Roth Unbound

One Person and Another

Christopher Freeburg challenges the imperative to study black social life and slavery and its aftereffects through the lenses of freedom, agency, and domination and instead examines how enslaved Africans created meaning through spirituality, thought, and artistic creativity separate and alongside concerns about freedom.

Stand Magazine

"The time would appear ripe then to take a closer look at Roth's more recent or "later" fiction. That is the intent of this gathering of critical essays. This is the only essay collection devoted primarily to Roth's fiction of the last two decades. It includes fourteen essays, written by some of the leading Roth specialists in this country and abroad."--BOOK JACKET.

Exit Ghost

Westways

Masterplots II.: Cont-Gor

Crossing Cultures

This fascinating collection of 18 essays sets out to discover the distinctiveness of modern British and American literature by comparing and contrasting the two traditions. It covers all the principal generic categories, poetry, drama and prose, from Eliot, Waugh and Fitzgerald, to Fowles and Philip Roth, and considers some major themes such as women's and black fiction. It uses particular case studies to consider both the way the two literatures have influenced one another and what distinguishing characteristics they each possess.

Diaspora and Zionism in Jewish American Literature

What if a lookalike stranger stole your name, usurped your biography and went around the world pretending to be you? In this tour de force of fact and fiction, Philip Roth meets a man who may or may not be Philip Roth. Because someone with that name has been touring the State of Israel, promoting a bizarre exodus in reverse of the Jews. Roth decides to stop him—even if that means impersonating his impersonator. Suspenseful, hilarious, hugely impassioned, pulsing with intelligence and narrative energy, *Operation Shylock* is at once a spy story, a political thriller, a meditation on identity, and a confession. Like Pushkin and Dostoevsky before him, Philip Roth takes on the subject of the writer's double, which for Roth is inevitably bound up in Jewishness and identity. This is a bold, inventive and energetic departure from his past novels, a meta-novel, and, like all of his writing, full of ideas, wit, humor and startling observation.

Philip Roth

Philip Roth – one of the most renowned writers of his generation – hardly needs introduction. From his debut, *Goodbye, Columbus*, which won the National Book Award, to his Pulitzer Prize-winning *American Pastoral*, to his eternally inventive later works such as *Exit Ghost* and *Nemesis*, Roth has produced some of the greatest literature of the past hundred years. And yet there has been no major critical work about him, until now. Here, at last, is the story of Roth's creative life. Claudia Roth Pierpont tells an engaging story even as she delves into the many complexities of Roth's work and the controversies it has raised. This is not a biography – though it contains many biographical details – but something more rewarding: an attempt to understand a great writer through his art. Pierpont, who has known Roth for

several years, peppers her gracefully written and carefully researched account with conversational details, providing insights and anecdotes previously accessible only to a very few, touching on Roth's family, his inspirations, his critics, the full range of his fiction, and his literary friendships with such figures as Saul Bellow and John Updike. *Roth Unbound* is a major achievement, a fascinating and highly readable work that will set the standard for Roth scholarship for years to come.

Turning Up the Flame

The *Counterlife* is a novel unlike any that Philip Roth has written before, a book of astonishing 180-degree turns, a book of conflicting perspectives and points of view, and, by far, Roth's most radical work of fiction. *The Counterlife* is about people enacting their dreams of renewal and escape, some of them going so far as to risk their lives to alter seemingly irreversible destinies. Every major character (and most of the minor ones) is investigating, debating, and arguing the possibility of remaking the future. Illuminating these lives in transition and guiding us through all the landscapes, familiar and foreign, where these people are seeking self-transformation, is the mind of the novelist Nathan Zuckerman. His is the skeptical, enveloping intelligence that calculates the price that's paid in the struggle to change personal fortune and to reshape history. Yet his is hardly the only voice. This is a novel in which speaking out with force and lucidity appears to be the imperative of every life. There is Henry, the forty-year-old New Jersey dentist, who risks a quintuple bypass operation in order to escape the coronary medication that renders him sexually impotent. There is Maria, the wellborn young Englishwoman, who invites the

disdain of her family by marrying the American she knows will be least acceptable in Gloucestershire. There is Lippmann, the Israeli settlement leader, who contends that "everything is possible for the Jew if only he does not give ground." The action in *The Counterlife* ranges from a dentist's office in quiet suburban New Jersey to a genteel dining table in a tradition-bound English village, from a Christmas carol service in London's West End to a Sabbath evening celebration in a tiny desert settlement in Israel's occupied West Bank. Wherever they may find themselves, the characters of *The Counterlife* are tempted unceasingly by the prospect of an alternative existence that can reverse their fate. *The Counterlife* was a finalist for the National Book Award and winner of the National Book Critics Circle Award.

The Facts

This volume of Contemporary Authors® New Revision Series brings you up-to-date information on approximately 250 writers. Editors have scoured dozens of leading journals, magazines, newspapers and online sources in search of the latest news and criticism. Writers appearing in this volume include: Gail Anderson-Dargatz Valerie Martin Isidore Okpewho Philip Roth

The Literary Criterion

As Others Read Us

Looking at Philip Roth's writing life as a "book of voices," Debra Shostak listens in on the conversations that this prominent American novelist has conducted with himself and his times over forty years and twenty-four books. She finds that while Roth frequently shifts perspectives, he repeatedly returns to interrelated questions of cultural history, literary history, and, especially, selfhood.

The Cambridge Companion to Philip Roth

This new biography of the controversial, influential, and prize-winning American novelist Philip Roth, a writer with an international reputation for inventive, original novels from *Portnoy's Complaint* to *American Pastoral* and *The Plot Against America*, is based on new access to archival documents and new interviews with Roth's friends and associates.

Studies in American Jewish Literature

Forked Tongues?

An in-depth exploration of the work of four major writers confronting Jewish nationalism and the fate of the diaspora.

Up Society's Ass, Copper

Z. Angl. Am

A continually interesting selection of essays, reports, and reviews of writers, books, writers' activities, and literary speculations written between 1956 and 1993, intended as a companion volume to Stern's Noble Rot; Stories 1949-1988. Published by Baskerville Publishers, 7616 LBJ Freeway, Suite 220, Dallas, TX 75251. Annotation copyright by Book News, Inc., Portland, OR

Panjab University Research Bulletin

'This swift, elegant, disturbing novel stands at the extreme of contemporary fiction' New York Times Book Review He is a middle-aged American writer called Philip; she is an

articulate, well-educated Englishwoman trapped in a loveless and humiliating marriage. In Philip's London studio, this play of voices - sharp, tender and inquiring - reveals both their past lives with startling clarity. Deception is fiendishly clever, as it dances with the conventions of the novel, and redefines the boundaries between fiction and reality.

The New Criterion

Contains biographical sketches of writers who either began writing novels after 1945 or have done their most important work since then.

American Novelists Since World War II.

Like Rip Van Winkle returning to his hometown to find that all has changed, Nathan Zuckerman comes back to New York, the city he left eleven years before. Alone on his New England mountain, Zuckerman has been nothing but a writer: no voices, no media, no terrorist threats, no women, no news, no tasks other than his work and the enduring of old age. Walking the streets like a revenant, he quickly makes three connections that explode his carefully protected solitude. One is with a young couple with whom, in a rash moment, he offers to swap homes. They will flee post-9/11 Manhattan for his country refuge, and he will return to city life. But from the time he meets them, Zuckerman also wants to swap his solitude for the erotic challenge of the young woman, Jamie, whose allure draws him back to all that he thought he had left behind: intimacy, the vibrant play of heart and body. The second connection is with a figure from Zuckerman's youth, Amy Bellette, companion and muse to Zuckerman's first literary hero, E. I. Lonoff. The once irresistible Amy is now an

old woman depleted by illness, guarding the memory of that grandly austere American writer who showed Nathan the solitary path to a writing vocation. The third connection is with Lonoff's would-be biographer, a young literary hound who will do and say nearly anything to get to Lonoff's "great secret." Suddenly involved, as he never wanted or intended to be involved again, with love, mourning, desire, and animosity, Zuckerman plays out an interior drama of vivid and poignant possibilities. Haunted by Roth's earlier work *The Ghost Writer*, *Exit Ghost* is an amazing leap into yet another phase in this great writer's insatiable commitment to fiction.

HJEAS

A rigorously unfictionalized narrative that portrays Roth unadorned -- as young artist, as student, as son, as lover, as husband, as American, as Jew -- and candidly examines how close the novels have been to, and how far from, autobiography.

Deception

Offering fresh insight into Roth's works, this volume covers the entire oeuvre to date and addresses common themes and issues.

The Fiction Magazine

This collection of original essays traces the cultural impact of American literature on and in other societies. Written by authors from 15 nations, the essays examine not only what is studied, translated, and taught by scholars in each country but also what is read by the general public.

Operation Shylock

Provides essays on the most representative and most studied literary characters from international contemporary writers.

Panjab University Research Journal

In this important new study, Judith Oster looks at the literature of Chinese Americans and Jewish Americans in relation to each other. Examining what is most at issue for both groups as they live between two cultures, languages, and environments, Oster focuses on the struggles of protagonists to form identities that are necessarily bicultural and always in process. Recognizing what poststructuralism has demonstrated regarding the instability of the subject and the impossibility of a unitary identity, Oster contends that the writers of these works are attempting to shore up the fragments, to construct, through their texts, some sort of wholeness and to answer at least partially the questions Who am I? and Where do I belong? Oster also examines the relationship of the reader to these texts. When encountering texts written by and about “others,” readers enter a world different from their own, only to find that the book has become mirrorlike, reflecting aspects of themselves: they encounter identity struggles that are familiar but writ large, more dramatic, and set in alien environments. Among the figures Oster considers are writers of autobiographical works like Maxine Hong Kingston and Eva Hoffman and writers of fiction: Amy Tan, Anzia Yezierska, Henry Roth, Philip Roth, Cynthia Ozick, Lan Samantha Chang, and Frank Chin. In explicating their work, Oster uses Lacan's idea of the “mirror stage,” research in language acquisition and bilingualism, the reader-response theories of Iser and Wimmers, and the

identity theories of Charles Taylor, Emile Benveniste, and others. Oster provides detailed analyses of mirrors and doubling in bicultural texts; the relationships between language and identity and between language and culture; and code-switching and interlanguage (English expressed in a foreign syntax). She discusses food and hunger as metaphors that express the urgent need to hear and tell stories on the part of those forging a bicultural identity. She also shows how American schooling can undermine the home culture's deepest values, exacerbating children's conflicts within their families and within themselves. In a chapter on theories of autobiography, Oster looks at the act of writing and how the page becomes a home that bicultural writers create for themselves. Written in an engaging, readable style, this is a valuable contribution to the field of multicultural literary criticism.

Jewish Studies as Counterlife

This text seeks to harness the possibilities offered by the evolving collection of forces by which Jewish Studies is constituted and practiced in order to open, refashion, and exemplify possibilities for a humanities to come.

Survey of Jewish Affairs

Philip Roth

The culmination of 30 years of writing about Philip Roth. This collection of essays, reviews, fulminations and daydreams, combines first impressions with conclusions that have been percolating for decades - the record of a restless reader

coming to terms with a turbulent and mercurial writer.

New York Magazine

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

The Counterlife

Includes more than 360 interpretative essays on works of twentieth-century fiction published in the United States and Latin America.

The World & I.

From the moment that his debut book, *Goodbye, Columbus* (1959), won him the National Book Award, Philip Roth has been among the most influential and controversial writers of our age. Now the author of more than twenty novels, numerous stories, two memoirs, and two books of literary criticism, Roth has used his writing to continually reinvent himself and in doing so to remake the American literary landscape. This Companion provides the most comprehensive introduction to his works and thought in a collection of newly commissioned essays from distinguished scholars. Beginning with the urgency of Roth's early fiction and extending to the vitality of his most recent novels, these

Free Copy PDF The Counterlife

essays trace Roth's artistic engagement with questions about ethnic identity, postmodernism, Israel, the Holocaust, sexuality, and the human psyche itself. With its chronology and guide to further reading, this Companion will be essential for new and returning Roth readers, students and scholars.
