This scorebook works for tracking the stats of either softball or baseball games. This is perfect for people who enjoy and follow both sports. One scorebook has room to track the scores for 100 games. Players may like to have a scorebook of their own, to keep tabs on themselves and the members of their team. Parents and coaches can put scorebooks to good use, as well. They may keep stats for their own enjoyment, for memory's sake, or for a child who's too young to do it on their own. Ultimately, anyone who loves or is involved in the game of baseball can enjoy using a scorebook.
