### **Existentialists and Mystics**

The Irish Dramatic Movement gave to the world major playwrights such as Yeats, Synge, Lady Gregory, O'Casey and Beckett, while in more recent times the international stage has come to appreciate the talents of a new generation of Irish playwrights, including Brian Friel, Sebastian Barry, and Marina Cart. Preoccupied with questions of identity and national self-realization, it was only after the achievement of independence in 1922 that the theater assumed a more critical, analytic, and demythologizing role in society. It retained, however, the notion of a dynamic, of a system of beliefs open to wider possibilities than the established ideology fostered and controlled, keeping alive the idea of cultural revolt and renewal. Thus Irish drama owes its imaginative power to both its energetic involvement with cultural transformations, as well as to more acceptable modes of representation and critique. Twentieth Century Irish Drama provides a perfect overview of a nation's theater read in light of a nation's struggle toward self-definition. Mediating between history and the troubled relationship between politics and art, the book attempts to do justice to the enabling and mirroring preoccupations of Irish drama.

VINTAGE CLASSIC MURDOCH- Funny, subversive, fearless and fiercely intelligent, Iris Murdoch was one of the great writers of the twentieth century. To celebrate her centenary Vintage Classics presents special editions of her greatest and most timeless novels. WITH AN INTRODUCTION BY SOPHIE HANNAH 'Every artist is an unhappy lover. And unhappy lovers want to tell their story.' Ex-tax collector and author of two unpopular novels, Bradley Pearson wishes to devote his retirement to writing a masterpiece. But the doorbell and the phone keep ringing, and every ring brings with it an ex-wife, a friend in need, a sister in trouble or a young woman seeking a teacher, and so dusty, selfish Bradley is plunged into the muddles and mysteries which will end in his doom.

Daniel Karlin has selected poetry written and published during the reign of Queen Victoria, (1837-1901). Giving pride of place to Tennyson, Robert Browning, and Christina Rossetti, the volume offers generous selections from other major poets such as Arnold, Emily Bronte, Hardy and Hopkins, and makes room for several poem-sequences in their entirety. It is wonderful, too, in its discovery and inclusion of eccentric, dissenting, un-Victorian voices, poets who squarely refuse to 'represent' their period. It also includes the work of Elizabeth Barrett Browning, George Meredith, James Thomson and Augusta Webster.

### **A Fairly Honourable Defeat**

A selection of protest texts of the 20th century, from Ellen Wilkinson

on the Jarrow hunger marches and Jack London on the East End, through the key documents of the Black power and anti-Apartheid movements, right up to Earl Spencer's speech at Diana's funeral.

Iris Murdoch's debut—a comic novel about work and love, wealth and fame Jake Donaghue, garrulous artist, meets Hugo Bellfounder, silent philosopher. Jake, hack writer and sponger, now penniless flat-hunter, seeks out an old girlfriend, Anna Quentin, and her glamorous actress sister, Sadie. He resumes acquaintance with the formidable Hugo, whose 'philosophy' he once presumptuously dared to interpret. These meetings involve Jake and his eccentric servant-companion, Finn, in a series of adventures that include the kidnapping of a film-star dog and a political riot on a film set of ancient Rome. Jake, fascinated, longs to learn Hugo's secret. Perhaps Hugo's secret is Hugo himself? Admonished, enlightened, Jake hopes at last to become a real writer.

### **The Penguin Book of Women's Lives**

The adventures and attitudes shared by the American writers dubbed "The Lost Generation" are brought to life here by one of the group's most notable members. Feeling alienated in the America of the 1920s, Fitzgerald, Crane, Hemingway, Wilder, Dos Passos, Crowley, and many other writers "escaped" to Europe, some forever, some as temporary exiles. As Cowley details in this intimate, anecdotal portrait, in renouncing traditional life and literature, they expanded the boundaries of art.

### **Under The Net**

A portrait in her own words of the female Lawrence of Arabia, the subject of the PBS documentary Letters from Baghdad, voiced by Tilda Swinton, and the major motion picture Queen of the Desert, starring Nicole Kidman, James Franco, Damian Lewis, and Robert Pattinson and directed by Werner Herzog Gertrude Bell was leaning in 100 years before Sheryl Sandberg. One of the great woman adventurers of the twentieth century, she turned her back on Victorian society to study at Oxford and travel the world, and became the chief architect of British policy in the Middle East after World War I. Mountaineer, archaeologist, Arabist, writer, poet, linguist, and spy, she dedicated her life to championing the Arab cause and was instrumental in drawing the borders that define today's Middle East. As she wrote in one of her letters, "It's a bore being a woman when you are in Arabia." Forthright and spirited, opinionated and playful, and deeply instructive about the Arab world, this volume brings together Bell's letters, military dispatches, diary entries, and travel writings to offer an intimate look at a woman who shaped nations. ### **The Penguin Book of Interviews**

An exploration of love and its excesses, missteps, and modest triumphs, from the Booker Prize-winning author of *The Sea*, *The Sea* In a dark comedy of errors, Iris Murdoch portrays the mischief wrought by Julius, a cynical intellectual who decides to demonstrate through a Machiavellian experiment how easily loving couples, caring friends, and devoted siblings can betray their loyalties. As puppet master, Julius artfully plays on the human tendency to embrace drama and intrigue and to prefer the distraction of confrontations to the difficult effort of communicating openly and honestly. ## **The Penguin New Writing**

A searing indictment of evil in Hitler's Germany. Hendrik Hofgen is a man obsessed with becoming a famous actor. When the Nazis come to power in Germany, he willingly renounces his Communist past and deserts his wife and mistress in order to keep on performing. His diabolical performance as Mephistopheles in Faust proves to be the stepping-stone he yearned for: attracting the attention of Hermann Göring, it wins Hofgen an appointment as head of the State Theatre. The rewards - the respect of the public, a castle - like villa, a uplace in Berlin's highest circles - are beyond his wildest dreams. But the moral consequences of his betrayals begin to haunt him, turning his dreamworld into a nightmare.

### **Reading Penguin**

Founded by Allen Lane in 1935, Penguin Books soon became the most read publisher in the United Kingdom and was synonymous with the British paperback. Making high quality reading cheaply available to millions, Penguin helped democratise reading. In so doing, Penguin played an important part in the cultural and intellectual life of the English speaking world. For this book, which has its origins in the successful international conference held at Bristol University in 2010 to mark 75 years of Penguin Books, recognised scholars from different fields examine various aspects of Penguin's significance and achievement. David Cannadine and Simon Eliot offer wide historical perspectives of Penguin's place and impact. Other scholars, including Alistair McCleery, Kimberley Reynolds, Andrew Sanders, Claire Squires, Susie Harries, Andrew Nash, Tom Boll and William John Lyons examine more particularised subjects. These range from the breaking of the Lady Chatterley ban to the visions of the future contained in Puffin Books; from Penguin Classics to the scholarly and commercial interests in publishers' anniversaries; from the art and architectural histories of Nikolaus Pevsner to the art and design of Penguin covers; and from the translation of poetry to the transcription of the Dead Sea Scrolls. Together the essays depict much of what it was that made Penguin the most important British publishing house of the twentieth century.

Henry and Cato is the story of two prodigal sons. Henry returns from a self-imposed exile in America to an unforeseen inheritance of wealth and land in England. He is also returning to his mother. His friend Cato is struggling with two ambiguous intermingled passions, one for a God who may or may not exist, the other for a petty criminal who may or may not be capable of salvation. Cato's father and his sister Colette wait anxiously to welcome Cato back to sanity after his dubious escapades. Henry meanwhile confronts his mother, the unappeased furies of childish resentment, and various possibilities of revenge. Henry's cool mother watches, Cato's impetuous sister intervenes. Can love here become a saving force, or is it condemned to be possessive and demonic? Blackmail and violence take a hand, and both Henry and Cato return home at last.

#### **The Penguin Book of Victorian Verse**

In time for the centennial of his birth, the Nobel Prize winner's moving final novel *Deeply* insightful, Saul Bellow's moving last novel is a journey through love and memory, an elegy to friendship, and a poignant meditation on death. Told in memoir form, it follows two university professors, one of whom is succumbing to AIDS, as they share thoughts on philosophy and history, loves and friends, mortality and art. This Penguin Classics edition commemorates the fifteenth anniversary of Viking's first publication of *Ravelstein*. Featuring a new introduction by Gary Shteyngart, it rounds out the entirety of Bellow's major works in Penguin Classics black spine. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

#### **The Penguin Guide to Yearbook 2000–2001**

Best known as the author of twenty-six novels, Iris Murdoch has also made significant contributions to the fields of ethics and aesthetics. Collected here for the first time in one volume are her most influential literary and philosophical essays. Tracing Murdoch's journey to a modern Platonism, this volume includes incisive evaluations of the thought and writings of T. S. Eliot, Jean-Paul Sartre, Albert Camus, Simone de Beauvoir, and Elias Canetti, as well as key texts on the continuing importance of the sublime, on the concept of love, and the role great literature can play in curing the ills of philosophy. *Existentialists and Mystics* not only illuminates the mysticism and intellectual underpinnings of Murdoch's novels, but confirms her major contributions to twentieth-century thought.

VINTAGE CLASSICS MURDOCH: Funny, subversive, fearless and fiercely intelligent, Iris Murdoch was one of the great writers of the twentieth century. To celebrate her centenary Vintage Classics presents special editions of her greatest and most timeless novels. WITH AN INTRODUCTION BY CHARLOTTE MENDELSON 'This is real life, Jake,' she said. 'You'd better wake up.' Jake is clever, lazy and scraping by in London as a hack translator. Jake loves Anna. Anna is an elusive and lovely singer. Anna loves Hugo. Hugo is a fireworks manufacturer turned movie producer and majestic philosopher. Hugo loves Sadie. Sadie is a glossy and dazzling film starlet. Of course, Sadie loves Jake. Then there's Marvellous Mister Mars, the famous hound, who might or might not be Jake's ticket up and out of this mess.

### **Thinkers of the Twentieth Century**

Articulating Bodies investigates the contemporaneous developments of Victorian fiction and disability's medicalization by focusing on the intersection between narrative form and body. The book examines texts from across the century, from Frederic Shoberl's 1833 English translation of Victor Hugo's Notre-Dame de Paris to Arthur Conan Doyle's Sherlock Holmes story "The Adventure of the Crooked Man" (1893), covering genres that typically relied upon disabled or diseased characters. By tracing the patterns of focalization and narrative structure across six decades of the nineteenth century and across six genres, Articulating Bodies demonstrates that throughout the Victorian era, authors of fiction used narrative form as well as narrative theme to negotiate how to categorize bodies, both constructing and questioning the boundary dividing normalcy from abnormality. As fiction's form developed from the massive hybrid novels of the early decades of the nineteenth century to the case-study length of fin-de-siècle mysteries, disability became increasingly medicalized, moving from the position of spectacle to specimen.

### **Searing Indictment of Evil in Hitler's Germany**

A lay community of thoroughly mixed-up people is encamped outside Imber Abbey, home of an order of sequestered nuns. A new bell is being installed when suddenly the old bell, a legendary symbol of religion and magic, is rediscovered. And then things begin to change. Meanwhile the wise old Abbess watches and prays and exercises discreet authority. And everyone, or almost everyone, hopes to be saved, whatever that may mean. Originally published in 1958, this funny, sad, and moving novel is about religion, sex, and the fight between good and evil. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines.
