Finally Arrives -- Satan's War Against the People of God -- The Mark and Number of the Beast -- The Two Women of Revelation -- The 'Time of Jacob's Trouble' -- The Destruction of Satan's Kingdom -- Satan: The Great Seducer -- The Everlasting Kingdom of God

Inside this Bible Study Aid ebook: "The name of the book, Revelation, is a translation of the title in the original New Testament Greek, Apocalypsis—the origin of the other name by which the book is now known, the Apocalypse. The Greek term denotes an unveiling or uncovering—thus, a revelation." "Here is the key to understanding the book. Jesus alone can unlock the meaning of its symbols, visions and descriptions Christ reveals its meaning. He unlocks its seals. But how does He do it?" "Most of Revelation—about two thirds of its content—is devoted to the seventh seal. The contents of the first six seals are found in chapter 6 alone." "How will the two witnesses and their message be received?" "The book of Revelation reveals, from more than one perspective, the emergence of this vast end-time empire governed from a great city God labels "Babylon the great", the reference here being to Rome." "Jesus Christ will return to establish that Kingdom on earth (the Kingdom of God) at His second coming, at last bringing the peace mankind has always longed for but never achieved."

Lectures on the Book of Revelation

The New International Version in a handy, affordable paperback edition.

The Book of Revelation Unveiled

The Book of Revelation is a fascinating piece of Scripture as well as an extraordinary piece of literature. In this Tyndale Commentary, Ian Paul takes a disciplined approach to the text, paying careful attention to the ways that John draws from the Old Testament. Additionally, Paul examines how the original audience would have heard this message from John, and then draws helpful comments for contemporary reflection.

Holy Bible

This contribution to The New International Commentary on the New Testament is a revision of Robert Mounce's original entry on the book of Revelation and reflects more than twenty additional years of mature thought and the latest in scholarship.

Revelation of Jesus Christ

The Reverend Clarence Larkin was one of the most widely influential thinkers on end-times prophecies of the early twentieth century, and his writings remain vital to appreciating

Free Reading The Book Of Revelation The Smart Guide To The Bible Series

the apocalyptic Christian thought that today enjoys widespread popularity. This 1919 book serves as a study guide for the Book of Revelation, the Bible's prophetic final chapter. Larkin explains the concepts of the Beast and the False Prophet, the Seven Seals and the Seven Trumpets, and the importance of the Book of Daniel in understanding the Rapture. Charts and illustrations depict the "Pale Horse Rider," "Daniel's Four Wild Beasts," "Egyptian Plagues Compared," and more. Also available from Cosimo Classics: Larkin's *The Spirit World*, *Rightly Dividing the Word*, and *The Second Coming of Christ*. American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.

The Theology of the Book of Revelation

There is a development between expectation for the rebuilding of the New Jerusalem/Temple in the Old Testament and the coming of the New Jerusalem/Temple in Revelation. In Revelation, there is a dynamic relation between the New Jerusalem and the Heavenly Jerusalem: the New Jerusalem is the descent of the Heavenly Jerusalem. Moreover, there is no Temple building which was expected as the eschatological promise in the Old Testament but rather God and the Lamb is

Free Reading The Book Of Revelation The Smart Guide To The Bible Series

the Temple. How can this shift be explained? Pilchan Lee examines the exegetical tradition which existed between the Old Testament and Revelation. He assumes that as the exegetical tradition, the early Jewish (apocalyptic) literature functions as a key element for forming the idea of the New Jerusalem in Revelation. John's main argument is that the church (which is symbolized by several images) is placed in heaven now (chapters 4-20) and the church (which is symbolized by the New Jerusalem) will descend to the earth from heaven in the future (21-22).

Understanding the Book of Revelation

This book is about the truth revealed from the mystery hidden in the Book of Revelation. The Book of Revelation is about the missing information revealed to John because there was no record in the Bible about what happened to the perfect creation in Genesis 1:1. There was no record about Adam, created by the I AM, as the first God and his generations before this present world. The Bible has not recorded the lineage of Jesus from the I AM in order to present to the world who is Jesus. This is the truth that must be known. The Book of Revelation had been misunderstood because of the political interpretation of its images. In John 8:32, Jesus says, "And you shall know the truth, and the truth shall make you free" Here, the

Free Reading The Book Of Revelation The Smart Guide To The Bible Series

truth, refers to Jesus who has power to set humanity free from the bondage of the God of this world. Jesus declares in John 14: 6, that He is the "Truth." After the gospel had been preached for thousands of years, humanity is still in captivity of the God of this world. Many people keep asking why a good God can allow these types of suffering. This shows that Jesus the "Truth" is not yet known. Confessing Jesus as a Savior is different from knowing Him. This has been done for thousands of years and the world is getting worst. When Jesus, the "Truth" is known, He will set humanity free from this spiritual enslavement. The revealed truth from the mystery in the Book of Revelation, presented here, is a divine journey toward knowing Jesus, the "Truth." I encourage everyone to read this book.

The Book of Revelation

Charles Swindoll's practical study of the books of Matthew through 1 Thessalonians is part of God's Masterwork, a five-volume overview of the Bible that lays a foundation for a lifetime of personal Bible study and application.

the Bible Unravel the details of the apostle John's life and world Choose a perspective for understanding See the grander scheme of things Complete with lists of the ten most commonly asked questions about end times and the ten rules of thumb for interpreting scripture, *The Book of Revelation For Dummies* will help you understand and decode one of the most perplexing books in the Bible!

The Book of Revelation For Dummies

The Book of Revelation has always been a mysterious and intriguing book, describing in symbolic terms the confrontation between the Disciples of Christ and the powers - political and supernatural - that hold sway over the current age. Fundamentalists have been attracted to the book and have sought to decipher its strange symbols as coded prophecy of future events. But as Pablo Richard shows in *Apocalypse*, the most powerful readings of the Book of Revelation are through the eyes of the oppressed, living out their Christian faith in the context of the modern empire. It is they who identify most strongly with Revelation's ultimate message of hope and life in the midst of death and persecution. *Apocalypse* first provides a general introduction to the reading of Revelation by examining three keys for its understanding: the historical, the sociological, and the literary-structural.

Free Reading The Book Of Revelation The Smart Guide To The Bible Series

The book then goes on to explore the whole of the Book of Revelation, following the book's own structure. Each section provides a line-by-line reading of the text, establishing the literal meaning before applying the interpretive keys already established.

Revelation (Baker Exegetical Commentary on the New Testament)

This commentary series is established on the presupposition that the theological character of the New Testament documents calls for exegesis that is sensitive to theological themes as well as to the details of the historical, linguistic, and textual context. Such thorough exegetical work lies at the heart of these volumes, which contain detailed verse-by-verse commentary preceded by general comments on each section and subsection of the text. An important aim of the NIGTC authors is to interact with the wealth of significant New Testament research published in recent articles and monographs. In this connection the authors make their own scholarly contributions to the ongoing study of the biblical text. The text on which these commentaries are based is the UBS Greek New Testament, edited by Kurt Aland and others. While engaging the major questions of text and interpretation at a scholarly level, the

Free Reading The Book Of Revelation The Smart Guide To The Bible Series

authors keep in mind the needs of the beginning student of Greek as well as the pastor or layperson who may have studied the language at some time but does not now use it on a regular basis.

Revelation

A groundbreaking first social-science commentary on this popular book of the Bible.

Revelations

The life and times of the New Testament's most mystifying and incendiary book Few biblical books have been as revered and reviled as Revelation. Many hail it as the pinnacle of prophetic vision, the cornerstone of the biblical canon, and, for those with eyes to see, the key to understanding the past, present, and future. Others denounce it as the work of a disturbed individual whose horrific dreams of inhumane violence should never have been allowed into the Bible. Timothy Beal provides a concise cultural history of Revelation and the apocalyptic imaginations it has fueled. Taking readers from the book's composition amid the Christian persecutions of first-century Rome to its enduring influence today in popular culture, media, and visual art, Beal explores the often wildly contradictory lives of this sometimes horrifying, sometimes inspiring biblical vision. He shows how such figures as Augustine and Hildegard of Bingen made Revelation central to their own mystical worldviews, and how, thanks to the vivid works of art it inspired, the book remained popular even as it was denounced by later

Free Reading The Book Of Revelation The Smart Guide To The Bible Series

church leaders such as Martin Luther. Attributed to a mysterious prophet identified only as John, Revelation speaks with a voice unlike any other in the Bible. Beal demonstrates how the book is a multimedia constellation of stories and images that mutate and evolve as they take hold in new contexts, and how Revelation is reinvented in the hearts and minds of each new generation. This succinct book traces how Revelation continues to inspire new diagrams of history, new fantasies of rapture, and new nightmares of being left behind.

The Book of Revelation

John Paul Heil presents an original analysis of the theme of worship in the book of Revelation guided by a new illustration of its comprehensive chiastic structure. The worship that Revelation exhorts and enables is in the divine Spirit of prophetic witness against all forms of idolatrous worship on earth in favor of a true, heavenly, and universal worship of the Lord God and the Lord Jesus Christ, the Lamb, for an eternal and heavenly life. The audience begins this worship in the eucharistic supper into which Revelation leads them by inviting them to respond to the promise of Jesus, "Yes, I am coming soon," with "Amen! Come, Lord Jesus!" They thereby affirm and welcome the coming of the Lord Jesus, the exalted sacrificial Lamb,

Free Reading The Book Of Revelation The Smart Guide To The Bible Series

to the eucharistic supper that anticipates his final coming and the divine grace, the gift of eternal life, of the Lord Jesus that is intended to be the destiny of all--"The grace of the Lord Jesus with all!"

Four Views on the Book of Revelation

Perhaps no book in the history of the world has been as misunderstood and misappropriated as the Book of Revelation. Those people versed in the methods of scholarly interpretation (exegesis) may understand the symbolism of this work, but what about the general reader? How is he or she to know whether this book is being soundly interpreted or misinterpreted? Father Chapman writes for the general reader, for the many who need to understand the truth of The Message of the Book of Revelation -both its historical message and its message for Christians today. He explains, phrase by phrase, in clear, direct terms what has been learned about the genre of writings called apocalyptic literature - of which Revelation is a part - and how that knowledge can be properly used to interpret the images and symbols of Revelation. Faithful to the teaching of the Church, this explanation of Revelation "reveals" this biblical book to be an inspiring, hope-filled, poetic portrayal of the triumph of Christ and his followers over the powers of evil. The Rev. Charles T.

Free Reading The Book Of Revelation The Smart Guide To The Bible Series

Chapman, Jr., was raised and educated as a Southern Baptist. He joined the Episcopal Church in 1980 and was ordained priest in 1987. He holds degrees from Union University and The Southern Baptist Theological Seminary, with further training at the Episcopal Theological Seminary of the Southwest. With Bible teaching and writing among his principle interests, Fr. Chapman offers this commentary in the hopes that reason and scholarship can shed light on a biblical work where baseless, extravagant imagination has long cast its shadow.

The Book of Revelation

The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible. These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers. The contributors tackle the task of interpretation using the full range of critical methodologies and practices, yet they do so as people of faith who hold the text in the highest regard. Pastors, teachers, and lay people alike will cherish the truth found in this commentary series.

The Book of Revelation and the Work of

Free Reading The Book Of Revelation The Smart Guide To The Bible Series

the Priest

This in-depth treatise presents conclusive evidence for an extremely close relationship between ancient Egyptian religious beliefs and the Book of Revelation. Practically all characters, scenes and series of scenes found in Revelation have parallels in mainstream Egyptian sources, including the Book of the Dead, the Amduat, Book of Gates, Book of Aker, Books of the Heavens and others. Parallel characters include Egypt's Apophis as Revelation's Satan while situations and activities in scenes include the judgment scene and singers by a lake of fire. Parallel sequences of scenes include those found in the 2nd to 12th Divisions of the Book of Gates and most of Revelation's Chapters 15-21. Allusions to the Book of Dead are common. Finally, a key conclusion: the entire structure of the Book of Revelation can be accounted for in the organization of text and paintings on the walls and ceilings of the tomb of Ramesses VI in Egypt's Valley of the Kings. Fully referenced to enable critical review. See revorigin.com

The Book of Revelation

Explores the New Testament book of Revelation in a historical first-century context, reinterpreting the book as a scathing attack on the decadence of Rome that was

Free Reading The Book Of Revelation The Smart Guide To The Bible Series

subsequently adopted by early Christians as a weapon against heresy.

The New Jerusalem in the Book of Revelation

Rev. ed. of: The book of Revelation--justice and judgment. c1985.

The Message of the Book of Revelation

"Revelations: A New Beginning" contains the hidden secrets of Saint John's Revelations, and as you know, it is one of the most debated and most difficult books of all the scriptures to read and understand because of the extreme symbolism tied to it. We have always assumed the words of God's prophets and their stories were indisputable just because of one's eminence in interpreted them as being true. Man has forgotten the history of himself, Earth, God, the origin of the universe, and how the scriptures have been documented, interpreted, and strictly passed down by our ancestors and religious leaders. As symbolic as Revelations is it has nothing to do with the end days or even about a solitary Anti-Christ as we understand it nor is it about Jesus coming to save you. In truth, Revelations is your own guide showing you that you no longer need to look at yourself as a sinner because you have bared your cross, like Jesus, and now the time has

Free Reading The Book Of Revelation The Smart Guide To The Bible Series

come for you to ascend to a higher state of Mind. Revelations: "A New Beginning" is a book that will help open the gates of your Soul memories so you can become aware of your own divineness and that you are a God too. My fellow Gods, what is coming to an end is the old ways of perceiving and understanding God. It is not that God is a mystery. It is you that is the mystery, and when fear is resolved within, you are then ready to open up to the hidden secrets behind the Book of Revelations that religions have kept as a secret for thousands of years, either on purpose or because of ignorance.

Apocalypse

Four Views on the Book of Revelation focuses specifically on the book of Revelation and the primary ways in which it is read. The four views are the: preterist; idealist; classical dispensationalist, and progressive dispensationalist. Copyright © Libri GmbH. All rights reserved.

The Book of Revelation

The Book of Revelation contains some of the most difficult passages in Scripture. Grant Osborne's commentary on Revelation begins with a thorough introduction and the many difficulties involved in its interpretation. He also examines elements that complicate the

Free Reading The Book Of Revelation The Smart Guide To The Bible Series

interpretation of apocalyptic literature. As with all volumes published in the BECNT series, Revelation seeks to reach a broad audience with scholarly research from a decidedly evangelical perspective.

The Book of Revelation

Revelation meaning the Greek word: Apocalypse - to reveal, to uncover and to unveil. Who is God speaking to in the book of Revelation? Are we living in the days that the book of Revelation is talking about? The next greatest event on God's calendar is about to come to pass. Prophecy is history written before hand. Revelation is history in reverse. This book is simply the effort to eliminate the fears and misunderstanding of the concept of the book of Revelation. People say that the book of Revelation cannot be understood and in essence do not attempt to read it. God meant for us to understand the book of Revelation and He had to have it written so that it would be applicable to the people four thousand years ago as well as the people of today. When you are writing about something in the future, events, technology and things will change; so you would have to write it in a way that it could be for all times. It is called Revelation because God therein discovers those things, which could have never been sifted out by the reasoning of human understanding. These are the deep

Free Reading The Book Of Revelation The Smart Guide To The Bible Series

things of God, which no man knows, but the Spirit of God, and those to whom He reveals them to. I am a servant in the ministry of the Lord Jesus Christ. I am deeply indebted to all who have laid the foundation before me. I have sought to give credit to whom credit is due. This book reflects the toils and tears of writers whose efficiency and eloquence have inspired me. It is my desire and endeavor to inspire others to explore in the reading of the scriptures. May the grace of our Lord and Savior Jesus Christ and the sweet communion of the Holy Spirit, rule, rest and abide from henceforth and forever more. Amen! Evangelist Linda

Revelation

Lectures to 57 priests in Dornach Sept 5-22, 1924 (CW 346) John's Book of Revelation, the Apocalypse, has been subjected to countless theological and academic interpretations over the years, usually based on theories and abstract speculations. Rudolf Steiner, however, discussed the Book of Revelation through direct experience and knowledge of the spiritual truths contained in John's mysterious imagery. Rudolf Steiner had already presented his insights on the Apocalypse to various audiences, but in 1924 he presented a completely new perspective. This time, his comments were in response to requests from priests of The Christian

Community, the movement for religious renewal, which itself had taken form on the basis of Steiner's insights. This book will be of value to anyone who would like a fresh perspective on the most enigmatic book of the New Testament. Includes eight color plates of blackboard drawings. Read Bobby Matherne's review of this book

Social-science Commentary on the Book of Revelation

As a history book the Bible is unique, telling us about the future as well as the past. To become obsessed with either is to evade life's challenges. Both perspectives are needed to live 'over the circumstances' of the present. The book of Revelation focuses on the future and can produce two reactions among Christians - some cannot get into it and others cannot get out of it!! We need a more balanced view of its significance. After all, it is the only book in the whole Bible to which God has attached a special blessing and an awful curse. It was written for ordinary people under extraordinary pressure. Suffering is the key to its understanding. It is a manual for martyrdom. As history draws to a close, all Christians need its message of warning and encouragement.

The Book of Revelation

Free Reading The Book Of Revelation The Smart Guide To The Bible Series

Revelation, by any modern standard, is a strange book. It has intrigued and perplexed readers through the centuries, and all too often has fallen victim to fanciful interpretations. Although it may seem mysterious and impenetrable to us today, it represents a distinct message in language and imagery that was familiar to the original readers, woven together into a beautiful tapestry of twenty-two interconnected chapters. The Book of Revelation: The Rest of the Story demonstrates that the key to understanding the message of Revelation is found in this intricate relationship between the seven “letters” and the rest of the book, with the visions of Revelation 4-22 building on, fleshing out, and driving home each of the messages to the seven churches in Revelation 2-3. In the end, Revelation proves to be not primarily a guide to how things are going to unfold at the end of the age, but rather a profound call to a life of radical devotion to Jesus regardless of one’s circumstances.

The Book of Revelation

Towns looks at this apocalyptic message and poses questions about whether God is awakening the church to worship today to prepare His people for heaven and their primary purpose in eternity.
