became the title for this world renown firearms reference book. Step back in time and reminisce.

Death in the Long Grass

In Great Hunting Rifles, firearms expert Terry Wieland leads the reader on a journey through the history of some of the most exquisite rifles made in the twentieth century. The rifles featured in the book, all personally owned by the author and described in loving detail, were chosen for their particular importance. Each rifle either represents a particular era of gun making, is historically important, or is simply a paragon of gun making skill. In his treatment of these special rifles, Wieland provides a close look at some individual guns that are superb in a unique way, and which illustrate high points of the twentieth century. Each chapter is dedicated to one particular rifle, and is accompanied by photographs of the author's own examples, including: James Woodward hammer double .450 Express 3 1/4" Holland & Holland hammer .500 Express 3 1/4" Haenel-Mannlicher bolt action .450 Ackley custom rifle Mannlicher-Schoenauer Model 1908 Savage Model 1899 Al Biesen custom .270 Winchester .505 Gibbs custom built on a Granite Mountain Mauser 98 And many more! Great Hunting Rifles is perfect for anyone who wants to know more about the history of those few, special rifles that have made their mark on time.

Shooter's Bible Guide to Home Defense

Gun Trader's Guide, Forty-Second Edition

Gun Trader's Guide, Fortieth Edition

A comprehensive big-game hunting guide, perfect for hunters ranging from first-time novices to seasoned experts, with more than 400 photographs, including work by renowned outdoor photographer John Hafner. Steven Rinella was raised in a hunting family and has been pursuing wild game his entire life. In this first-ever complete guide to hunting—from hunting an animal to butchering and cooking it—the host of the popular hunting show *MeatEater* shares his own expertise with us, and imparts strategies and tactics from many of the most experienced hunters in the United States as well. This invaluable book includes • recommendations on what equipment you will need—and what you can do without—from clothing to cutlery to camping gear to weapons • basic and advanced hunting strategies, including spot-and-stalk hunting, ambush hunting, still hunting, drive hunting, and backpack hunting • how to effectively use decoys and calling for big game • how to find hunting locations, on both public and private land, and how to locate areas that other hunters aren't using • how and when to scout hunting locations for maximum effectiveness • basic information on procuring hunting tags, including limited-entry “draw” tags • a species-by-species description of fourteen big-game animals, from their mating rituals and preferred habitats to the best hunting techniques—both firearm and archery—for each species • how to plan and pack for backcountry hunts • instructions on how to break down any big-game animal and transport it from your hunting site • how to

butcher your own big-game animals and select the proper cuts for sausages, roasts, and steaks, and how to utilize underappreciated cuts such as ribs and shanks • cooking techniques and recipes, for both outdoor and indoor preparation of wild game
