dozen radically different countries to a completely new political and moral system- Communism. Anne Applebaum's landmark history of this brutal time shows how societies were ruthlessly eviscerated by Communist regimes, how opposition was destroyed and what life was like for ordinary people who had to choose whether to fight, to flee or to collaborate. Iron Curtain is an exceptional work of historical and moral reckoning, and a haunting reminder of how fragile freedom can be. Chosen 16 times as a 'Book of the Year' - The top Non-Fiction pick of 2012 'The best work of modern history I have ever read.' A. N. Wilson, Financial Times 'The outstanding book of the year . . . a masterpiece.' Oliver Kamm, The Times, Books of the Year 'Exceptionally important, wise, perceptive, remarkably objective.' Antony Beevor 'Explains in a manner worthy of Arthur Koestler what totalitarianism really means . . . it is a window into a world of lies and evil that we can hardly imagine.' Edward Lucas, Standpoint 'At last the story can be told . . . a magisterial history.' Orlando Figes, Mail on Sunday

### **You're Not Going Crazy You're Just Waking Up!**

This book will help you heal yourself of every kind of stress and dysfunction by tapping into the healing powers of angels. Uniquely, the Ambika Wauters presents angels in terms of an inner realm with a distinct spiritual hierarchy: nine levels of angels residing in the three levels of heaven. While based on traditional theology, this system offers a thoroughly effective way for the human mind to grasp the benevolent powers that angels can make available to all of us. We learn how angelic forces work in the human energy system, especially the chakras, to benefit our personal development and spiritual evolution. The Healing Power of Angels is aimed at everyone who is fascinated and moved by the notion of angels or is interested in making new discoveries in the realm of the spirit. It will be immensely helpful to all healers and all those interested in understanding energy fields. The meditations, affirmations and prayers that punctuate the book provide a practical dimension for interactive work, and there are also profound reflections that will change the way we think about ourselves - and move us many steps closer to spiritual understanding.

Understand the life and teachings of Osho, one of the twentieth century's most unusual gurus and philosophers, in Autobiography of a Spiritually Incorrect Mystic. In 1990, Osho prepared for his departure from the body that had served him for fifty-nine years—in the words of his

## Read Book Online The Book Of Mirdad The Strange Story Of A Monastery Which Was Once Called The Ark

attending physician—“as calmly as though he were packing for a weekend in the country.” Who was this man, known as the Sex Guru, the “self-appointed bhagwan” (Rajneesh), the Rolls-Royce Guru, the Rich Man’s Guru, and simply the Master? Drawn from nearly five thousand hours of Osho’s recorded talks, this is the story of his youth and education, his life as a professor of philosophy and years of travel teaching the importance of meditation, and the true legacy he sought to leave behind: a religion-less religion centered on individual awareness and responsibility and the teaching of “Zorba the Buddha,” a celebration of the whole human being. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

### **An Introduction to Tantra and Sacred Sexuality**

The Book of Mirdad, the timeless allegorical story which has touched the hearts of so many readers, continues to show new generations how it is possible to expand one's consciousness, to uncover God in man by dissolving man's sense of duality. Mikhail Naimy, in a similar style to Gibran, unravels one layer after another, showing that the words of his message have descended from some mysterious source. The book is essentially a set of question and answer between Mirdad and his disciples, especially his chief disciple, Naronda. These dialogues occurred during the time he was admitted as a servant in the monastery of Altar Peak, built where Noah's Ark came to rest after the flood waters subsided. Mirdad's teachings cover all the important life issues such as love, the master - servant relationship, creative silence, money, the moneylender and the debtor, the cycle of time and death, repentance, old age, and so on. The culmination, and indeed the message, is that Mirdad's own Ark is the Ark of Holy Understanding, which will bring humankind through another deluge, greater than Noah's, when Heaven will be revealed on Earth. Mirdad's words are the words of an enlightened Sufi master.

### **The Everything Creative Writing Book**

From one of the greatest spiritual leaders of the twentieth century, *Creativity: Unleashing the Forces Within* will inspire you to nurture your inner ideas and innovations—and apply them in every aspect of your life. As Osho points out in this book's foreword, historically, the creative

## Read Book Online The Book Of Mirdad The Strange Story Of A Monastery Which Was Once Called The Ark

person has been all but forced to rebel against the society. But nowadays, the situation has dramatically changed. In today's world, the ability to respond creatively to new challenges is demanded of everybody, from corporate CEOs to "soccer moms." Those whose toolbox for dealing with life includes only what they have learned in the past from their parents and their teachers are at a distinct disadvantage both in their relationships and in their careers. Making a switch from imitative and rule-bound behavior to creative innovation and flexibility requires a profound change in our attitudes about ourselves and our capabilities. Creativity is a handbook for those who understand the need to bring more creativity, playfulness, and flexibility to their lives. It's a manual for thinking "outside the box"—and learning to live there as well. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the "1000 Makers of the 20th Century" and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

Based on the eleventh century text Seven Points of Mind Training, this book crystallizes the message of Tibetan Buddhism, teaching readers how to train the mind, awaken the heart, and increase compassion for others.

### **The Night of All Souls (16pt Large Print Edition)**

The definitive history of a powerful family dynasty who dominated Europe for centuries -- from their rise to power to their eventual downfall. Habsburgs ruled much of Europe for centuries. From modest origins as minor German nobles, the family used fabricated documents, invented genealogies, savvy marriages, and military conquest on their improbable ascent, becoming the continent's most powerful dynasty. By the mid-fifteenth century, the Habsburgs controlled of the Holy Roman Empire, and by the early sixteenth century, their lands stretched across the continent and far beyond it. But in 1918, at the end of the Great War, the final remnant of their empire was gone. In *The Habsburgs*, historian Martyn Rady tells the epic story of the Habsburg dynasty and the world it built -- and then lost -- over nearly a millennium, placing it in its European and global contexts. Beginning in the Middle Ages, the Habsburgs expanded from Swabia across southern Germany to Austria through forgery and good fortune. By the time a Habsburg duke was crowned as Holy Roman Emperor Frederick III in 1452, he and his clan already held fast to the imperial vision distilled in its AEIOU motto: *Austriae est imperare orbi universe*, "Austria is destined to rule the world." Maintaining their grip on the imperial succession of the Holy Roman Empire for centuries, the Habsburgs extended their power into Italy, Spain, the New World, and the Pacific, a dominion that Charles V called "the empire on

## Read Book Online The Book Of Mirdad The Strange Story Of A Monastery Which Was Once Called The Ark

which the sun never sets." They then weathered centuries of religious warfare, revolution, and transformation, including the loss of their Spanish empire in 1700 and the dissolution of the Holy Roman Empire in 1806. In 1867, the Habsburgs fatefully consolidated their remaining lands the dual monarchy of Austria-Hungary, setting in motion a chain of events that would end with the 1914 assassination of the Habsburg heir presumptive Franz Ferdinand in Sarajevo, World War I, and the end of the Habsburg era. Their demise was ignominious, and historians often depict the Habsburgs as leaders of a ramshackle, collapsing empire at Europe's margins. But in *The Habsburgs*, Rady reveals how they saw themselves -- as destined to rule the world, not through mere territorial conquest, but as defenders of Christian civilization and the Roman Catholic Church, guarantors of peace and harmony, and patrons of science and learning. Lively and authoritative, *The Habsburgs* is the engrossing definitive history of the remarkable dynasty that forever changed Europe and the world.

### **Kahlil Gibran**

Discover your own deep well of wisdom in *Intuition: Knowing Beyond Logic*—from one of the greatest spiritual teachers of the twentieth century. Intuition deals with the difference between the intellectual, logical mind and the more encompassing realm of spirit. Logic is how the mind knows reality, intuition is how the spirit experiences reality. Osho's discussion of these matters is wonderfully lucid, occasionally funny, and thoroughly engrossing. All people have a natural capacity for intuition, but often social conditioning and formal education work against it. People are taught to ignore their instincts rather than to understand and use them as a foundation for

## Read Book Online The Book Of Mirdad The Strange Story Of A Monastery Which Was Once Called The Ark

individual growth and development—and in the process they undermine the very roots of the innate wisdom that is meant to flower into intuition. In this volume, Osho pinpoints exactly what intuition is and gives guidelines for how to identify its functioning in others and ourselves. You will learn to distinguish between genuine intuitive insight and the “wishful thinking” that can often lead to mistaken choices and unwanted consequences. Includes many specific exercises and meditations designed to nourish and support each individual’s natural intuitive gifts. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

### **Mirdad; Mikhail Naimy's Famous Work "The Book of Mirdad" Made Into a Play in Three Acts**

"Love & Forgiveness are at the heart of every spiritual, philosophical, and soul-centered psychological teaching. And yet, the true meaning and application of love and forgiveness still somehow eludes us. The Book of Love and Forgiveness offers a clear, concise, yet deep understanding of Love, Judgment, and Forgiveness which releases us from judgment and all of its harmful effects"--Amazon.com.

### **Sacred Sexuality**

This book explains why the challenges in your life (and in your heart) may make you feel as though you are going crazy. The Five Stages of the Soul Transformation Process guides you through such challenges and leads you to the light at the end of the tunnel; wherein you gain a new perspective of your life, yourself, and your purpose. The soul transformation process includes: dismantling, emptiness, disorientation, re-building, and a new life. This process assists you in rising to new levels of spiritual mastery where you become an active participant in re-building a new life, a life that resonates with your highest good. Forward written by Gary Renard, author of, The Disappearance of the Universe.

### **The Secret of Secrets**

"This incredible book will assist you on the path to wholeness, and help you live a life of balance and peace. Michael Mirdad helps us see life's lessons and tests as true 'initiations' that can help us open our hearts to connect on a deeper and more meaningful level with God.. As this happens we move closer to a more spiritual and enlightened life. The seven basic initiations involve different parts of ourselves from our bodies, minds, emotions and spirit. This book is not only to be read, but experienced. The message is to take those triumphs and tragedies of life and use them as pavers to continue to build our road to peace and happiness."

Mirdad's words are the words of an enlightened Sufi master.

### **Let Your Life Speak**

Now considered a classic among readers interested in Tibetan Buddhism and pilgrimages of the spirit of all kinds, *A Journey in Ladakh* is Andrew Harvey's spiritual travelogue of his arduous journey to one of the most remote parts of the world--the highest, least populated region in India, cut off by snow for six months each year. Buddhists have meditated in the mountains of Ladakh since three centuries before Christ, and it is there that the purest form of Tibetan Buddhism is still practiced today.

### **The Book of Mirdad**

You have the incredible potential to be, do, and receive whatever you desire, imagine, and truly believe. Unfortunately, only a small number of people achieve their full human potential, because they fail to recognize and harness the infinite power of the subconscious mind—the divinity within them and around them. *Meditations & Affirmations* will show you how to create

## Read Book Online The Book Of Mirdad The Strange Story Of A Monastery Which Was Once Called The Ark

your own new reality through desire, imagination, and belief.

### **Things I Would Like to Do with You**

Learn how to set yourself free with the philosophies of one of the twentieth century's greatest spiritual teachers in *Freedom: The Courage to Be Yourself*. In *Freedom*, Osho outlines three stages of freedom. The first is "freedom from," which is a freedom that comes from breaking out of what he calls the "psychological slavery" imposed by outside forces such as parents, society, or religion. The next stage is "freedom for," a positive freedom that comes from embracing and creating something—a fulfilling relationship, for example, or an artistic or humanitarian vision. And lastly there is "just freedom," the highest and ultimate freedom. This last freedom is more than being for or against something; it is the freedom of simply being oneself and responding truthfully to each moment. This book helps readers to identify the obstacles to their freedom, both circumstantial and self-imposed, to choose their battles wisely, and to find the courage to be true to themselves. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the *Sunday Times* of London as one of the "1000 Makers of the 20th Century" and by *Sunday Mid-Day* (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

## **The Healing Power of Angels: How They Guide and Protect Us**

In this unique series of discourses Osho unravels the ancient text, The Secret of the Golden Flowers, which he describes as a synthesis of all the great religions - the essence of Taoism. More than 2,500 years old, this remarkable text continues to be as relevant today as it was to its contemporaries. Osho interprets it as the core of all religions and spiritual paths - a stripped-back ideal where spiritual seekers around the world are placing themselves now. The Secret of the Golden Flower belongs to no one in particular - it belongs to us all. The Secrets of Secrets is a timeless collection of Osho's talks on The Secret of the Golden Flower. Osho demystifies all the important terms used by the Chinese mystic Lu Tsu, and shares his meditation exercises. He also outlines the qualities of animus and anima - our male and female energies - as delineated by Lu Tsu, and explains the importance of their relationships inside each of us. The book includes many valuable techniques and gives specific instructions on the Taoist Golden light meditation - to harmonize the male and female elements and transmute sexual energy.

## **Meditations & Affirmations**

How do you find your original self? Osho perceives man as becoming increasingly alienated from his inner self, gradually losing his natural innocence and creativity in the mindless quest for worldly power and success. To appear strong, the average man suppresses his innate qualities of love and compassion. For Osho, the ideal man is Zorba, the Buddha—a perfect blend of matter and soul. This seamless collection of discourses takes the reader through the various stages of man's evolution: from Adam to Slave, Son, Homosexual, Priest and Politician, until he attains the pinnacle of his consciousness as the Rebel or Zorba. Sparkling with anecdotes and enriched with brilliant repartee, The Book of Man is a remarkable blend of wisdom and wit.

## **Iron Curtain**

## **The Complete Works of Kahlil Gibran**

Extemporaneous talks given by the author to disciples and friends in Bombay.

## **The Book of Love and Forgiveness**

When the wicked have traveled a course of sin, and discover they have reason to fear the God;s judgement and wrath for their sins, they begin to wish there is no God to punish them, then by degrees they persuade themselves there is no God, and then they set themselves to study the arguments to support their opinion. This excellent book by John Bunyan covers the subject matter of the existence of heaven and hell as well as studies and dispells the arguments presented by sinners who argue there is no heaven and hell. Most do not know that Bunyan wrote some 60 books, and poetry too. And also almost a well-kept secret is that his doctrine was so biblically laced that many good men would call him too severe. He believed in, and taught, ALL the doctrines of grace, including double-predestination, or reprobation. Why then is he not smeared with the name of hyper-Calvinist like Goodwin, Gill, and others? I guess the same people ought to call Luther a hyper-Lutheran, for he believed and taught it, too. Why begin a review of Bunyan's writings with such a view of his doctrine? It is to show that a

## Read Book Online The Book Of Mirdad The Strange Story Of A Monastery Which Was Once Called The Ark

Pilgrim's Progress can come only from someone who believes and teaches ALL the counsel of God, without flinching, yea, with loving-kindness. Illegally, He sat in a jail cell over a river for 12 years with his Bible, Galatians by Luther, and another book or two. He had the choice of feeling miserable and murmuring, or of filling his time, thoughts, and energies with studying that Bible, and seeking a way to be of help to his more comfortable, but less dedicated, brothers and sisters. Listen, dear saints, you can't do any better than reading Bunyan. Like Gurnall, he covers everything here and there, and with a sweetness that can come only from God. What a shame that his large heart should be encased in such small print. But, like digging gold, it is worth the time and trouble to dig spiritual gold. Bunyan (1628-1688) rose from an humble beginning to being a preacher to a little house church, to 12 years in jail because he would not agree to quit preaching, to a huge church in London. He wrote 66 books, nearly all while in jail.

### **The Seven Initiations on the Spiritual Path**

“I want you to be rich in every possible way – material, psychological, spiritual. I want you to live the richest life that has ever been lived on the earth.”--Osho The Osho Life Essentials series focuses on the most important questions in the life of the individual. Each volume contains timeless and always-contemporary investigations and discussions into questions vital to our personal search for meaning and purpose, focusing on questions specific to our inner life and quality of existence. Fame, Fortune, and Ambition examines the symptoms and psychology of preoccupations with money and celebrity. Where does greed come from? Do

## Read Book Online The Book Of Mirdad The Strange Story Of A Monastery Which Was Once Called The Ark

values like competitiveness and ambition have a place in bringing innovation and positive change? Why do celebrities and the wealthy seem to have so much influence in the world? Is it true that money can't buy happiness? These questions are tackled with a perspective that is thought-provoking, surprising--and particularly relevant to our troubled economic times. Fame, Fortune, and Ambition includes an original talk by Osho on DVD. This visual component enables the reader to experience the direct wisdom and humor of Osho straight from the source.

### **Book of Man**

An Introduction to Tantra and Sacred Sexuality offers insights into how to awaken and experience your sensual self, moment-by-moment. This book is exciting and enticing, as well as, powerful and healing. You do not have to be in a relationship to enjoy, explore, and apply sacred sexuality. Sacred sexuality opens you to experiencing levels of ecstatic bliss and unconditional love and, most importantly, bringing these experiences into your daily life. Ultimately, it opens you to living bliss, not just feeling it. This ecstatic vibration translates into consistently feeling unconditional love for all people and things. Michael Mirdad wisely integrates both Tantric and Taoist perspectives and practices in the loving, passionate, and respectful framework of sacred sexuality.
