Paint, poke, create, destroy, and wreck--to create a journal as unique as you are For anyone who's ever had trouble starting, keeping, or finishing a journal or sketchbook comes this expanded edition of Wreck This Journal, a subversive illustrated book that challenges readers to muster up their best mistake- and mess-making abilities to fill the pages of the book--or destroy them. Through a series of creative and quirky prompts, acclaimed guerilla artist Keri Smith encourages journalers to engage in destructive acts--poking holes through pages, adding photos and defacing them, painting pages with coffee, coloring outside the lines, and more--in order to experience the true creative process. With Smith's unique sensibility, readers are introduced to a new way of art- and journal-making, discovering novel ways to escape the fear of the blank page and fully engage in the creative process. To create is to destroy. Happy wrecking!
