An Orphan in the Snow

The extra-legal effects of international and domestic war crimes trials continue to puzzle researchers and practitioners. In the former Yugoslav states, the legacy of conflict and issues of transitional justice remains central in politics, society and culture. This book provides a new theoretical and methodological approach to one of these puzzles: why universal human rights norms become distorted or undermined when they reach local publics. It investigates the social and cultural contexts that transitional justice processes take place in by looking at how emotional everyday narratives can hamper the spread of norms in society. In Croatia, these narratives define how the public understands the rule of law, history and minority rights.

Stardust Book Reviews, 5 stars A heart-wrenching, poignant and totally unforgettable tale of a young woman who must finally face up to the secret she has hidden for a lifetime. A beautiful World War Two novel for fans of Wives of War, Lisa Wingate and Diney Costeloe, that will have you reaching for the Kleenex. 1943, England: On a foggy night during the blackout, twenty-five-year-old May Robinson's mother is tragically killed. Heartbroken, May isn't sure she has the strength to harbour the secret she has kept for so many years – a secret her mother devoted her life to hiding, that would tear their broken family even further apart. Vowing to make her mother proud, May trains to be a nurse at Edgemoor General hospital in South Shields, against a backdrop of wailing air-raid sirens and the eternal drone of enemy planes. Tending to wounded, ashen-faced soldiers, fighting to save lives, May is immediately drawn to kind-hearted Richard Bentley, who works tirelessly alongside her. He has sparkling brown eyes, and makes her laugh. In the darkest of days, amongst death and despair, May and Richard are beacons of hope for one another. But why isn't he fighting in the war like thousands of other brave young men? May knows how she longs to escape her own past, and her mother's. In this perilous time of such uncertainty, she finds herself asking – how well do they really know each other? And when the shocking truth of May's secret comes to light, just as the war comes too close to home, can their love survive the impossible? Memoirs Red and White

In the fifth installment of Amy Stewart's clever and original Kopp Sisters series, the sisters learn some military discipline--whether they're ready or not--as the U.S. prepares to enter World War I. It's the spring of 1917 and change is in the air. American women have done something remarkable: they've banded together to create military-style training camps for women who want to serve. These so-called National Service Schools prove irresistible to the Kopp sisters, who leave their farm in New Jersey to join up. When an accident befalls the matron, Constance reluctantly agrees to oversee the camp--much to the alarm of the Kopp's tent-mate, the real-life Beulah Binford, who is seeking refuge from her own scandalous past under the cover of a false identity. Will she be denied a second chance? And after notoriety, can a woman's life ever be her own again? In Kopp Sisters on the March, the women of Camp Chevy Chase face down the skepticism of the War Department, the double standards of a scornful public, and the very real perils of war. Once again, Amy Stewart has brilliantly brought a little-known moment in history to light with her fearless and funny Kopp sisters novels.

The Hidden Village

The Sisters of Auschwitz

Born after World War I into an educated and progressive Polish family, Peter F. Dembowski was a teenager during the joint occupation of Poland by Nazi Germany and the Soviet Union. His account of life as a young Polish soldier, as an immigrant to Canada, and finally as an American professor is a gripping narrative of life before, during, and after the horrors of World War II. Skillfully weaving a tapestry of emotion and history, Dembowski recounts the effects of loss: at age twelve, his father's death; and later, the arrest of his mother and sister by the Gestapo and their execution in 1942 in the women's concentration camp of Ravensbrück. Balancing those tragedies, Dembowski recalls the loving care given him by Janina Dembowska, the wife of his paternal uncle, as well as the inspiring strength of character he witnessed in his teachers and extended family. Still a very young-looking teenager, Dembowski became involved with the Polish Underground in 1942. Suspected as a konspirator, he was incarcerated in Pawiak Prison and later, after a rare release, fought in the Warsaw Uprising of 1944. His on-the-ground account describes the deprivations Polish soldiers faced as well as the fierce patriotism they shared. With the defeat of the Uprising, he was deported to Sandbostel; once liberated, he joined the Polish Army in Italy, serving there for two years. In 1947, Dembowski made the momentous decision not to return to Poland but rather to emigrate to Canada. We learn of his stint as a farmhand and, later, of his studies at the University of British Columbia in Vancouver. He continued his education in France, receiving a Doctorat de l'Université de Paris in Russian philology and, in 1960, a PhD from the University of California at Berkeley in medieval French. In tandem with his successful academic career teaching at the University of Toronto and at the University of Chicago, Dembowski describes his happy marriage and the joy of family life.

The Saigon Sisters

Born in Holland after the war, a son grows up an outsider in the midst of his family. Living in isolation among the dunes of coastal Holland, he looks on as his half-caste half-sisters are mocked for their 'blue skin', endures the bizarre and brutal military training his father puts him through, and wonders about the wartime hardships his family suffered but never discusses. Years later, the middle-aged son begins a quest

into his family's past in Indonesia, and the origins of his father's strange mix of charm and cruelty. Despite his sisters' denials and his mother's evasiveness, details surface about the incredible endurance of his father, one of the few survivors of torture in the camp. Returning always to the Dutch coast where he spent his childhood, the man comes to a final acceptance of his father and a new understanding of their relationship.

This Is Not Propaganda

In 2010, the Army created Cultural Support Teams, a secret pilot program to insert women alongside Special Operations soldiers battling in Afghanistan. The Army reasoned that women could play a unique role on Special Ops teams: accompanying their male colleagues on raids and, while those soldiers were searching for insurgents, questioning the mothers, sisters, daughters and wives living at the compound. Their presence had a calming effect on enemy households, but more importantly, the CSTs were able to search adult women for weapons and gather crucial intelligence. They could build relationships—woman to woman—in ways that male soldiers in an Islamic country never could. In *Ashley's War*, Gayle Tzemach Lemmon uses on-the-ground reporting and a finely tuned understanding of the complexities of war to tell the story of CST-2, a unit of women hand-picked from the Army to serve in this highly specialized and challenging role. The pioneers of CST-2 proved for the first time, at least to some grizzled Special Operations soldiers, that women might be physically and mentally tough enough to become one of them. The price of this professional acceptance came in personal loss and social isolation: the only people who really understand the women of CST-2 are each other. At the center of this story is a friendship cemented by "Glee," video games, and the shared perils and seductive powers of up-close combat. At the heart of the team is the tale of a beloved and effective soldier, Ashley White. Much as she did in her bestselling *The Dressmaker of Khair Khana*, Lemmon transports readers to a world they previously had no idea existed: a community of women called to fulfill the military's mission to "win hearts and minds" and bound together by danger, valor, and determination. *Ashley's War* is a gripping combat narrative and a moving story of friendship—a book that will change the way readers think about war and the meaning of service.

A Sister's War (the Victory Sisters, Book 3)

They were the most famous women in China. As the country battled through a hundred years of wars, revolutions and seismic transformations, the three Soong sisters from Shanghai were at the center of power, and each of them left an indelible mark on history. Red Sister, Ching-ling, married the 'Father of China', Sun Yat-sen, and rose to be Mao's vice-chair. Little Sister, May-ling, became Madame Chiang Kai-shek, first lady of pre-Communist Nationalist China and a major political figure in her own right. Big Sister, Ei-ling, became Chiang's unofficial main adviser - and made herself one of China's richest women. Big Sister, Little Sister, Red Sister is a gripping story of love, war, intrigue, bravery, glamour and betrayal, which takes us on a sweeping journey from Canton to Hawaii to New York, from exiles' quarters in Japan and Berlin to secret meeting rooms in Moscow, and from the compounds of the Communist elite in Beijing to the corridors of power in democratic Taiwan. In a group biography that is by turns intimate and epic, Jung Chang reveals the lives of three extraordinary women who helped shape twentieth-century China.

Sisters of War

From award-winning author Deborah Heiligman comes *Torpedoed*, a true account of the attack and sinking of the passenger ship *SS City of Benares*, which was evacuating children from England during WWII. Amid the constant rain of German bombs and the escalating violence of World War II, British parents by the thousands chose to send their children out of the country: the wealthy, independently; the poor, through a government relocation program called CORB. In September 1940, passenger liner *SS City of Benares* set sail for Canada with one hundred children on board. When the war ships escorting the *Benares* departed, a German submarine torpedoed what became known as the *Children's Ship*. Out of tragedy, ordinary people became heroes. This is their story. This title has Common Core connections.

The Outcast Girls

When information is a weapon, every opinion is an act of war. We live in a world of influence operations run amok, where dark ads, psyops, hacks, bots, soft facts, ISIS, Putin, trolls, and Trump seek to shape our very reality. In this surreal atmosphere created to disorient us and undermine our sense of truth, we've lost not only our grip on peace and democracy--but our very notion of what those words even mean. Peter Pomerantsev takes us to the front lines of the disinformation age, where he meets Twitter revolutionaries and pop-up populists, "behavioral change" salesmen, Jihadi fanboys, Identitarians, truth cops, and many others. Forty years after his dissident parents were pursued by the KGB, Pomerantsev finds the Kremlin re-emerging as a great propaganda power. His research takes him back to Russia--but the answers he finds there are not what he expected. Blending reportage, family history, and intellectual adventure, *This Is Not Propaganda* explores how we can reimagine our politics and ourselves when reality seems to be coming apart.

My Sister's Bones

In the vein of Fiona Barton's *The Widow* and Renée Knight's *Disclaimer*, a psychological thriller about a war reporter who returns to her childhood home after her mother's death but becomes convinced that all is not well in the house next door—but is what she's seeing real or a symptom of the trauma she suffered in Syria? *The One Person You Should Trust Is Lying to You...* Kate has spent fifteen years bringing global injustice home: as a decorated war reporter, she's always in a place of conflict, writing about ordinary people in unimaginable situations. When her mother dies, Kate returns home from Syria for the funeral. But an incident with a young Syrian boy haunts her dreams, and when Kate sees a boy in the garden of the house next door—a house inhabited by an Iraqi refugee who claims her husband is away and she has no children—Kate becomes convinced that something is very wrong. As she struggles to separate her memories of Syria from the quiet town in which she grew up—and also to reconcile her memories of a traumatic childhood with her sister's insistence that all was not as Kate remembers—she begins to wonder what is actually true...and what is just in her mind. In this gripping, timely debut, Nuala Ellwood brings us an unforgettable damaged character, a haunting, humanizing look at the Syrian conflict, and a deeply harrowing psychological thriller that readers won't be able to put down.
