### Educational Film Guide

For Big Lou's Gentlemen's Club softball was more than running around in dirt and grass. This crazy band of misfits had to defeat the three time champs, The Animals. They couldn't do it playing straight up softball. They needed an edge – an edge that included exploding dogs, half of a dead horse, and a shootout with a car. The Animals were not going to surrender their crown easily.

### Moral Reasoning for Journalists

Are you a lover of softball? Does the game intrigue you? If you are or know someone who does then this book is for you. Perfect for taking notes or journaling. These vibrant colors are sure to stand out. Grab a copy today!

## Softball Switch-Up

"I can remember a reporter asking me for a quote and I didn't know what a quote was. I thought it was some kind of a soft drink."-Joe Dimaggio. The author has more than doubled the number of hardball lines, quips, quibbles, exclamations and sagacious sallies (4,271 versus 2,023) from the well reviewed earlier edition, which featured a "good index" (ARBA), as it does again. From the historical to the hysterical, Hall of Fame legends to long-forgotten bench

Jockies, this work compiles the best lines from the entire spectrum of baseball. Quotations are arranged under several dozen topics, from "Aging Gracefully" to "Yogi-isms" (and include the straightforward, like "Base Running" or "Home Runs," to the more fanciful, like "Anger Management" and "Looks Aren't Everything"). Detailed ascriptions for each quotation provide context and elaboration. Thorough name and narrow subject indexes allow for easy access.

## Dividend

Do you love softball? This is the perfect notebook for you!

## The Guinness book of records 1988

Contains essays concerning various sports or sports topics, from acrobatics to yachting, giving both American and international coverage

## New Scientist

A history of the rise and fall of baseball in America challenges popular beliefs about the game's evolution while revealing how it reflects popular culture, citing the roles of such contributing factors as gambling and religion.

## Art Issues

## Softball Coach Journal

## Softball Was Invented To Show Boys How It's Done

Introduction to Sports Biomechanics has been developed to introduce you to the core topics covered in the first two years of your degree. It will give you a sound grounding in both the theoretical and practical aspects of the subject. Part One covers the anatomical and mechanical foundations of biomechanics and Part Two concentrates on the measuring techniques which sports biomechanists use to study the movements of the sports performer. In addition, the book is highly illustrated with line drawings and photographs which help to reinforce explanations and examples.

## The Guinness Book of Records, 1993

Chronicling the rise of American sports from old-time, community-sponsored games to modern pro-sport franchises, Vincent suggests that recent trends toward mass participatory sports are in reaction against the corporate climate of professional sports

## Guinness Book of World Records 1991

### The Glory of Their Times

Baseball was different in earlier days—tougher, rawer, more intimate—when giants like Babe Ruth and Ty Cobb ran the bases. In the monumental classic *The Glory of Their Times*, the golden era of our national pastime comes alive through the vibrant words of those who played and lived the game.

### Baseball and Philosophy

*Baseball and Philosophy* brings together two high-powered pastimes: the sport of baseball and the academic discipline of philosophy. Eric Bronson asked eighteen young professors to provide their profound analysis of some aspect of baseball. The result offers surprisingly deep insights into this most American of games. The contributors include many of the leading voices in the burgeoning new field of philosophy of sport, plus a few other talented philosophers with a

personal interest in baseball. A few of the contributors are also drawn from academic areas outside philosophy: statistics, law, and history. This volume gives the thoughtful baseball fan substantial material to think more deeply about. What moral issues are raised by the Intentional Walk? Do teams sometimes benefit from the self-interested behavior of their individual members? How can Zen be applied to hitting? Is it ethical to employ deception in sports? Can a game be defined by its written rules or are there also other constraints? What can the U.S. Supreme Court learn from umpiring? Why should baseball be the only industry exempt from antitrust laws? What part does luck play in any game of skill?

## Total Softball, the Game Beyond the Game

A guide for coaches and pitchers, Kempf goes beyond the basics of female softball as she covers pre-motion presentation, stance, posture, timing, location and speed. Advice is given on the correct choice of pitch illustrated with drawings.

## Introduction to Sports Biomechanics

When the coach of her championship softball team asks Raisa Kumar to teach a new recruit, Annie, how to pitch she is eager to help, especially since she hopes to be a coach herself someday; but when the team's other pitcher turns up with a broken arm, teaching Annie takes on a new urgency--and Raisa's efforts at coaching seem to be frustrating Annie rather than
