Cold-brewing tea is a slow and gentle steeping process that creates a sweeter and smoother tasting tea. Tannins, which make tea bitter, aren't steeped out of the tea in cold water the way it does in hot water. This means no more bitter iced tea! Because cold brewing doesn't involve hot water, it's perfect to make in the hot summer months.

Slow Brewing Tea is a gateway into both groups. It is a biblically accurate novel that chronicles a shy, abused, anti-Christian airman as he seeks love and the Tao (the way) in the mountains of Japan. He falls in love and finds an old man who teaches him Taoist principles that lead him eventually to the way, the truth, and the life.
