Pilgrims' Guide to America

Our culture produces many whose goals are to create new jobs, increased profits and growth that will benefit humanity. Some, like Peter Oliver Sessions, subvert those goals, overlooking moral and ethical truths. His march to success, driven by ambition and misguided religious convictions, turns into a selfish quest for personal reward. He first uses Santa Rita as a refuge from doting parents, the Vietnam War and then to escape possible jailing for questionable stock transactions. For centuries this quiet Mexican fishing village was isolated from the outside world. When young surfers were attracted by the great waves washing into its bay, "Pedro" Sessions follows their lead. Sessions spent his war years looking for the next best waves and exploiting a tribe of Huichol Indians in order to support his lifestyle. When Jimmy Carter pardoned those that fled military service, Pedro returned to California and, after a cram course in business administration, became a broker of IPO's and mutual funds. Faced with possible indictment for illegal trading, Pedro returned to Santa Rita with a new wife, Isabella Eugenia, and a limited knowledge of real estate development. His first effort created the boutique hotel, Casa de Mastil, whose popularity with tourists soon led to investment in the project by Gringos from North America. Despite the detractions of a murder, lawsuits from angry purchasers, and adverse public opinion, Pedro continued to expand the hotel until a victim of his unscrupulous deals, Enid Williams, rallied the community to bring down his would-be empire. In the process Enid found self-esteem after a lifetime of personal setbacks.

Climatological Data

The Church is a faithful custodian of the “ Lives of the Saints, ” of those books which contain the wonderful and glorious deeds of her children who have lived and died in the odor of sanctity. And she looks on every “ Life of a Saint ” as a guidebook pointing out the way to Heaven to all Christians, who are only travelers on the way to their true home. After the Bible and the Catechism there is no book more precious in the eyes of Mother Church than a “ Life of a Saint. ” It is the dearest wish of Mother Church that her children should frequently read the lives of the Saints; by so doing they gradually become acquainted with a select society to which, in a great measure, they will be forced to raise the standard of their daily lives. Our Holy Father St. Augustine is a striking example of what the reading of the lives of the Saints may do. A friend of his, Alipius by name, gave him the life of St. Anthony the Abbot. Augustine read it, and was so extremely affected by what he read that it was one main cause of his conversion. Looking down the long calendar of saints, glancing carefully over the Church ’ s long honor list of men and women whose names were held in veneration in their days, we find no name crowned with a greater halo of glory and honor than that of St. Rita, the humble Augustinian nun of Cascia, now venerated under the singular title of the Saint of the Impossible. It is more than 450 years since St. Rita departed this life to be united forever to her Lord and spouse Jesus Christ, and yet her name is still held in benediction, not only among the faithful of Italy, her native country, but also among the faithful of the rest of Europe, who vie with the people of South and North America in honoring and venerating our illustrious Saint. Among the many magnificent “ Lives of St. Rita ” written by the Italian and Spanish Augustinians, we prefer that written by our brother religious, Father Joseph Sicardo. As his book has had a large propaganda in Spain, the Philippine Islands and in Spanish America, we have hopes that the same book, garbed in an English dress, will help to keep alive that fire of devotion which now burns in the hearts of so many clients of St. Rita in North America. That our translation of Father Sicardo ’ s Life of St. Rita may have the result of

further increasing not only the veneration, but also the number, of the clients of our sister, St. Rita, is our only wish and ambition.

Catholic Questions, Wise Answers

Fr. Joseph Sicardo, O.S.A. For centuries St. Rita of Cascia has been one of the most popular saints in the Catholic Church. She is known as the "Saint of the Impossible" because of her amazing answers to prayer as well as the remarkable events of her own life. Here are the classic stories from her life: the bees which attended her birth, her great early desire to be a nun, her disappointment in not being allowed to be one and her marriage to a cruel husband, his conversion and his murder; and how St. Rita prevented her two young sons from taking revenge. Here also is the story of St. Rita's miraculous entry into the Augustinian Convent, her miraculous thorn wound, her severe penances and her many virtues. Though little documentation on St. Rita exists, Fr. Sicardo has made her come alive again; his great love and admiration for her shine forth on every page. Imprimatur: George W. Mundelein, D.D., Archbishop of Chicago

Santa Rita Experimental Range--100 Years (1903 to 2003) of Accomplishments and Contributions

Relive with us the story of this great Saint of the Impossible. Visit her birthplace in Roccaporena, and Cascia where she lived. View and venerate her incorrupt body. See the miraculous bees that were part of her life. Go to the convent in Cascia where she lived and witness her life in the Cloister. See her miraculous entry into the community and the Cross from which she received the Stigmata, a thorn in her head. She was the only daughter of a mother and father who feared for her well-being. They married her to a young man who was completely opposite from her. He lived a life of sin, drinking and carousing with other women. She prayed for him, until he finally repented. He was killed by his ex-comrades. His children vowed vengeance on them. St. Rita prayed that before they committed this act of murder against those who had killed her husband, the Lord would take them. She stayed by the bedside of both boys as they died. Then, after much struggle, she entered the convent at an advanced age. She is the Saint of the Impossible. Pray for her intercession.
