ANGEL READING CARDS

You Can't Make This Stuff Up

At last there is a tarot deck devoted specifically to the questions we most ask - those that relate to affairs of the heart. Jane Lyle has devised ways to lay out these beautiful cards that will give guidance on all aspects of love, sex and relationships. Now you can find understanding and insight for all your most urgent longings and desires, and identify potential blocks to your romantic happiness and fulfilment. Includes 78 cards.

Postcards from Heaven

The unseen author of this book tells us of life's true purpose and urges us to make the most of our sojourn on earth. He warns us that we are fast approaching a turning point, which could lead to an age of enlightenment and peace or to a future none of us wants to see. If we act now, we can still turn things around but we need help from heaven.

Talking To Heaven

Explore the many different guides you can encounter over the course of your life and lifetimes, including earth guides who have physical bodies and those who reside in the spirit realm (From book jacket).

Messages from Heaven

This deck was channeled in 2009 by Licia Sorgi of Life's a Beach Tarot. She channeled it from her spirit guides after she wrote the book *Alive Forever*. This deck is intended to bring healing and closure through validating messages from spirit (mediumship). The book consists of 90 cut-out paper cards to do readings with (as well as a protection exercise and instructions). Licia has been formally trained and is a certified medium. She has taken numerous courses, including one at the esteemed Arthur Findlay College in Stanstead, England. She wanted to make getting accurate and validating messages available to everyone- thus this deck was born. She hopes it brings much relief and the realization that there is no true death. We really are *Alive Forever*. We recommend using a paper-cutter to cut out your deck of cards. These

cards give very specifically validating information: Blue, grey or light eyes Brown or hazel eyes Dark brown, black or peppered hair You were with me when I passed My death was sudden or unexpected Long or longer hair Male child I died of something other than what you expected me to Elderly female Male pre-birth, infant or baby Adult, middle-aged or mature male Medium frame or build Medium height The deck is self-explanatory. We've added some explanation for a few of the cards but overall, they are mostly validating information that doesn't require further clarifying. We recommend using a paper-cutter to cut out our decks of cards. A few other examples from *The Messages from Spirit Cards*: Let go of the guilt, I am well Anniversary, birthday or holiday- a special date or occasion that either just happened or is going to happen soon. It is referring to the anniversary of their passing (or an actual anniversary such as wedding or birthday). The holiday would have special significance, like Mother's Day or Father's Day, or Christmas if that holiday was very important to them. Don't stop living your life- They want you to be happy! They are with you and see that you may be separating yourself from the flow of life (or love). This message is to go enjoy life! It's what they want for you. Especially hard time lately- This is verification that they know that you have been going through an especially hard time lately and have been with you the entire time. Pet- This is a pet (or pets) coming through Relax, you made the right decision I should have been there more for you, I'm sorry An excerpt from the book about how to use the cards: Put all of the cards face down on the table. Mix them about and when you feel drawn to one, pull it and put it aside. Repeat this process until you feel finished. As you pull cards, you might notice characteristics of more than one person. If that is the case, it is because there is more than one spirit coming through at that time. Place the card pulled with the corresponding person (energy). When you have finished pulling cards, read the messages. If/when you get a card that doesn't resonate, disregard that one, stop pulling cards, and read the ones you did pull. Please note that sometimes a spirit likes to come through as they were at their best (as opposed to their final days in their body) so you may get validation pertaining to how they looked when they were younger, for example. You will likely feel the deep, loving connection to them while you are reading the cards or you may even feel their presence (if they are sure it wouldn't frighten you and would be a good experience). Enjoy this feeling! It is real. This is the deck with a white cover and background and less serious Emily's Candy font. We also offer the original deck with a blue cover and black background with a gothic-looking font (ISBN: 978-1720383772). Everything in our *Life's a Beach Series* is intended to help you become self-empowered. We offer learning books for many areas of divination. *Life's a Beach Tarot* is a sister-company to *One Amazing Light*.

This Spiritsong deck is a melding of two traditions of divination: one in which animals are seen as guides between our world and the spirit world, and one that uses 78 cards as a tool to connect with our highest self. Each animal was specifically selected based upon Shamanic and Native American symbolism, merging each animal's unique power with classic tarot practices. For example, the Spiritsong animal, Raven, has attributes such as 'creation' that parallels

some of the same symbolic tarot attributes of the traditional Magician card, which is why the Raven is the animal representing that card. The Spiritsong Tarot structure is based on the traditional tarot, containing the 22 Majors, the 56 Minors, and four suits: Acorns for Wands/Fire; Feathers for Swords/Air; Shells for Cups/Water; and Crystals for Pentacles/Earth.

Angel Lady

"Nearly all of us either have had or have heard of an experience in which a soul already departed reaches back to us who have been left behind. Sometimes, it's no more than a whisper, a familiar smell in the air, or just the feeling of presence as vivid as when the loved one was still alive. These moments are just that moments, a glimpse behind the veil; not a letter from heaven, but a postcard." (Dan Gordon, *Postcards from Heaven*) A postcard from heaven is not a revelation from on high -- rather, it's "a whisper, a familiar smell in the air, or just the feeling of presence" of someone who's passed away. It is just enough of a message to imply that what we call life is not ended by what we call death. Dan Gordon has been receiving these postcards all his life -- from his father, his older brother, and his son Zaki, who was killed in a car accident when he was only twenty-two. *Postcards from Heaven* is the beautiful, inspirational memoir of four generations of a remarkable family and how they remain interconnected, a part of one another's stories, even after passing to the other side. Here is the span of his father's long life, moving and funny, from the Russian Revolution to his improbable Depression-era courtship of a woman named Goddess -- Gordon's mother -- to his spiritual later years in Israel; his incorrigible older brother's mischievous magic, able to find humor even in cancer treatment; and his brilliant son, a natural storyteller who looked destined to follow his father into the movie business. These are the stories of their lives on earth as well as after death. Full of humor, compassion, and love, *Postcards from Heaven* comforts and assures us that those we loved can reach back to those of us still on earth -- and, if only we are attentive enough to listen, we can hear them say, Got here safe. It's really beautiful. Much love, till we meet again.
